ARTICLE 1 – IMPLEMENTATION

Section 1

It is agreed that this Memorandum shall not be binding upon the parties either in whole or in part unless and until:

- A. The NCMEA has approved and adopted this MOU.
- B. The City Council acts, by majority vote, formally to approve and adopt this MOU.
 - 1. The City Council shall upon approval and adoption of said MOU act to appropriate the necessary funds required to implement the provisions of this MOU that require funding.
 - 2. The City Council shall act in a timely manner to make the necessary changes in ordinances, resolutions, rules, policies and procedures to implement and conform to this agreement.

Section 2 Representation

The City of National City formally recognizes the National City Municipal Employees' Association (NCMEA) as the exclusive representative of all employees in affiliation with SEIU, Local 221 in the classifications listed under Article 21 – Wages and Salary Schedule.

Section 3 Eligibility

The wages, benefits and conditions of employment provided in this MOU are applicable to all regular and part-time career employees as defined by Civil Service Rule IV, Section 407.1 A.(1) and (2) and assigned by the City to the MEA unit. Employees hired on Temporary Full-Time or Part-Time, Intern or On-Call basis are not represented by this unit. Benefits for Part-Time Career employees will be prorated. Career/Limited Term employees in classifications assigned to the NCMEA Bargaining Unit may be eligible for the benefits provided herein only when the grant or program provides adequate funding for same. However, the City agrees to request that adequate funding for benefits be provided.

ARTICLE 2 – HOLIDAYS

Section 1

Eligible employees in this bargaining unit are entitled, without loss of pay, to the holidays listed below:

A. The following days shall be fixed holidays with pay:

1. New Year's Day – January 1st
2. Martin Luther King – 3rd Monday in January
3. Cesar Chavez Birthday – March 31st
4. Memorial Day – Last Monday in May
5. Independence Day – July 4th
6. Labor Day – 1st Monday in September
7. Thanksgiving Day – 4th Thursday in November
8. Day after Thanksgiving
9. Christmas Eve – December 24th
10. Christmas Day – December 25th

B. In addition to the fixed holidays above, the following four (4) days will be credited as "Floating Holidays":

1. Lincoln's Birthday – February 12th
2. Washington's Birthday – 3rd Monday in February
3. Columbus Day – 2nd Monday in October
4. Veterans' Day – November 11th

C. Fixed holidays falling on a regularly scheduled workday will be paid based on the employee's assigned daily work schedule. For example, employees assigned to a 4/10 schedule will have holidays paid in ten (10) hour increments when the holiday falls on a regularly scheduled workday. Floating holidays will be paid in eight (8) hour increments.

Section 2

The floating holidays shall be used by the employee in minimum increments of fifteen (15) minutes at the employee's discretion subject to the approval of the department head or his/her designee as a holiday and shall be used within the fiscal year earned. Reasons for denial to observe a holiday on the date requested by the employee shall be in writing and can only be related in the judgment of the department head to the efficient functioning of the department. If the department head certifies in writing to the Finance Director that it was not possible to grant the time off during the fiscal year due to unforeseen or extreme workload problems, then unused holiday credits will be added to the employee's vacation accumulation.

Floating holidays may be used earlier in the fiscal year than their occurrence. New employees shall not receive credit for holidays which occurred prior to their starting date. Separating employees who have received paid time off for holidays which have not occurred as of the date of their separation are required to repay the City for such floating holidays for which they have been paid. Only non-probationary employees and employees separating in good standing shall be paid for accrued and not taken holiday time.

Section 3 Appointed and Religious Holidays

With City Council approval, every day appointed by the President of the United States or by the Governor of California for a public fast, thanksgiving or holiday, with the exception of Good Friday, shall be honored as an additional holiday. Employees may request time off to attend religious services or other religious activities on Good Friday or on the recognized religious holidays during the year; such time off shall be charged to the employees annually accumulated leave or compensating time off. If the employee has no accumulated annual leave or compensating time off, such time off shall be without pay.

Section 4 Holidays Occurring on Normal Work Day, during Sick Leave or Annual Leave or on a Weekend

- A. In the event a fixed holiday (as defined in Section 1) falls on and is observed on an employee's regular day off:
1. If the employee is not required to work, such employee shall be granted a floating holiday.
 2. If the employee is required to work the employee shall receive:
 - a) pay at the time and a half rate for hours worked on the holiday; *and*
 - b) floating holiday hours equal to the number of hours actually worked.
- B. In the event a fixed holiday (as defined in Section 1) falls on an employee's regular work day:
1. If the employee is not required to work, such employee shall be compensated at straight time equal to the number of hours the employee would have been assigned to work.
 2. If the employee is required to work the majority (over half) of his/her shift between 12:00 a.m. and 11:59 p.m. on the observed fixed holiday, the employee shall receive one of the following at the option of the employee:
 - a) pay at the time and a half rate for hours worked; *or*
 - b) straight time and floating holiday hours equal to the number of hours actually worked.

Exception: For the fixed holidays of Christmas Day, New Year's Day, day of July 4th, and Thanksgiving Day, employees shall receive:

- a) pay at the time and a half rate for hours worked on the holiday with a minimum of two (2) hours of pay; *and*
- b) eight hours paid holiday time at straight time.

Date	Shift	Creditable Hours	Rationale
November XX, 20XX (Thanksgiving)	20000 – 0600	8 hours holiday pay 10 hours worked at 1.5 times	Thanksgiving is an “Exception” holiday
November XX, 20XX (Day after Thanksgiving)	20000 – 0600	10 hours straight time 10 floater hours	Fixed holiday
December 24, 20XX (Christmas Eve)	20000 – 0600	10 hours straight time 10 floater hours	Fixed holiday
December 25, 20XX (Christmas Day)	20000 – 0600	8 hours holiday pay 10 hours worked at 1.5 times	Christmas Day is an “Exception” holiday
January 1, 20XX (New Years Day)	20000 – 0600	8 hours holiday pay 10 hours worked at 1.5 times	New Years Day is an “Exception” holiday

- C. When an employee is absent on annual leave, sick leave or compensating time off, a fixed holiday immediately preceding, immediately following or wholly within such leave period shall be recorded as a holiday and not as a day of leave.
- D. If a fixed holiday occurs on a Saturday, the City will observe the holiday on the preceding working day. If the fixed holiday falls on Sunday, the following work day will be observed as the holiday, except as noted in Article – (*holiday closure article*).
- E. Should the City shift the observed holiday to a day other than the actual holiday, City employees working schedules outside of the standard Monday through Friday will continue to observe the actual holiday and be compensated according to time worked on the actual holiday as outlined above. Employees in this situation will be notified of the appropriate time card notations in advance of the holiday.

Section 5 **Holiday Closure**

City facilities will close for a period of approximately two weeks in December of each year of the agreement with time off for non-essential personnel.

1. Each June, employees may elect to either (a) take unpaid furlough hours/days off during the holiday closure for that calendar year, (b) use accrued paid leave balances (vacation, comp time and/or floating holidays) during the holiday closure for that calendar year, or (c) have equal pay deductions each pay period for the 26 pay periods of the fiscal year that includes the applicable holiday closure period to cover the two week holiday closure.
 - o To elect options (a) or (c), employees must notify Payroll no later than the end of the last business day of the first full week in June of the applicable year.
 - o For the December 2018 holiday closures (see dates below) only, because this 2018-2020 MOU was approved during the 2018-19 fiscal year, employees electing option (c) will have an amount taken each paycheck remaining in FY 2018-19 following the election necessary to cover the December 2018 holiday closure.
 - o If no election is made, option (b) (use of accrued paid leave balances during the holiday closure) shall apply. If the employee’s accrued leave balances are insufficient to cover the entire holiday closure, the remainder of the holiday closure hours will be deemed unpaid time off with a corresponding deduction in the employee’s pay check for the pay period.

2. The City facilities shall close except for emergency services, including Fire, Police and other personnel deemed emergency services essential personnel. Any employee subject to the furlough that is required to work in the performance of services deemed to essential during the furlough period shall be credited with corresponding furlough leave hours.
3. The following calendar is based on the City's current 4/10 workweek. A change in the workweek schedule would result in a modification of the calendar.

2018 Holiday Closure

December 24 holiday (Christmas Eve)
December 25 holiday (Christmas Day)
December 26, 27, 31 furlough or accrued leave
January 1 holiday (New Year's Day)

2019 Holiday Closure

December 23 furlough or accrued leave
December 24 holiday (Christmas Eve)

ARTICLE 3 – LEAVE ELIGIBILITY AND PROCEDURE

Section 1 Leave Categories

Consistent with the provisions of these chapters, employees in the competitive service shall be entitled to holidays and annual vacation and shall be allowed sick, injury, emergency and special leaves of absence. Career part-time employees in competitive service working twenty (20) hours or more per week, shall be entitled to all holidays, annual vacation, sick or emergency leave and special leaves of absence as granted to full-time employees on a pro rata basis within the same number of pay periods.

Section 2 Requests for Leave

All requests for leaves of absence, whether with or without pay, shall be submitted in writing on prescribed forms, and except as provided in the case of compulsory leave, court leave and special meetings, must meet the approval of the department head.

Section 3 Leave Approval

Except in the case of sick or emergency leave, the scheduling of leaves is subject to the approval of the department head or his/her designee. It is the obligation of the employee to request in writing prior approval for all other leaves. Under unusual circumstances, the department head has the discretion to waive the requirement for prior approval. The department head shall respond to a request for leave within ten (10) days. Approvals may be rescinded by the department director in time of emergencies such as flood, earthquake, fire, civil disturbance, maintenance of skeleton staffing level, and other similar situations. Leave will not be denied unless the department demonstrates that it cannot function without the individual who is requesting a leave.

Section 4 Leave of Absence - Commencement and Termination

Each leave of absence shall be granted for a specific period of time and a specific cause, and if such cause shall cease to exist prior to the expiration of the period for which the leave is granted, such leave shall thereafter be invalid.

Section 5 Leave of Absence - Failure to Report

Leaves of absence shall be indicated on the payroll time sheets submitted to the Director of Finance for checking and certification. Failure of an employee to report at the expiration of leave shall separate the employee from City service and shall be considered, in effect, a resignation; provided, however, the City may cancel such separation if circumstances warrant such cancellation (as determined by the City Manager or his designee).

Section 6 Benefits during Leave without Regular Pay

All accrual of leaves, City contributions and benefits will be suspended at the end of 45 calendar days after the leave of absence begins, except as provided in this MOU and applicable law. This includes leaves without pay, suspensions, injury leave and military leave. All accounts, contributions and benefits will resume upon return from leave.

ARTICLE 4 – ANNUAL VACATION LEAVE

Section 1

All eligible employees shall be entitled to annual vacation leave with pay.

Section 2 **Accrual Rates**

All accrual rates are calculated on the basis of biweekly pay periods. All forty (40) hour per week employees shall be governed by the following vacation accrual rates:

1 through 5 year's service	3.08 hours per pay period
6 through 10 year's service	4.62 hours per pay period
11 through 12 year's service	4.94 hours per pay period
13 through 14 year's service	5.23 hours per pay period
15+ year's service	6.15 hours per pay period

New employees will receive, during their initial probationary period, five (5) days (totaling 40 hours) of accrued vacation at completion of nine (9) months of employment and five (5) days (40 totaling hours) of accrued vacation at completion of the probation period. Accrual will then continue at the rates above.

Section 3 **Scheduling of Vacation**

Vacation schedules shall be arranged by the department head with particular regard to the needs of the City and, as far as possible, with the wishes of the employee.

1. Eligibility for vacation pay shall be verified by the Finance Officer, who will pay only for that time which has accrued.
2. If the requirements of the employee's services are such that the employee cannot take part or all of his/her annual vacation in a particular calendar year, such vacation shall be taken during the following calendar year.
3. An eligible employee may take earned vacation in any increment of fifteen (15) minutes or more with the consent of the department head and the approval of the City Manager.

Section 4 **Maximum Vacation Accumulation**

An employee may accumulate vacation to a maximum of 2.5 times the yearly earned vacation time. Vacation leave is credited as earned and the amount of vacation leave accumulated shall not exceed the maximum and accrual shall stop whenever the employee is at the maximum.

Section 5 **Holidays Falling Within Vacation Period**

Except in the case of terminal vacation leave, paid holidays immediately proceeding, immediately following or wholly within the vacation period shall not be regarded as part of the vacation.

Section 6 Terminal Vacation Pay

Upon termination from City service, an employee shall be entitled to pay in lieu for the number of accumulated vacation hours credited to the employee's account to a maximum of 2.5 times their annual accrual under the provisions of this section. All vacation granted upon completion of an employee's last day of work shall be a lump sum payment termed "terminal vacation pay" at the employee's current rate of pay.

Section 7 Vacation Sell-Back

During the term of this agreement, all MEA members on a career basis meeting the eligibility criteria defined below may convert a minimum of twenty (20) hours and a maximum of eighty (80) hours of their accumulated vacation time payable not later than December of each year. The City shall attempt to process these requests prior to the Thanksgiving holiday.

In order to convert accrued vacation hours:

- a) Employees must use a minimum of 50 vacation hours during the eligibility period and have at least 80 hours "on the books" before and after the request. Effective for the November 2018 to October 2019 eligibility period (see Section d. below), employees must use a minimum of thirty (30) vacation hours during the eligibility period and have at least eighty (80) hours "on the books" before and after the request.
- b) Employees must submit a written request to Payroll to convert vacation hours to pay on or before November 1 of each year.
- c) Effective in 2018, employees who reach the vacation cap may have a second opportunity to convert vacation hours up to a total maximum of eighty (80) total hours in the applicable eligibility period under paragraphs a) and this paragraph.
- d) The eligibility period is defined as the first pay period in November to the last pay period in October.

ARTICLE 5 – MILITARY LEAVE

In addition to the leaves of absence provided in this article, City officers or employees who are also members of the armed services or militia or organized reserves of this State or Nation, shall be entitled to the leaves of absence and the employment rights and privileges provided by the Military and Veterans' Code of the State of California.

1. The term "Military Service" as used herein shall signify service on active duty with any branch of service above mentioned as well as training or education under the supervision of the United States preliminary to induction into the military service.
2. The terms "active service" or "active duty" shall include the period during which such officer or employee while in military service is absent from duty on account of sickness, wounds, leave or other lawful cause.
3. No employee serving under a permanent appointment in the Classified Service shall be subjected by any person directly or indirectly by reason of his/her absence on military leave to any loss or diminution of vacation, holiday, insurance, pension, retirement or other privilege or benefit now offered or conferred by law, or be prejudiced by reason of such leave with reference to promotion, continuance in office or employment, re-appointment or re-employment.
4. When military leave is granted to an employee in the Classified Service pursuant to this section, the position held by such employee shall be filled temporarily only during the employee's absence, except in the event of the employee's death while on leave, and said employee shall be entitled to be restored to such position, or to a position of like seniority, status and pay upon, return from such leave, provided employee is still mentally and physically qualified to perform the duties of such position and provided said employee makes application for re-employment within ninety (90) days after being relieved from such military service.
5. During absence on military leave any employee in the Classified Service who has been employed continuously by the City for a period of not less than one (1) year prior to the date upon which such absence begins, shall receive his/her regular salary for a period not to exceed thirty (30) calendar days in any one fiscal year. All services of said employee in the recognized military service shall be counted as employment with the City.

After 30 consecutive days of paid military leave, the City will supplement an employee's military pay for a period of 6 months. This supplemental amount will be the difference between the employee's normal pay and their military pay. In addition, the City will provide existing levels of health care benefits during the supplemental 6-month period. At the discretion of the City Council, supplemental paid military leave may be extended beyond the 6-month period.

ARTICLE 6 – FAMILY CARE AND MEDICAL LEAVE

REFER TO CITY POLICY ON FAMILY AND MEDICAL LEAVE. SAID POLICY IS ON FILE IN THE OFFICE OF THE HUMAN RESOURCES DIRECTOR, AND IS INCORPORATED IN THIS MOU BY REFERENCE.

ARTICLE 7 – COURT LEAVE

An employee who is required by court order to serve as a juror or as a witness who is not a party to a court action, shall be granted leave for such purpose upon presentation of proof of the period of said employee's required attendance to the department head and the Finance Officer. The employee shall receive full pay for the time he/she serves on court duty. Request for such leave shall be made upon the request for leave of absence forms.

If juror or witness duty ends more than one hour prior to the conclusion of the work day, the employee shall report back to work or use leave time for the remainder of the work day unless other arrangements are agreed to by the supervisor.

Police Services Officers, Crime Scene Specialists, Fire Inspectors and Police Dispatchers shall get a minimum of two (2) hours pay, at a rate of time and one half, for each court appearance required by their work responsibilities on regularly scheduled time off. If the employee travels directly between the court and his/her residence, then the employee shall be paid for 1/2 hour maximum. If the employee reports to the Police Station, he/she is not entitled to travel time between the station and home; he/she would be entitled, however, to compensation for parking fees and travel time between the station and the court. The City encourages the use of public transportation to avoid incurring parking fees.

ARTICLE 8 – SICK LEAVE WITH PAY

The intent of this chapter is to provide a continuity of full salary to those eligible employees who are unable because of illness or injury to perform the duties of their positions who would expose fellow workers or the public to contagious disease and are thereby forced to be absent from employment, and to provide necessary time off from work for required medical and dental care, subject to administrative regulations designed to prevent malingering or abuse of these privileges.

Section 1 Sick Leave Definition

Sick leave is the necessary absence from duty of an employee for:

- A. Diagnosis, care, or treatment of the employee’s existing health condition or preventive care for an employee; or
- B. The serious disability of the employee while on a scheduled vacation.
- C. The absence of an employee for authorized medical or dental care.
- D. Diagnosis, care, or treatment of an existing health condition of, or preventive care for an employee’s family member. For the purposes of using sick leave under this policy only, “family member” shall mean an employee’s parent, child, spouse, registered domestic partner, parent-in-law, sibling, grandchild or grandparent.
- E. The death of an immediate family member.

In addition, an employee who is a victim of domestic violence, sexual assault, or stalking may use accrued paid sick leave under this policy for the following reasons:

- 1. To obtain or attempt to obtain any relief, including, but not limited to, a temporary restraining order, restraining order, or other injunctive relief, to help ensure the health, safety, or welfare of the victim or the victim’s child;
- 2. To seek medical attention for injuries caused by domestic violence, sexual assault, or stalking;
- 3. To obtain services from a domestic violence shelter, program, or rape crisis center;
- 4. To obtain psychological counseling related to an experience of domestic violence, sexual assault, or stalking;
- 5. To participate in safety planning and take other actions to increase safety from future domestic violence, sexual assault, or stalking, including temporary or permanent relocation.

Section 2 Sick Leave Accumulation

- A. Each regular full-time career or probationary employee in this bargaining unit, shall be entitled to accumulate sick leave at a rate of 3.69 hours per biweekly pay period. Earnings for partial pay periods shall be granted on a pro rata basis. Permanent part-time employees in the competitive service are entitled to accumulate sick leave at a rate consistent with the provisions of Article 3, Section 1.

- B. **Accumulated Sick Leave:** Each career or probationary employee in this bargaining unit shall be eligible to accumulate sick leave up to a maximum of 400 hours, (herein called "accumulated sick leave"). Sick leave accrual will be credited on the last of each pay period up to the 400 hour maximum limitation.
- C. **Frozen Sick Leave Balance:** Employees hired on or before June 30, 1979 and who have an existing sick leave balance on June 30, 1979 were "frozen" at their June 30, 1979 sick leave balance levels on July 1, 1979. (Herein called "frozen sick leave balance").

Section 3 Sick Leave Usage

- A. Employees shall first utilize accumulated sick leave pursuant to Section 1 herein. Frozen sick leave balance will only be authorized for use after accumulative sick leave credits are exhausted for those employees who have a frozen sick leave balance pursuant to Section 2(C) herein.
- B. Upon reaching the maximum accumulated sick leave (400 hours), accrual will stop; sick leave accrual will begin after the employee's balance falls below 400 hours. Accrual will occur on the last day of the pay period in which the employee's balance falls below the 400 hour level. Said accrual will occur at the established rate as defined in Section 2(A).

Section 4 Limitation on Time Chargeable to Sick Leave

- A. No person shall be entitled to sick leave with pay while absent from duty on account of any of the following causes:
 - 1. Sickness sustained while on leave of absence other than his/her regular vacation.
 - 2. No paid sick leave shall be granted in excess of the employee's sick leave credit.
- B. Absence that is chargeable to sick leave in accordance with this Chapter, shall be charged in the amount not smaller than fifteen (15) minutes.

Section 5 Sick Leave Compensation

- A. In order to receive compensation while on sick leave, the employee shall notify:
 - 1. The immediate supervisors, or;
 - 2. The department head, or;
 - 3. In the event of the unavailability of either, the senior department representative available.
- B. Notification shall be made prior to or not later than the beginning of the work day/shift in the employee's respective department. If the need for paid sick leave is unforeseeable, the employee shall provide notice of the need for the leave as soon as practicable. Compensation is contingent upon approval from the appropriate department director.
- C. The department head may waive the above requirements, if in his/her opinion, an emergency or other exceptional circumstance so warrants. Computation of sick leave shall not include regular days off or holidays, provided these are not in conflict with the established schedule within each department.

Section 6 Physician's Statement Required

- A. When absences for more than three (3) consecutive working days or when abuse of the sick leave benefit is suspected, the department head may require the employee to furnish a certificate or statement from a regular licensed and practicing physician, at the employee's own expense, whose license will be honored by the County Health Officer, indicating the nature and duration of the employee's incapacity or other adequate evidence if the employee was not examined by a physician. The appointing authority may require evidence of incapacity in cases of short periods of absence and may require a medical examination when an employee returns to work with indications of continuing illness or disability.
- B. The department head is responsible for sick leave verifications. This responsibility may be implemented by any reasonable method deemed necessary by the department head. Sick leave with pay is subject to verification of the employee's eligibility by the Finance Officer.

Section 7 Separation from City Service

All eligibility from sick leave with pay shall be canceled upon separation of the employee from the City service, provided that, if such separation is by lay-off, his/her accumulated eligibility shall be restored to him/her in whole if the employee is re-employed within 24 months.

Section 8 Illness during Vacation Leave

An employee who becomes incapacitated for work due to his/her illness or injury for more than three (3) consecutive calendar days while on paid vacation, may substitute sick leave credits for vacation, provided the employee's request for sick leave substitution is accompanied by a doctor's statement or other satisfactory evidence.

Section 9 Holidays during Sick Leave

Paid holidays immediately preceding, immediately following or wholly within the period for which sick leave is granted shall not be regarded as part of such period of sick leave.

Section 10 Sick Leave Payment upon Retirement

- A. An employee hired on or before June 30, 1979, shall upon formal retirement from the City under the Public Employees' Retirement System, be paid for each day of unused sick leave or fraction thereof which has accrued to his/her credit up to and including his/her last day of work, but not to exceed 45 days or 360 hours. An employee hired on or after July 1, 1979 shall not be eligible for sick leave payment upon retirement.
- B. For employees hired on or before June 30, 1979 sick leave pay off upon retirement shall be the sum of:
 - a. Frozen sick leave balance upon date of retirement.
 - b. Accumulative sick leave balances upon retirement.

However, in no event shall the payoff exceed 360 hours.

Section 11 Evidence of Cause of Absence

In all cases of absence because of illness or death in the employee's family, the employee may be required to furnish to the appointing authority satisfactory evidence substantiating the facts justifying such leave. Failure to furnish such evidence upon request shall be sufficient reason for denying the leave of absence with pay.

Section 12 Sick Leave Incentive Pay

- A. Employees using 36 hours of sick leave or less during the 26 complete pay periods most closely coinciding with the beginning and end of the fiscal year and having a minimum total accumulation of 160 hours, may sell for cash the excess over 160 hours of unfrozen sick leave accumulation to a maximum established according to the following schedule:

Unused Sick Leave From Current Year's Accrual	Annual Maximum Sell Back
96 Hours	32 Hours
From 80-95 Hours	28 Hours
From 60-79 Hours	22 Hours

Only the hours sold back to the City shall be deducted from the employee's accrued balance of sick leave.

- B. Payment will be made during the month of August each year. Pay will be computed based on the employee's salary step on June 30 of the preceding fiscal year. (The Finance Department shall issue eligibility notices to qualified employees at the end of each fiscal year.) Written request must be submitted to the Finance Office within ten (10) working days of issuance of the notice. Sick leave incentive payments will be incorporated into the normal payroll.
- C. In lieu of sick leave incentive pay, the employee may elect to retain sick leave credits to the 400-hour maximum to supplement pay for long term disability leave, up to the maximum set in chapter 18 (3) of this MOU.
- D. Permanent employees who retire during the fiscal year will be compensated on a pro-rated basis subject to their formal retirement date.

ARTICLE 10 – THE COMPENSATION PLAN

Section 1 Salary Advancement

The Compensation Plan of the City of National City has the following characteristics:

1. Each salary range consists of five (5) steps.
2. The increase from one step to the next step on each salary range is as indicated in the salary schedule.
3. Career part-time employees represented by the unit shall be eligible for step increases at a pro-rated time interval as regular career full-time employees.

Salary advancement for each employee shall not be automatic, but shall depend upon the increased value of an employee to the City, as reflected by the recommendations of the employee's supervisor and department head and all other pertinent evidence. The success of the Compensation Plan depends upon incentives which will encourage employees to put forth increasing efforts as they advance through the salary steps of the salary range.

Section 2 Salary Steps

The steps of the salary range shall be interpreted and applied as follows. The second, third, fourth and fifth salary steps are incentive adjustments to encourage an employee to continue to improve his/her work. There shall be a five (5) percent differential between each of the five (5) steps.

1. **The first salary step** is the minimum rate and will normally be the hiring rate. Appointment may be made to other than the normal entering salary step upon the recommendation of the department head and upon the approval of the City Manager, when it is decided that such action is in the best interests of the City.
2. **The second salary step:** Six (6) months of satisfactory service, normally, shall make an employee eligible for consideration for this salary advancement. This salary advancement shall be made only if recommended by the department head and if approved by the City Manager.
3. **The third salary step:** Twelve (12) months of satisfactory service at the second salary step, normally shall make an employee eligible for consideration for this salary advancement. This salary advancement shall be made only if recommended by the department head and if approved by the City Manager.
4. **The fourth salary step:** Twelve (12) months of satisfactory service at the third step normally shall make an employee eligible for consideration for this salary advancement. This salary advancement shall be made only if recommended by the department head and if approved by the City Manager.
5. **The fifth salary step:** Twelve (12) months of satisfactory service at the fourth step normally shall make an employee eligible for consideration for this salary advancement. This salary advancement shall be made only if recommended by the department head and if approved by the City Manager.

Section 2 Salary Steps (continued)

All rates shown and conditions set forth herein, are in full payment for services rendered and are intended to cover full payment for the number of hours now regularly worked in each class. Employees engaged for less than full-time should be paid a proportionate part of these salaries, or by hourly rate of pay that falls within these ranges.

Each promotion shall carry with it a salary increase of at least five (5) percent as long as such increase does not exceed the top step of the new classification.

The provisions of this article are based upon the salary schedules adopted by the City.

Section 3 Performance Reports

Notwithstanding any of the other provisions of this article, no employee shall be denied a step advancement consistent with normal practice whose last performance report had an overall rating of STANDARD, ABOVE STANDARD or OUTSTANDING, if that performance report was made within the last 30 calendar days. If step is denied, a new performance report will be completed and performance will be reviewed every sixty (60) calendar days for reconsideration of the step increase.

- E. Once each fiscal year, an employee may by written request cash out up to eighty (80) banked compensatory time hours.

Section 3 On-Call Status

Individuals assigned to “on-call” have the responsibility of obtaining qualified relief in the event they cannot be called back. The relief must have the pre-approval of appropriate supervisor.

B. The following procedures shall apply to on-call status:

1. Personnel going on vacation, floating holiday or any other absence from work of their own request during scheduled on-call will be responsible for providing their own qualified relief.
2. Personnel incapacitated for scheduled on-call by sickness or other absence not within their control will not be required to provide their own relief, if notice is given to the department.
3. If an employee is accepting on-call pay and does not respond to a call-back, that employee shall forfeit that day's on-call pay and may be subject to disciplinary action, unless that failure to respond was for reasons beyond the control of that employee as determined by the department director.

Call-back time earned shall not be counted as actual time worked for overtime purposes.

Section 1

The City shall provide \$16,000 for MEA to fund the Education Expenses Reimbursement Plan, which is available to employees on paid status or the Association as a group who wish to improve their work performance through furthering their education. ARTICLE 14 – HEALTH AND DENTAL INSURANCE

Section 1 Insurance Program Coverage

As a benefit to career full-time employees and, on a pro-rated basis, career part-time employees working 20 hours/week or more in this bargaining unit, the City will provide a combined group insurance program of health and dental coverage. The benefits and limitations of the program are to be designed cooperatively by the Employees' Association, City and program provider. The Employees' Association and City agree to select and implement health insurance programs, which best serve the needs of the employees.

Section 2 City Contribution

The City will offer medical and dental benefits to eligible employees. Employees who enroll shall receive a City contribution toward the cost of health and dental coverage as follows:

CITY'S CONTRIBUTION IF DON'T ELECT KAISER HIGH DEDUCTIBLE HEALTH PLAN
(Kaiser HDHP):

Employee Only	\$527.41/month
Employee +1	\$876.54/month
Employee +2 or more	\$1,227.43/month

Each plan year thereafter, the City's contribution will equal the previous year's contribution level plus fifty percent (50%) of the premium increase for the lowest cost health and dental plans.

- A. City contribution will discontinue when employee goes on unpaid status for more than 45 calendar days, except as otherwise specified in this agreement or by law. Employees in this status may continue coverage at their own expense.
- B. If the cost of providing this benefit for employees and their dependents exceeds the established City contribution, the employee must pay the excess amount.

Section 3 Money In Lieu of Coverage

An employee may elect employee only coverage in health and receive the remaining amount of the City's contribution as cash-in-lieu.

Section 3 Money In Lieu of Coverage (continued)

Provided that an employee shows proof of coverage under a non-City sponsored health plan, the employee, during the annual open enrollment, may elect not to participate in a City sponsored health plan and receive \$125/month maximum in lieu of coverage. Effective the first full pay period following City Council approval of this MOU, the amount of maximum in lieu of coverage shall increase to \$175 per month. Any actual savings realized by City during the previous calendar year from MEA employees opting out of City coverage will be calculated in January of each year and re-distributed equally to all MEA employees in the form of an increase of City contribution for health coverage.

Section 4 Insurance Broker

The City agrees to assign Willis Towers Watson as the City's Broker of record to review, recommend and generally assist in the administration of the benefits program.

Section 5 Retiree Health Benefit

- A. Employees covered by this MOU, who retire from the City of National City after July 1, 2002 and before July 1, 2014, and who retire with at least 20 full years of service under the CalPERS Retirement System shall receive \$5/month for each year of PERS Service with the City as the City's contribution towards their medical insurance premium. This contribution shall continue until the retiree qualifies for Medicare.
- B. Effective July 1, 2014, employees covered by this MOU must retire from the City of National City and have 20 full years of pensionable service credit with the City of National City to receive \$10/month for each year of pensionable service with the City as the City's contribution towards their medical premium. Effective for persons retiring after this 2018-2020 MOU is approved by the City Council, employees covered by this MOU must retire from the City of National City and have 20 full years of pensionable service credit with the City of National City to receive \$20/month for each year of pensionable service with the City as the City's contribution towards their medical premium.

This contribution does not entitle the retiree to any particular insurance or to any particular rate. A qualifying retiree may receive these contributions even if not enrolled in a City health plan, so long as the retiree annually provides the City with written proof (e.g. copy of health insurance invoice and payment) that the retiree is using the contributions to pay for health premiums and understands that the retiree is solely responsible for any taxes that might be due as a result of the City's contribution.

Retirees eligible for this benefit are responsible for paying the health insurance premium and the City will forward this benefit amount on a monthly basis directly to the retiree. This benefit will be canceled upon non-payment of premium or otherwise becoming ineligible. The retiree is also responsible for notification to the City of address change and health coverage from another source.

The City shall arrange for a plan administrator for dependent care provision of the City's 125 Plan, provided all costs are paid by the employees who participate.

Section 4 Employee Assistance Program

ARTICLE 16 – EMPLOYEE LIFE INSURANCE

As a benefit to full-time employees in this bargaining unit, the City will provide a group life insurance program. The benefits and limitations of the program are to be designed cooperatively by the Employees' Association and insurance carrier. The City will provide up to \$25,000 Term Life Insurance with Accidental Death and Dismemberment coverage for each employee at no cost to employee. An amount will be paid by the City for each permanent part-time employee in the competitive service that is proportional to the permanent time base of his/her appointment (e.g., a half-time employee will receive half the amount of a full-time employee).

The parties agree to meet and consult within a reasonable period of time before the completion of the current contract between the City and its insurance carrier that provides for Term Life Insurance with Accidental Death and Dismemberment with the purpose of increasing the death benefit amount for employees at no additional cost to the City. ARTICLE 24 - WORK DAY, WORK WEEK, PAY PERIOD AND PAY DAY

Section 1 Workday

The workday shall normally be eight (8) hours to ten (10) hours in length and the normally scheduled workweek is 40 hours. On request by the employee, the scheduled hours of the workweek may be modified by the department director on an individual basis subject to approval by the City Manager only to the extent that City offices maintain current availability to the public and that the modification does not create overtime pay in any given workweek. In making the determination on the acceptability of modification, the department director will consider the effect of the modification on the department's ability to deliver services efficiently and on a timely basis. Approval of any individual request shall not entitle any other employee of the same modification, and the department director may withdraw approval if the modification creates a hardship for the department.

Call-back and on-call time are excluded from the computation of the hours paid for the purposes of overtime. All work days exceeding five (5) hours length shall include at least a 30-minute period for lunch break without pay with the exception of Police Dispatchers. A maximum of fifteen (15) minutes paid time for rest shall be provided for each four (4) consecutive hours work and may be taken as assigned by the employee's supervisor.

- 2) Employees shall not combine two or more rest periods into one rest period, except as approved by the unit's sworn supervisor or Chief of Police during non-routine and/or unexpected circumstances.
- 3) Employees shall not save rest / meal periods to justify shortened work days.

Starting and stopping work times are designated by the department director for the scheduled work day. Employees will be notified of their work hours. When there is a change of work hours of over one (1) hour for more than five (5) consecutive working days, the employee will receive a ten (10) working day notice before such change is made, unless mutually agreed to by the employee and the supervisor.

The department director retains the right to make immediate changes to resolve unforeseen problems, and will provide at least three (3) day notice in such instance, and pay the first two (2) days worked of the change at the overtime rate.

The City Manager has sole discretion to exempt any position or group of positions from 4/10 in order to fulfill delivery of City services.

The City and MEA will work jointly on the development of an optional flexible workweek schedule program (including a 4/10 option) for Library Department employees. If agreement is reached by the City and MEA, the terms of the flexible workweek schedule program will be incorporated by side letter.

The City and Association agree to incorporate the 9/80 side letter, with the provision that should a 4/10 schedule be unsuccessful the City will revert to the former 9/80 work schedule.

ARTICLE 25 – PAY DIFFERENTIALS

This differential would be subject to termination, if due to change in assignment or position, the skill is no longer required by the City.

Each Department Director shall recommend the position to receive bilingual pay in writing to the Human Resources Director for approval. Positions receiving bilingual pay shall be reviewed annually by the Human Resources Director and an MEA Representative.

Section 2 Acting Assignment Pay

- A. **Settlement.** Any grievance shall be considered settled at the completion of any step if all parties are satisfied or if the grievant party fails to present the matter to a higher authority within the prescribed period of time. No settlement to any grievance shall be considered precedential or bind the Association to any interpretation of this agreement, rules, regulations or policies of the City or Department without the Association's express written consent.

- B. **Reprisal.** The grievance procedure is intended to assure a grieving employee the right to present a grievance without fear of disciplinary action or reprisal by the grievant's supervisor, superior or department head, provided the employee observes the provisions of this grievance procedure.

Section 5 Grievance Procedure

The following procedure shall be followed by a grievant submitting a grievance:

- 1. **Step One: Discussion with Supervisor.** The grievant shall orally present the grievance to the employee's supervisor within thirty (30) calendar days after the grievant knows or reasonably should have known the event or events on which the grievance is based. Any agreement between the grievant and the supervisor shall be subject to the approval of the Department Director before it shall be deemed to "settle" the grievance.

- 2. **Step Two: Written Grievance to Department Director.** If the grievant and supervisor cannot reach an agreement as to a solution of the grievance or the grievant has not received a decision within fifteen (15) calendar day limit, the grievant may within fifteen (15) calendar days present the grievance in writing to the Department Director. The parties may submit opening briefs to the City Manager (or designee) at the commencement of the hearing. Unless otherwise agreed to by the parties, closing briefs will not be permitted. The parties have the right to present a closing argument to the City Manager (or designee) after both parties rest their case. A record of the proceedings shall be maintained, with transcripts to be made available at cost to the grievant. The employee and representative shall cooperate with the Department in such a manner that there will be a minimum of interference with the normal operations of the Department's work.
- G. **Extension of Time.** The time limits within which action must be taken or a decision made as specified in this procedure may be extended by mutual written consent of the parties involved.
