

## **SANDAG Public Participation Plan Update**

SANDAG is in the process of updating the Public Participation Plan; this update is accomplished every four years. As part of this effort, San Diego County residents are invited to take an online survey. We would like as wide of a distribution as possible and would appreciate your assistance.

SANDAG is seeking public input in order to update its Public Participation Plan (PPP). As part of the update, San Diego County residents are invited to take an online survey through [Monday, October 15, 2012](#).

Survey results will help evaluate the effectiveness of the methods currently in place for communicating with the public, as well as measure how to best engage community members moving forward.

Comments also can be sent via e-mail to Paula Zamudio at [pza@sandag.org](mailto:pza@sandag.org).

The PPP establishes a process for communicating with and obtaining input from the public concerning agency programs, projects, and program funding. The strategies and tactics outlined in the plan guide the agency's public outreach and involvement efforts for highway projects; transit fare changes and construction; smart growth, environmental, and planning efforts; growth forecasts; the Regional Transportation Plan; Regional Transportation Improvement Program; tribal consultation; and other initiatives.

SANDAG is committed to providing opportunities for meaningful public participation. More information is available at [sandag.org/ppp](http://sandag.org/ppp).
