INFLATABLE JUMPS ARE ALLOWED ONLY AT LAS PALMAS PARK

Inflatable jumps are not allowed without an approved Use of Facilities Application and the \$1 million insurance requirement. The application should be filed at least one week prior to event. There is a \$25 fee to process the permit application. The City of National City requires that the company from which the inflatable jump is being rented mail or fax a Certificate of Insurance that states that the City of National City is an additional insured and a copy of their National City Business License.

Current Vendors who have an insurance certificate on file with the City of National City are:
