The National City Police Department Reminds Drivers to Keep the Final Days of Summer Fun, Not Fatal

National City, Calif. – As the end of summer approaches and families prepare for Labor Day celebrations, the National City Police Department, reminds everyone to prioritize safety on the roads. Drivers are encouraged to make responsible choices behind the wheel by never driving under the influence of alcohol and/or drugs.

According to the National Highway Traffic Safety Administration, 12,429 people were killed in drunk-driving crashes in 2023 — that's one person every 42 minutes.

"We want everyone to enjoy their end-of-summer travels and Labor Day festivities, but it's important to do so responsibly." Sergeant Scott Shanahan of the National City Police Department said. "Driving under the influence not only puts your life at risk but also endangers everyone else on the road. Our goal is to reduce preventable crashes and save lives."

The National City Police Department offers the following tips to "Go Safely":

- **Plan Ahead:** If you know you'll be drinking, arrange for a designated driver, use a ride-sharing service, taxi or public transportation.
- **Buckle Up:** Wearing a seatbelt is one of the simplest ways to protect yourself in the event of a crash.
- **Stay Alert:** Avoid distractions such as texting or eating while driving. Keep your focus on the road.
- **Follow Speed Limits:** Speeding reduces your reaction time and increases the severity of crashes.
- **Watch for Pedestrians and Bicyclists:** With more people enjoying outdoor activities, be extra vigilant and share the road responsibly.
- **Take Breaks:** If you're traveling long distances, take regular breaks to rest and avoid fatigue.

To help keep our community safe, the National City Police Department will have additional officers on patrol August 13 through Labor Day (September 1) looking for drivers suspected of driving under the influence of alcohol and/or drugs. The additional efforts to prevent impaired driving are part of a national enforcement campaign, *Drive Sober or Get Pulled Over*.

In addition to patrols, the National City Police Department will hold a DUI Checkpoint on Saturday August 23rd, 2025 from 9:00 p.m. to 3:00 a.m. in the 3000 block of National City Boulevard in the city of National City.

While drunk driving is a significant traffic safety problem, driving while impaired is not just related to alcohol consumption. Prescription drugs, over-the-counter medications and cannabis products may also impair someone's ability to drive. If you plan on drinking or taking medications with a driving warning label, let someone who is sober drive. If you see someone who appears to be driving while impaired, call 9-1-1.
