

Marine Corps JROTC Cadets at Sweetwater High School

The City of National City will recognize our current Marine Corps Junior Reserve Officer Training Corps Cadets (JROTC) attending Sweetwater High School as part of our new Armed Services Recognition Program.

The purpose of the JROTC program is to instill in students the values of citizenship, service our country, and personal responsibility and a sense of accomplishment

Check this page at a later date for more information on how to participate in this program.
