VAWA Attachment

On January 5, 2006, President Bush signed the Violence Against Women Act (VAWA) into law as Public Law 109-162. In response to VAWA, the Housing Authority of the City of National City (HACNC) has taken the following steps:

- HACNC partners with the National City Collaborative (NCC) to provide services to individuals and families caught in domestic violence. These services include: 24-hour crisis line, legal support, transitional housing program referrals, clinical counseling, support groups, domestic violence treatment program for people who abuse, youth education and prevention programs, and volunteer training.
- HACNC refers child or adult victims of domestic violence, dating violence, sexual assault, or stalking to NCC for assistance.
- HACNC has revised many of its policies and procedures so as to enable child or adult victims of domestic violence, dating violence, sexual assault, or stalking to obtain or maintain housing.
- NCC provides numerous domestic violence prevention and intervention programs and classes. Clients are referred when there is a belief that they may be victims of domestic violence, or potential victims.

VAWA Components in the Housing Choice Voucher Administrative Plan

VAWA policies are incorporated throughout the Housing Choice Voucher Administrative Plan. Those policies are summarized below:

- HACNC may deny assistance to applicants if any household member is currently
 engaged in, or has engaged in violent criminal activity or criminal activity that
 may threaten the health, safety, or right to peaceful enjoyment of the premises by
 other residents or persons residing in the immediate vicinity during the past five
 years. However, no applicant who has been a victim of domestic violence, dating
 violence or stalking will be denied assistance if they are otherwise qualified for
 the program.
- HACNC may terminate a participant family's assistance if any household member has violated the family's obligation not to engage in any violent criminal activity or criminal activity that may threaten the health, safety or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity during participation in the HCV program. However, no

applicant who has been a victim of domestic violence, dating violence or stalking will have their assistance terminated if they are otherwise qualified for the program.

- Any incident or incidents of actual or threatened domestic violence, dating violence or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence, and shall not be good cause for terminating the assistance, tenancy or occupancy rights of the victim.
- HACNC may terminate the assistance of an individual family member to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of violence or stalking to family members or others without terminating the assistance or evicting victimized lawful occupants.
- There is no limitation on the ability of the HACNC to terminate assistance for other good cause unrelated to the incident or incidents of domestic violence, dating violence or stalking, other than the victim may not be subject to a "more demanding standard" than non-victims.
- HACNC will require certification by the victim of the victim status on such forms as the HACNC and/or HUD shall prescribe or approve.
- When a family on the waiting list breaks up into two otherwise eligible families, only one of the new families may retain the original application date.
- If the family breaks up into two otherwise eligible families while receiving assistance, only one of the new families will continue to be assisted.

VIOLENCE AGAINST WOMEN ACT (VAWA) POLICY

I. Purpose and Applicability

The purpose of this policy is to implement the applicable provisions of the violence against women and department of justice reauthorization act of 2005 (pub. The policy is gender-neutral, and its protections are available to males who are victims of domestic violence, dating violence, or stalking as well as female victims of such violence.

II. Goals and Objectives

This policy and the following goals and objectives:

A. Maintaining compliance with all applicable legal requirements imposed by VAWA;

- B. Ensuring the physical safety of victims of actual or threatened domestic violence, dating violence, or stalking who are assisted by HACNC;
- C. Providing and maintaining housing opportunities for victims of domestic violence, dating violence, or stalking;
- D. Creating and maintaining collaborative arrangements between HACNC, law enforcement authorities, victim service providers, and others to promote the safety and well-being of victims of actual and threatened domestic violence, dating violence and stalking, who are assisted by HACNC; and
- E. Taking appropriate action in response to an incident or incidents of domestic violence, dating violence, or stalking, affecting individuals assisted by HACNC.

III. Other HACNC Policies and Procedures

This Policy shall be referenced in and incorporated in and made a part of HACNC's Admission and Continued Occupancy Policy. To the extent any provision of this policy shall vary or contradict any previously adopted policy or procedure of HACNC, the provisions of this Policy shall prevail.

IV. Definitions

As used in this Policy;

- A. Domestic Violence The term "domestic violence" includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabiting with or has cohabited with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
- B. Dating Violence means violence committed by a person
 - (A) who is or has been in a social relationship of a romantic or intimate nature with the victim; and
 - (B) where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - (i) the length of the relationship
 - (ii) the type of relationship
 - (iii) the frequency of interaction between the persons involved in the relationship.

C. Stalking – means

- (A) (i) to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate another person; and (ii) to place under surveillance with the intent to kill, injure, harass or intimidate another person; and
- (B) In the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of death of, or serious bodily injury to, or to cause substantial emotional harm to
 - (i) that person;
 - (ii) a member of the immediate family of that person; or
 - (iii) the spouse or intimate partner of that person;
- D. Immediate Family Member means, with respect to a person
 - (A) a spouse, parent, brother, sister, or child of that person, or an individual to whom that person stands in loco parentis; or
 - (B) Any other person living in the household of that person and related to that person by blood or marriage.
- E. *Perpetrator* means person who commits an act of domestic violence, dating violence or stalking against a victim.

V. ADMISSIONS AND SCREENING

A. *Non-Denial of Assistance*. HACNC will not deny admission to public housing to any person because that person is or has been a victim of domestic violence, dating violence, or stalking, provided that such person is otherwise qualified for such admission.

VI. TERMINATION OF TENANCY OR ASSISTANCE

- A. VAWA Protections. Under VAWA, public housing residents have the following specifications, which will be observed by HACNC.
 - An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be considered to be a "serious or repeated" violation of the lease by the victim or threatened victim of that violence and will not be good cause for terminating the tenancy or occupancy rights of or assistance to the victim of that violence.
 - 2. In additions to the foregoing, tenancy or assistance will not be terminated by HACNC as a result of criminal activity, if that

criminal activity is directly related to domestic violence, dating violence or stalking engaged in by a member of the assisted household, a guest or another person under the tenant's control, and the tenant or an immediate family member is the victim or threatened victim of this criminal activity. However, the protection against termination of tenancy or assistance described in this paragraph is subject to the following limitations:

- a. Nothing contained in this paragraph shall limit any otherwise available authority of HACNC or to terminate tenancy, evict, or to terminate assistance, as the case may be, for any violation of a lease or program requirement not premised on the act or acts of domestic violence, dating violence, or stalking in question against the tenant or a member of the tenant's household. However, in taking any such action, the HACNC may apply a more demanding standard to the victim of domestic violence dating or stalking than that applied to other tenants.
- b. Nothing contained in this paragraph shall be construed to limit the authority of HACNC to evict or terminate from assistance any tenant or lawful applicant if the HACNC can demonstrate an actual and imminent threat to other tenants or to those employed at or providing service to the property, if the tenant is not evicted or terminated from assistance.
- B. Removal of Perpetrator. Further, notwithstanding anything in paragraph VI.A.2. or Federal, State or local law to the contrary, HACNC, as the case may be, may bifurcate a lease, or remove a household member from a lease, without regard to whether a household member is a signatory to a lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in acts of physical violence against family members or others. Such action against the perpetrator of such physical violence may be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also the tenant or a lawful occupant. Such

eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by law applicable to terminations of tenancy and evictions by HACNC.

VII. VERIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE OR STALKING

- A. Requirement for Verification. The law allows, but does not require, HACNC to verify that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the applicable definitions set forth in this policy. HACNC shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by HACNC. Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence or stalking may be accomplished in one of the following three ways:
 - 1. HUD-approved form by providing the HACNC a written certification, on a form approved by U.S. Department of Housing and Urban Development (HUD), that the individual is a victim of domestic violence, dating violence or stalking that the incident or incidents in question must be described in reasonable detail as required in the HUD approved form, and the completed certification must include the name of the perpetrator.
 - 2. Other documentation by providing to HACNC documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident or incidents of domestic violence, dating violence or stalking violence or stalking described in the documentation must also sign and attest to the documentation under penalty of perjury.

- 3. Police or court record by providing to HACNC a Federal, State, tribal, territorial, or local police or court record describing the incident or incidents in question.
- B. Time allowed to provide verification/failure to provide. An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence or stalking, and who is requested by HACNC, to provide verification, must provide such verification within 14 business days (i.e., 14 calendar days, excluding Saturdays, Sundays, and federally-recognized holidays) after receipt of the request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action.
- C. Waiver of verification requirement. The Executive Director of HACNC may with respect to any specific case, waive the above-stated requirements for verification and provide the benefits of this policy based on the victim's statement or other corroborating evidence. Such waiver may be granted in the sole discretion of the Executive Director. Any such waiver must be in writing. Waiver in a particular instance or instances shall not operate as precedent for, or create any right to, waiver in any other case of cases, regardless of similarity in circumstances.

VIII. CONFIDENTIALITY

- A. Right of confidentiality. All Information (including the fact that an individual is a victim of domestic violence, dating violence or stalking) provided to HACNC in connection with a verification required under section VII of this policy or provided in lieu of such verification where a waiver of verification is granted, shall be retained by the receiving party in confidence and shall neither be entered in any shared database nor provided to any related entity, except where disclosure is:

A tenant who requests transfer must attest in such application that the requested transfer is necessary to protect the health or safety of the tenant or another member of the household who is or was the victim of domestic violence, dating violence, or stalking and who reasonably believes that the tenant or other household member will be imminently threatened by harm from further violence if the individual remains in the present dwelling unit.
- B. Action on Applications. HACNC will act upon such an application promptly.
- C. No right to transfer. HACNC will make every effort to accommodate requests for transfer when suitable alternative vacant units are available and the circumstances warrant such action.

X. COURT ORDERS/FAMILY BREAK-UP

- A. Court Orders. It is HACNC's policy to honor orders entered by courts of competent jurisdiction affecting individuals assisted by HACNC and their property. This includes cooperating with law enforcement authorities to enforce civil protection orders issued for the protection of victims and addressing the distribution of personal property among household members in cases where a family breaks up.

Other similar circumstances will be treated as defined above. Those items which are considered a substantial deviation would require Board Approval at a Regular Meeting of the Housing Authority Board of Commissioners and submission to HUD at the next annual submission, where a report will be given of policies changed since the last submission of the Plan. Where feasible on discretionary issues, the Housing Authority will make an effort to consult with the Resident Advisory Committee prior to bringing the issue to the Board.

SMALL AREA FAIR MARKET RENT (SAFMR)

The Small Area Fair Market Rent (SAFMR) Final Rule was published on November 16, 2016 and became effective on January 17, 2017. Under the final rule, the use of Small Area FMRs is required in the administration of the HCV program for certain metropolitan areas, including San Diego-Carslbad, CA MSA, beginning on October 1, 2017. Although HUD has suspended the implementation of the SAFMR, it was reinstated effective January 1, 2018. The purpose of this rule is to establish a more effective means for HCV tenants to move into areas of higher opportunity and lower poverty by providing the tenants with a subsidy adequate to make such areas accessible and, consequently, help reduce the number of voucher families that reside in areas of higher poverty concentration.
