

Non-Action Item I- Presentation from Sweetwater High School MCJROTC Senior Marine Instructor, Adrian Gutierrez

The Committee unanimously approved during the July 22, 2021 meeting to establish a relationship with Sweetwater High School Marine Corps JROTC program. Staff sent Ms. Maribel Gavin, Principal at Sweetwater High School the committee introduction letter on August 16, 2021. Ms. Gavin connected staff with Captain Adrian Gutierrez the Senior Marine Instructor for the JROTC program. Captain Gutierrez and Sgt. Charleston have made themselves available to the committee and look forward to partnering support the community, veterans, and the Military families.

Ms. Gavin,

We would like to introduce ourselves as a ratified advisory committee for the city council of National City who serves to advise and formulate perspectives about matters relating to military and veteran families residing in the city of National City, in San Diego County, California, as the Veterans and Military Families Advisory Committee (VAMFAC).

As stated on the National City website, VAMFAC “serves in an advisory capacity to the city council of the City of National City on matters related to the support of our veterans and military community.” Furthermore, “The committee provides advice and assistance to National City residents regarding resources available for veterans, military personnel, and their families.” We serve the community as a conduit of communication and coordination between the local veteran and military family community, the city council of National City, and resources for the benefit of veterans and military families residing in National City.

The quality and sustainability of livelihood for our constituents matters to us, for all National City residents as well as for all throughout San Diego County. Supporting those who served in U.S. Armed Forces and their families is our commitment. By establishing a line of communication between our committee and your representative office, together we will seek to provide essential support, assistance, and access to available resources for these families.

In addition to future efforts, please take note of the National City Armed Services Recognition Program which seeks to honor ‘hometown heroes’. The link is:
