From: Commander, Naval Forces Korea; N9 - ACOS Engineering

To: Ms. Maryam Babaki, City Engineer, The City of National City,
Attention: Engineering Department, 1243 National City Boulevard,
National City, CA 91950-4301

Subj: LETTER OF APPRECIATION

1. Please accept my sincere appreciation for your support of Mr. James Slade's recent military reserve duty to Chinhae, Republic of Korea.
2. As an Engineering Aide, First Class Petty Officer, he is a critical member of our Engineering Department. His participation in our training in August greatly enhanced our unit's readiness. He completed a number of key tasks that directly support current and future operations on the Korean peninsula. His hard work and dedication is commendable.
3. I appreciate The City of National City lending Mr. Slade to our team, as I know from my own experiences that a loss of key staff member for even a short period can leave a hole in your department or require others to provide additional support in their absence.
4. Thank you for your continued support of Mr. Slade's military service and on-going support for the United States Navy.
5. If you have any questions of me, please contact me at paula.brown@navy.mil or 541-941-9066.

Paula C. Brown
CAPT, CEC, USN
