RESUME OF INCIDENT:

The National City Police Department in collaboration with the Community Youth Athletic Center will be hosting the 1st Annual “Box with a Cop.” This event gives an opportunity for our police officers to meet, mentor and interact with a group of 20-30 children from within National City. The officers will develop these mentoring relationships while using boxing as a conduit. National City PD’s own, Invicta Pro MMA fighter Ashley “Smashley” Cummins will be present and leading this special event.

On-camera interviews will be given both before and after the event.

Please contact Officer Ashley Cummins at Acummins@nationalcityca.gov or oramirez@nationalcityca.gov with any questions.
