November 12, 2025

To the Honorable Mayor, Members of the City Council, and Citizens of the City of National City:

It is our pleasure to submit the Annual Comprehensive Financial Report (ACFR) of the City of National City (the “City”) for the fiscal year ended June 30, 2024. The ACFR has been prepared in conformity with accounting principles generally accepted in the United States (GAAP) and audited in accordance with Generally Accepted Government Auditing Standards by an independent firm of licensed certified public accountants.

This report consists of management’s representations concerning the finances of the City. Consequently, management assumes full responsibility for the completeness and reliability of the information presented in this report. To provide a reasonable basis for making these representations, management has established a comprehensive internal control framework that is designed both to protect the City’s assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of the City’s financial statements in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, internal controls have been designed to provide reasonable rather than absolute assurance that the financial statements will be free from material misstatement. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material respects. All disclosures necessary to enable the reader to gain an understanding of the City’s financial activities have been included.

The Pun Group, LLP, an independent auditing firm of certified public accountants, has issued an unmodified opinion (clean opinion) on the City’s financial statements for the fiscal year ended June 30, 2024. The independent auditor’s report is presented as the first component of the financial section of this ACFR.

The Management’s Discussion and Analysis (MD&A), which immediately follows the independent auditor’s report, provides a narrative introduction, overview, and analysis of the basic financial statements. The MD&A complements this letter of transmittal and should be read in conjunction with this letter.

The independent audit of the financial statements of the City was part of a broader, federally mandated Single Audit designed to meet the special needs of federal grantor agencies. The standards governing Single Audit engagements require the independent auditor to report not only on the fair presentation of the financial statements, but also on internal controls and compliance with legal requirements, with emphasis on those involving the administration of federal awards. The City’s Single Audit Report is issued separately.

### **PROFILE OF THE CITY OF NATIONAL CITY**

The City of National City, incorporated on September 17, 1887, is located in southwestern San Diego County, bordered by the City of San Diego to the north and east, San Diego Bay to the west, and the City of Chula Vista to the south. The City is home to a fairly constant population of about 62,000 residents and occupies 9.2 square miles.

The City is a general law city and operates under the council/manager form of government. The City Council has five members, with the Mayor elected at large and the four Councilmembers elected by district. The Mayor is the presiding officer of the Council. In 2022, National City voters approved transitioning the previously elected positions of City Treasurer and City Clerk to become appointive at the end of the current terms that ended in November 2024.

The City Council is responsible for enacting ordinances, adopting the budget, establishing policies, reviewing the General Plan, appointing committees, and appointing the City Manager and the City Attorney. The City Manager is responsible for carrying out the policies and ordinances of the Council, overseeing the day-to-day operations of the City, and appointing the heads of departments. The City Attorney is the legal counsel for the City, the Community Development Commission, Parking Authority, and the Successor Agency, and advises the City Council, the City's boards and commissions, and City staff.

The City provides a full range of services, which include general government, public safety (police, fire, disaster preparedness, and building inspection), construction and maintenance of the City's infrastructure, economic development, affordable housing, cultural and recreational programs, library and literacy programs, and senior and nutrition services.

### **BUDGETARY CONTROL**

The annual budget serves as the foundation for the City's financial planning and control. The proposed budget is presented to the City Council for review and adoption prior to the beginning of each fiscal year, July 1<sup>st</sup>. The budget is prepared by fund, department and account. After budget adoption, in accordance with the National City Municipal Code, City Council must approve any revisions that increase total appropriations of a fund. The City Manager is authorized to make budgetary revisions between budget line items within a fund, and department directors may transfer appropriations within their respective departments. The budget is regularly monitored and the Council receives quarterly updates. Budget-to-actual comparisons are provided in this report for each major governmental fund for which an annual budget has been adopted. For the General Fund, this comparison is presented as part of the required supplementary information for the governmental funds. The budget-to-actual comparison for governmental funds other than the General Fund, are provide as supplementary information within this report.

### **FACTORS AFFECTING FINANCIAL CONDITION**

#### **Economic Profile**

During fiscal year 2023-2024 National City continued its economic recovery from the impacts of the COVID-19 pandemic, building on the progress that began in fiscal year 2021. The National City unemployment rate peaked in April 2020 at 18.8%, falling steadily throughout fiscal year 2021 and 2022, and measured; at 5.1% as of June 2024.

During the budget development in the Spring of 2023, given continued uncertainty about how the City's revenue would be impacted by the unpredictable pandemic recovery and global supply chain issues, the City budgeted sales tax revenue for fiscal year 2024 based on a 2.5% increase over FY 2023 actual sales tax revenues.

Sales tax is the City’s main revenue source, accounting for approximately 53% of General Fund resources. In fiscal year 2024, 59% of sales tax revenue came from the Bradley-Burns uniform local tax and 41% came from the National City voter-approved 1% district transactions and use tax (“Proposition D”). Though the City is heavily dependent upon retail sales-related tax revenues, it has, as Table 1 illustrates, a diversified commercial, retail, and industrial presence, which reduces the impacts of economic downturns and helps it recuperate steadily.

**Table 1**

Bradley-Burns sales tax revenue increased in FY 2024 from FY 2023 by \$853,937) or 3.72% while the City’s District sales tax increased in FY 2024 by \$791,651 or 5.12% over FY 2023.

The second largest revenue source for the City is property tax revenue. During fiscal year 2024 assessed values of property within National City increased for the thirteenth consecutive year. Net taxable values rose by 7.0% for the fiscal year 2024 property tax rolls, with details in table 2. Between June 2023 and June 2024, the median price in the City for a detached single-family residential home grew 17.4%, reaching an average price of \$691,089 and a median home price of \$705,500. The increase in home prices is driven by demand outpacing supply, a common situation that occurs throughout San Diego County.

Fiscal Year Ended June 30	Total Assessed Valuation	Increase over Prior Year	Percent Increase over Prior Year	Cumulative Increase Since 2015
2015	3,354,840,139	100,050,287	3.1%	244,871,069
2016	3,440,631,221	85,791,082	2.6%	330,662,151
2017	3,588,038,313	147,407,092	4.3%	478,069,243
2018	3,877,829,380	289,791,067	8.1%	767,860,310
2019	4,057,201,760	179,372,380	4.6%	947,232,690
2020	4,279,008,825	221,807,065	5.5%	1,169,039,755
2021	4,607,750,481	328,741,656	7.7%	1,497,781,411
2022	4,703,355,402	95,604,921	2.1%	1,593,386,332
2023	4,980,959,054	277,603,652	5.9%	1,870,989,984
2024	5,328,291,892	347,332,838	7.0%	2,218,322,822
<b>Total Increase</b>				<b>58.8%</b>

The City built a budget for fiscal year 2024 which anticipated growing unassigned fund balance by \$1.9 million. Actual unassigned fund balance increased by \$3.6 million due to a combination of revenues increasing by \$5.5 million over budget and expenditure savings of approximately \$13.0 million.

The largest contributors to the increase in revenue was an increase in property tax by \$1.1 million; total Sales Tax of \$1.6 million and investment income of 2.5 million. Personnel costs make up approximately 59% of the total General Fund's budget. For the current fiscal year, the budget to actual expenditures for personnel costs saw a positive variance of \$5.3 million primarily due to vacant positions, however, total overtime costs exceeded budget by \$2.0 million primarily in the Police and Fire departments.

Under the City's General Fund, Maintenance & Operations ("M&O") saw a savings of \$1.0 million which was realized across various accounts, particularly in contract services \$774,000, and professional services \$333,000.

The capital projects category had a positive variance of \$6.7 million between the budget and actuals. This \$6.7 million variance does not represent savings. Rather, it is unspent monies on specifically authorized capital improvement projects that are still ongoing. The unspent appropriations were carried over to the fiscal year 2024 budget and are reflected in the assigned fund balance component of the fund balance.

Regarding the City's fund balance categories, the majority of the increase, \$5.5 million, was to the General Fund unassigned fund balance, which had a balance of \$23.0 million as of June 30, 2023, and increased to \$26.7 million as of June 2024.

National City has a progressive history of commercial development, including the "Mile of Cars," San Diego County's first major auto park, and Westfield Plaza Bonita, the County's first indoor mall and largest enclosed mall in the South San Diego Bay area. Both attract shoppers from throughout the County and outlying areas and continue to be major revenue sources for the City. The Walmart Supercenter is the retail hub of the City's central section, generating significant tax revenue and bringing shoppers to nearby stores and restaurants. Despite these successes, however, National City has experienced economic ebbs and flows which have directly impacted community service levels. In 2005 and 2006, the City faced revenue shortfalls and a structural deficit that led to reductions in services.

In response, National City voters in 2006 approved the "Proposition 'D' transactions & use tax, which produced a high of \$16.3 million of revenue in fiscal year 2024. During the November 2014 General Election, National City voters approved a measure extending the tax for an additional twenty years. Proposition "D" has allowed the City to continue to provide important programs and services to its citizens. During fiscal year 2022, the five-year Proposition D independent review committee convened and after a thorough review of the City's General Fund finances, recommended maintaining the current district transactions and use tax rate of 1% for the following five years. City Council agreed with the recommendation and therefore the tax rate will remain at 1% through fiscal year 2027.

### **Long-Term Financial Planning**

During fiscal year 2020, City management reviewed and updated the City's five-year strategic plan. Its purpose is to:

- establish a long-range vision and direction for the City;
- ensure all participants are working toward the same goals and objectives;
- assess/adjust the direction of the organization given the current (and changing) environment;
- communicate goals and initiatives of the organization; and
- provide a basis for developing a work plan to ensure the goals and initiatives of the Strategic Plan are carried out.

## **City of National City Strategic Plan Goals 2020-2025**

*Balanced Budget & Economic Development*

*Communication & Outreach*

*Health, Environment, & Sustainability*

*Housing & Community Development*

*Parks, Recreation, & Library*

*Public Safety*

*Transportation Choices & Infrastructure*

The City updates its five-year Capital Improvement Program (“CIP”) annually. The CIP encompasses and highlights some of the City’s needed infrastructure improvements. The City has identified approximately \$89 million in capital needs over the next five years. Funding comes from multiple sources, including available fund balance, general purpose revenues, user fees, special tax revenues, and regional, state, and federal funds. In addition to routine sewer, drainage, and transportation-related projects, the CIP includes improvements to parks, recreation, and community services facilities and municipal buildings and facilities, such as the library, community center, police department, and fire stations. Recently completed and ongoing projects are described below under “Major Accomplishments and Initiatives.”

### **Funding Long-Term Liabilities**

In November 2021, the City took action to refinance the City’s pension unfunded accrued liability owed to CalPERS by issuing approximately \$84M in Pension Obligation Bonds (POB). The issuance will provide the City with about \$20 million in savings over the term of the bonds by reducing the interest rate on the liability from a then 7% (now 6.8%) charged by CalPERS, to an average bond interest rate of 3%. In addition, the financing restructured the liability to smooth out future payments related to pension liabilities over the following fourteen years. The payment smoothing will have the greatest impact on the next few years, which would have had large spikes in payments owed to CalPERS had the POBs not been issued.

As part of the bond issuance process, the City had a credit rating review. The City’s general obligation bond rating was upgraded from ‘A+’ to ‘AA-’ stable. In the ratings report, S & P Global stated “the raised rating reflects our view of the City’s significantly improved financial policies and practices coupled with strong performance and very strong and consistent reserves.”

### **Reserves**

A portion of the fund balance of the General Fund, the “Economic Contingency Reserve,” is committed to strengthening the City’s ability to withstand unexpected financial emergencies and economic downturns. During fiscal year 2021, City Council approved amendments to City Council Policy #201, Maintenance of Reserve Funds. The City’s reserve policy establishes that the City will strive to accumulate and maintain an Economic Contingency Reserve balance equal to a minimum of twenty percent (20%) of a single year’s General Fund operating expenditures for these purposes. The amended policy also formalized using a portion of General Fund unassigned fund balance as a reserve to be maintained at a minimum of ten percent (10%) General Fund operating expenditures. As of June 30, 2024, based on the final FY 2024 General Fund Budget of \$75,200,881 less capital expenditures, the Economic Contingency Reserve is at 19.2% and the General Fund unassigned fund balance is at 35.4% as defined by the policy.

The 2021 revision to the reserve policy also updated the funding target for the Facilities Maintenance Reserve to be three times the annual base needed for performing major maintenance on the City’s facilities, which is defined as being 1.5% of the City’s General Fund operating expenditures. The policy also specifies that the City’s annual budget includes funding for major maintenance in the amount of 1.5% of the General Fund operating expenditures. Based on the FY 2024 General Fund Budget, the Facility Maintenance Reserve is at 4.3% which is below the policy level of 4.5%. In accordance with the reserve policy, the assets maintained in the Facilities Maintenance Reserve, as well as those in the Contingency Reserve, described above, are designated as committed fund balance.

In addition to the Contingency Reserve and Facilities Maintenance Reserve, the City maintains a number of other reserves, most of which have accumulated their minimum target balances, as of June 30, 2024.

### **Cash Management Policies and Practices**

As National City’s governing body, the City Council is granted the authority to manage the City’s investment program, pursuant to California Government Code Section 53600 *et seq.* Management responsibility for the cash and investment of City funds is delegated to the Director of Finance and/or Financial Services Officer.

The City annually adopts a comprehensive investment policy specifying investment objectives, such as type and term of investments, reporting requirements, and investment oversight. The City’s investments generally include US Treasury and Agency securities, Certificate of Deposit Account Registry Service deposits, medium-term corporate notes, negotiable certificates of deposit, commercial paper, the State of California’s Local Agency Investment Fund, and the County of San Diego Pooled Money Fund. See Note 2 for a list of the City’s authorized investments. The investment policy complies in all respects with State laws governing deposit and investment of public funds.

The objective of the investment portfolio is to enhance the City’s cash resources, while meeting the short and long term cash flow demands of the City. To achieve this objective, the portfolio is structured to provide safety of principal and liquidity, while providing a reasonable return on investments.

### **MAJOR ACCOMPLISHMENTS AND INITIATIVES**

The City of National City’s Capital Improvement Program (CIP) addresses the City’s initiatives of enhancing public safety and quality of life, and promoting a healthy community. The following summary contains notable projects that were recently completed, under construction or soon to be under construction. Project names, descriptions, construction costs and completion dates are provided.

#### **Infrastructure**

##### **Completed Projects FY 23-24**

###### *P-1 Sewer Upsize Project - Phase II, CIP No. 20-01*

- Project Cost: \$1,478,225.71
- Completion Date: January 2024
- The scope of the P-1 Sewer Upsize Project - Phase II consisted of replacing approximately 600 linear feet of existing 8-inch sewer main with new 12-inch sewer main and approximately 400 linear feet with new 14-inch pipe. The area adjacent to the old land fill site (locally known historically as the “Duck Pond”) and also a portion of the pipe alignment within developed private property required trenchless installation using jack and bore construction.

The existing 8-inch clay pipe, which was identified as undersized in the City's Sewer Master Plan, had reached the end of its useful life and therefore, needed to be replaced.

*Sweetwater Road Bikeway, CIP No. 19-20*

- Project Cost: \$3,175,016.43
- Completion Date: May 2024
- This project provided nearly 1.2 miles of protected bike facilities along Sweetwater Road and extended the Class 1 bike path on Plaza Bonita Road to Sweetwater Road (0.4 miles). The project included a road diet, bicycle-friendly intersection improvements, and pedestrian enhancements. This new bicycle facility directly linked the City's bike network to the regional network.

*National City Street Resurfacing Project FY 21-22, CIP No. 22-19*

- Project Cost: \$2,398,563.39
- Completion Date: October 2023
- On November 17, 2020, the City Council authorized an agreement with Bucknam Infrastructure Group (Bucknam), to prepare the Pavement Management Program (PMP) and to perform street sign inventory. As part of the PMP, Bucknam conducted a pavement condition survey of all City streets in order to identify the most cost-effective strategies to fund Capital Improvement Program (CIP) projects to maintain and repair existing City streets. Based on the findings from the PMP, staff prioritized the following City streets to be resurfaced:
  - National City Boulevard from 16th Street to 33<sup>rd</sup> Street
  - E. Plaza Boulevard from D Avenue to N Avenue
  - E. 16th Street between D Avenue and Highland Avenue
  - Mann Avenue from Beta Street to Alpha Street
  - Driveway for Fire Squad Station 33 (northeast side of 4<sup>th</sup> and U Avenue)
  - Roosevelt Avenue from 8th Street to 15th Street

## **Ongoing Projects**

*Bicycle Wayfinding Project, CIP No. 19-25*

- Project Cost: \$336,990
- Estimated completion Date: December 2025
- The Bicycle Wayfinding Project, CIP 19-25, consists of the fabrication and installation of more than 100 signs and five kiosks at key decision points throughout the City of National City's recently constructed bicycle network. The wayfinding signs will direct people on bikes to important destinations such as schools, transit stations, community centers, and parks.

*Paradise Creek Water Quality and Community Enhancement Project Phase II, CIP No. 19-11*

- Project Cost: \$2,610,245.00
- Estimated completion Date: August 2025
- The Paradise Creek Water Quality and Community Enhancement project Ph. II, CIP 19-11 is the second implementation phase that will provide immediate benefit to the creek and the community. The first phase of the project included construction of a biofiltration detention basin for treatment of the storm water flows collected from Paradise Creek. Also included in Phase I was the installation of slope stability and erosion control measures surrounding the biofiltration basin and construction of an access road for Public Works staff to provide maintenance of the creek. On June 5, 2020, Phase I construction was completed.

*Eastside I-805 Community Greenbelt Project, CIP No. 22-09*

- Project Cost: \$3,155,990.50
- Estimated completion Date: March 2025
- The proposed project is a combination of public right-of-way, multi-use path, and local park improvements. The project is located in the City of National City along the east side of Interstate 805 between Division Street and Plaza Boulevard. It addresses ongoing issues related to waste debris, under-utilized public right-of-way, safety, and comfort. The project is intended to implement a greenbelt for the neighborhoods on the east side of Interstate 805 between Division Street and Plaza Boulevard. The project will also improve connections to El Toyon Elementary School, Rancho de la Nacion Elementary School, El Toyon Park, and local shopping centers.

## **Parks & Facilities**

### **Completed Projects FY 23-24**

*Kimball Park Dog Park and Tot Lot + Las Palmas Park Dog Park project, CIP No. 23-06*

- Project Cost: \$1,036,359.28
- Completion Date: April 2024
- The project constructed new amenities and improvements at both Kimball and Las Palmas parks. At Kimball Park construction included a dog park with dog agility equipment, chain link fence and gate, trash receptacles, pet waste station, wood bench, concrete pathway, removal and replacement of drinking fountain, removal and replacement of children play equipment and drainage system for Tot Lot, batting cage, installation of baseball field infield mix, and baseball field storage container. At Las Palmas Park improvements included a dog park with dog agility equipment, chain link fence and gate, trash receptacles, pet waste station, wood bench, full square and circle metal benches, solar lighting, removal and replacement of drinking fountain, handrail, and removal and replacement of small section of sidewalk.

*MLK Community Center, CIP No. 23-02*

- Project Cost: \$665,867.02
- Completion Date: April 2024
- This project replaced the entry hallway and meeting/dining room floor and upgraded the kitchen equipment at the Martin Luther King, Jr. Community Center, located at 140 E 12th Street.

*Paradise Creek Educational Park Extension, CIP No. 19-33*

- Project Cost: \$752,716.26
- Completion Date: August 2023
- This project involved the expansion of Paradise Creek Educational Park, located behind Kimball Elementary School, with access from Hoover Avenue and W. 19th Street. Improvements included the removal of existing asphalt pavement and concrete sidewalk at the northern entrance to the park on Hoover Avenue and replacement with decomposed granite and permeable pavers for stormwater infiltration; installation of new trees, native vegetation, and additional stormwater treatment/infiltration features; construction of a community gathering area; traffic calming and pedestrian enhancements such as pedestrian curb ramps for Americans with Disabilities Act (ADA) compliance, curb extensions, a high-visibility crosswalk, and pedestrian actuated flashing crosswalk signs at the intersection of W. 18<sup>th</sup> Street and Hoover Avenue; and new bicycle facilities.

*Las Palmas Swimming Pool Renovation Project, CIP 22-01*

- Project Cost: \$3,447,287.51
- Completion Date: June 2024
  - The scope of the Las Palmas Swimming Pool Renovation project included re-plastering, re-decking and expanding the width of the pool by 10 feet. The pool's expansion was based on the City Council's desire to increase the pool's capacity for both programming opportunities and swimming time for City residents. The expansion of the width of the pool created positive benefits for the community, including:
    - A 100% increase in lap and recreational swimming for both programmed (fee-based) and free swimming.
    - Brought the pool to the standard size for competition at the high school and collegiate level.
    - Created the ability to construct different configurations for pool usage, resulting in more flexibility for programmed and free swim options simultaneously, increasing the overall use of the pool.

**Ongoing Projects**

*Police Pistol Range Safety Improvements, CIP 20-05*

- Project Cost: \$624,111
- Estimated completion Date: January 2025
- The firing range (Range), which is located within the National City Police Department headquarters, is being updated to address insufficient air filtration of metal contaminated dust from the Range and to address/enhance laminar air flow during multiple user training exercises.

Information on the City's CIP projects can be found at:

<https://www.nationalcityca.gov/government/engineering-public-works/engineering-division/capital-improvement-projects-cip>

**ACKNOWLEDGEMENTS**

The preparation of this report would not have been possible without the dedication and professionalism of the entire staff of the Finance Department. We would like to express our gratitude to those who devoted significant hours in preparing the report. We appreciate and commend all the City departments who assisted and contributed materials to this document. And we acknowledge the Mayor and members of the City Council for their interest, dedication, and constant support for planning and conducting the financial operations of the City in a responsible and progressive manner.

Respectfully submitted,

Bruce Foltz  
Finance Director

## INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and Members of the City Council  
of the City of National City  
National City, California

### ***Report on the Audit of the Financial Statements***

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the City of National City, California (the "City"), as of and for the year ended June 30, 2024, and the related notes to the basic financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the City, as of June 30, 2024, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinions***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

***Auditor’s Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America and the *Government Auditing Standards*, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City’s internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the Management’s Discussion and Analysis, Budgetary Comparison Schedules, Schedule of Changes in the Net Pension Liability and Related Ratios, Schedules of Pension Contributions, and Schedule of Changes in Total OPEB Liability and Related Ratios to be presented to supplement the basic financial statements. Such information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

***Supplementary Information***

Our audits were conducted for the purpose of forming opinions on the financial statements that collectively comprise the City’s basic financial statements. The Combining and Individual Non-Major Fund Financial Statements and the Budgetary Comparison Schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*. In our opinion, the Combining and Individual Non-Major Fund Financial Statements and the Budgetary Comparison Schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

***Other Information***

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor’s report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audits of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated November 12, 2025, on our consideration of the City’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City’s internal control over financial reporting and compliance.

A handwritten signature in black ink that reads "The PwC Group, LLP". The signature is written in a cursive, flowing style.

San Diego, California

## **Management’s Discussion and Analysis (Unaudited)**

Management of the City of National City (the “City”) offers this narrative overview and analysis of the financial activities of the City for the fiscal year ended June 30, 2024.

We encourage readers to consider the information presented here in conjunction with our letter of transmittal, which can be found beginning on page V of this report. The intent of this discussion and analysis is to provide a summarized view of the City’s financial performance, as a whole; therefore, readers should also review the basic financial statements and supporting notes to enhance their understanding of the City’s financial performance.

### **Overview of the Financial Statements**

This Management’s Discussion & Analysis (“MD&A”) is intended to serve as an introduction to the City’s basic financial statements, which comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the basic financial statements.

**Government-Wide Financial Statements.** The *government-wide financial statements* are designed to provide readers with a broad overview of the City’s finances, in a manner similar to a private-sector business. The *government-wide financial statements* consist of the Statement of Net Position and the Statement of Activities.

The Statement of Net Position presents information on all of the City’s assets, liabilities, and deferred inflows and outflows of resources, with the difference reported as net position. Over time, increases or decreases in the City’s net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The Statement of Activities and Changes in Net Position presents information showing how the government’s net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

The *government-wide financial statements* distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the City include general government, public safety, transportation, community development, health, and culture and recreation.

The *government-wide financial statements* report the activities of the City and its three blended component units: the Housing Authority of the City of National City, the Parking Authority of the City of National City, and the National City Joint Powers Financing Authority. Although legally separate, the component units function, for all practical purposes, as departments of the City and, therefore, have been blended, as part of the primary government. The Successor Agency to the Community Development Commission as the National City Redevelopment Agency (“Successor Agency”) is included as a fiduciary component unit, since it would be misleading to exclude it, due to the nature and significance of the relationship between it and the City. The activity of the Successor Agency is reported with the City’s fiduciary funds, which are not included in the government-wide statements because the resources of those funds are not available to support the City’s own programs.

The *government-wide financial statements* are presented using the accrual basis of accounting, which differs from the modified accrual basis of accounting used for preparing the *governmental fund financial statements*. Note 1 of the Notes to the Basic Financial Statements section fully describes these bases of accounting. Proprietary funds, discussed below, also are reported using the accrual basis of accounting.

The *government-wide financial statements* can be found on pages 18-20 of this report.

**Fund Financial Statements.** A fund is a grouping of related accounts used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. In the basic financial statements, the emphasis is on major funds. Each of the City’s funds falls into one of three categories: governmental, proprietary, or fiduciary.

**Governmental Funds.** Governmental funds are used to account for the same functions reported as governmental activities in the *government-wide financial statements*. However, unlike the *government-wide financial statements*, the *governmental fund financial statements* focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating the City’s near-term financing requirements.

Because the focus of governmental funds is narrower than that of the *government-wide financial statements*, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the *government-wide financial statements*. By doing so, readers can better understand the long-term impact of the government’s near-term financing decisions. Reconciliations between the *government-wide financial statements* and the *governmental fund financial statements* are included as part of the basic financial statements. The major reconciling items relate to capital assets and debt. In the governmental funds, acquisitions of capital assets are treated as “expenditures,” because, upon purchase of a capital asset, cash used to acquire it is no longer available for other purposes. The issuance of debt provides cash, which is then available for specified purposes. At the end of the fiscal year, the unassigned fund balances in the *governmental fund financial statements* reflect spendable resources available for appropriation by the City Council. Spendable balances are not presented on the face of the *government-wide financial statements*.

The City maintains forty-seven individual governmental funds, including the General Fund. Information is presented separately in the governmental funds’ Balance Sheet and Statement of Revenues, Expenditures, and Changes in Fund Balance for the General Fund, Housing Fund, Housing Choice Voucher (aka “Section 8”) Program Fund, Sewer Service Fund and American Rescue Plan Act (ARPA) Fund, all of which are major funds. The City’s other governmental funds are considered non-major, and their data are combined into a single, aggregated presentation.

The *governmental fund financial statements* can be found on pages 24-30. Individual fund information for each of the non-major governmental funds is provided in the form of combining statements and can be found on pages 114-119.

The City adopts annual budgets for its General, Housing, Housing Choice Voucher Program, Sewer Service, and the American Rescue Plan Act (ARPA) Funds. Budgetary comparison statements, found on pages 96-100, have been provided, to reflect compliance with these budgets.

**Proprietary Funds.** The City maintains two types of proprietary funds: enterprise and internal service. Enterprise funds are used to report the same functions presented as business-type activities in the *government-wide financial statements*. Internal service funds are used to accumulate and allocate costs internally among the City’s functions. The City has seven internal service funds: the Facilities Maintenance Fund, the Liability Insurance Fund, the Information Systems Maintenance Fund, the Motor Vehicle Services Fund, the Equipment Replacement Reserve Fund, the Office Equipment Depreciation Fund, and the Telecommunications Revolving Fund. Because these services predominantly benefit governmental, rather than business-type, functions, their financial information is included within the governmental activities in the *government-wide financial statements*.

*Proprietary fund financial statements* provide the same type of information as the *government-wide financial statements* (business-type activities), only in more detail. The internal service funds are combined into a single, aggregated presentation in the *proprietary fund financial statements*.

The *proprietary fund financial statements* can be found on pages 33-35. Individual fund data for the internal service funds is provided in the form of supplementary combining statements and can be found on pages 130-137.

**Fiduciary Funds.** Fiduciary funds are used to account for activities for which the City’s role is purely custodial. The fiduciary funds of the City are the Agency Funds (comprising the COBRA Insurance Fund and Miscellaneous Deposits Fund) and the Successor Agency Private-purpose Trust Fund. These funds are not reflected in the *government-wide financial statements* because the resources of the funds are not available to support the City’s programs. The accounting used for fiduciary funds is much like that used for proprietary funds.

The *fiduciary fund financial statements* can be found on pages 39 and 40.

**Notes to the Basic Financial Statements.** The Notes to the Basic Financial Statements section provides additional information essential for a full understanding of the data provided in the *government-wide financial statements*. The Notes to the Basic Financial Statements section begins on page 45.

**Other Information.** In addition to the basic financial statements and accompanying notes, this report presents certain required supplementary information concerning the City’s progress in funding its obligation to provide pension and other postemployment benefits (“OPEB”) to its employees. Required supplementary information can be found on pages 93-107.

The combining statements referred to earlier in connection with non-major governmental funds and internal service funds are presented on pages 114-119 and 130-137, respectively.

**Government-wide Financial Analysis**

As noted earlier, over time, a government’s net position may serve as a useful indicator of its financial position. Table 1 below presents a summarization of the City’s assets, liabilities, deferred outflows and inflows, and net position for its governmental and business-type activities.

**TABLE 1**  
NET POSITION  
For the years ended June 30, 2024 and 2023

	Governmental Activities		\$ Change	% Change
	2024	2023		
Current and Other Assets	\$ 213,314,961	\$ 208,857,933	\$ 4,457,028	2.13%
Capital Assets, Net	186,819,555	178,444,289	8,375,266	4.69%
TOTAL ASSETS	<u>400,134,516</u>	<u>387,302,222</u>	<u>12,832,294</u>	<u>3.31%</u>
Deferred Outflows of Resources	<u>30,311,682</u>	<u>36,158,165</u>	<u>(5,846,483)</u>	<u>-16.17%</u>
Current Liabilities	26,704,420	29,862,468	(3,158,048)	-10.58%
Long-term Liabilities	150,084,042	148,563,951	1,520,091	1.02%
TOTAL LIABILITIES	<u>176,788,462</u>	<u>178,426,419</u>	<u>(1,637,957)</u>	<u>-0.92%</u>
Deferred Inflows of Resources	<u>5,889,854</u>	<u>8,483,849</u>	<u>(2,593,995)</u>	<u>-30.58%</u>
Net Position:				
Net Investment in				
Capital Assets	180,196,910	170,389,264	9,807,646	5.76%
Restricted	110,060,972	106,369,321	3,691,651	3.47%
Unrestricted (Deficit)	(42,490,000)	(40,208,465)	(2,281,535)	5.67%
TOTAL NET POSITION	<u>\$ 247,767,882</u>	<u>\$ 236,550,119</u>	<u>\$ 11,217,762</u>	<u>4.74%</u>

The City's assets and deferred outflows of resources exceeded its liabilities and deferred inflows of resources by \$206,036,990 at June 30, 2024, an increase of \$59,146,860 from June 30, 2023. By far, the largest portion of the City's net position, \$180,196,910 is its investment in capital assets (i.e., land, buildings, machinery, equipment, and infrastructure less the associated debt on these assets). These capital assets are used to provide services to citizens and, consequently, are not available for future spending. Although the City's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other resources, since the capital assets themselves cannot be used to liquidate the liabilities.

Another portion of the City's net position, \$110,060,972, represents resources that are subject to external restrictions on how they may be used. The remainder of net position, unrestricted deficit in net position, increased \$2,281,535 year over year. The \$9,807,646 increase in capital assets was the main driver of the overall gain in net position between 2024 and 2023.

**TABLE 2**  
**CHANGES IN NET POSITION**  
For the years ended June 30, 2024 and 2023

	Governmental Activities		\$ Change	% Change
	2024	2023

Interest on long-term debt	1,177,548	3,367,717	(2,190,169)	-65.03%
<b>TOTAL EXPENSES</b>	<u>115,004,873</u>	<u>111,669,488</u>	<u>3,335,385</u>	<u>2.99%</u>
CHANGE IN NET POSITION	<u>11,217,763</u>	<u>15,670,987</u>	<u>(4,453,224)</u>	<u>-28.42%</u>
NET POSITION, BEGINNING OF YEAR	236,550,119	220,879,132	15,670,987	7.09%
NET POSITION, END OF YEAR	<u>\$ 247,767,882</u>	<u>\$ 236,550,119</u>	<u>\$ 11,217,763</u>	<u>4.74%</u>

Table 2 provides a condensed summary of activities of the City's government for the period ended June 30, 2024, with the prior fiscal year presented for comparative purposes. The \$11,217,763 (4.74%) increase in the City's total net position is the result of overall revenues exceeding expenses with investment earnings, representing the largest single increase in revenues were up \$6,423,683 (472.81%) over June 30, 2023. During the fiscal year the City was able to take advantage of higher-than-normal interest rates as the Federal Reserve raised the Federal Fund Rate to 5.33% in August 2023 as a means to combat the growing inflation rate, this interest rate remained in effect throughout the entire fiscal year. The Federal Fund Rate had not reached this level since March 2001. The Governmental and Business-type operating results for the current fiscal year are provided in greater detail on page 24.

**Governmental Activities.** The City's total revenues from governmental activities were \$126,222,636 for the fiscal year ended June 30, 2024, decreasing \$1,117,839 or 0.88%, compared to the prior year. The largest source of revenue for the City, at 31.95%, is sales-related taxes (comprising sales & use tax and district transaction & use tax). Revenues from sales-related taxes increased by \$1,647,173 or 4.26%. Property tax which represents property-related taxes (real property taxes, personal property taxes, and property tax in lieu of vehicle license fee ["VLF"]), increased \$1,130,099 or 6.44% compared to FY 2023, mostly due to the full increase in assessed values of 2% set by the County Assessor's Office and the increase in assessed values from the turnover of home sales within the City. The remaining taxes, Franchise, Business License and Transient Occupancy Tax represents 8.9% of the City's total revenues increased by \$399,828 or 6.76%.

Capital grants and contributions for governmental activities ended the fiscal year at \$218,889, for a 96.91% decrease from the prior year. The primary driver of this decrease was due to the completion of several capital projects in FY 2023 which were funded under the American Rescue Plan Act. Charges for services decreased by \$14,869,033, or 39.04%, compared to the prior fiscal year as the accounting of funding for the pension obligation bond (POB) was treated as a charge for services during the prior fiscal year while during the current fiscal year these proceeds were treated as a transfer from other funds to the POB fund. Lastly, operating grants and contributions increased by \$10,940,108, or 59.28%.

The City's expenses for governmental activities cover a wide array of services, with \$49,930,158, or 43.42%, for fiscal year 2024 related to public safety and \$15,511,130, or 13.49%, to general government activities. Overall, expenses for governmental activities rose \$3,335,385, or 2.99%, with the primary driver of the increase due to growth in general government and community development and decline in long-term debt interest payments.

### **Financial Analysis of the City's Funds**

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

**Governmental Funds.** The focus of the City's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

The City's classifications of fund balance comprise a hierarchy based on the extent to which the City is bound to observe constraints imposed upon the use of the financial resources of the funds. Fund balance is reported in five categories, based upon the following defining characteristics:

- non-spendable – either not in spendable form or legally or contractually required to be maintained intact;
- restricted fund – subject to externally enforceable limitations by law, enabling legislation, or limitations imposed by creditors or grantors;
- committed – may be spent only for the specific purposes determined by formal action of the government's highest level of decision-making authority (City Council) and, therefore, may be used for different purposes only upon the government's taking the same formal action that imposed the original constraint;
- assigned – constrained by the City's intent to utilize fund balance for specific purposes;
- unassigned – fund balance not falling in any of the foregoing categories and available for spending at the City's discretion.

**TABLE 3**

**GOVERNMENTAL FUNDS SUMMARY**  
For the years ended June 30, 2024 and 2023

	General Fund		Other Governmental Funds		Total Governmental Funds	
	2024	2023	2024	2023	2024	2023
Total Assets	\$ 76,827,786	\$ 72,283,735	\$ 117,817,550	\$ 118,481,803	\$ 194,645,336	\$ 190,765,538
Total Liabilities	6,351,699	6,879,016	18,041,704	21,523,835	24,393,403	28,402,851
Total Deferred Inflows of Resources	2,576,494	3,029,498	423,918	487,703	3,000,412	3,517,201
Fund Balances						
Non-spendable	4,085,866	4,094,518	25,805	25,805	4,111,671	4,120,323
Restricted	10,781,807	9,956,427	101,164,731	97,320,165	111,946,538	107,276,592
Committed	15,680,000	15,680,000	-	-	15,680,000	15,680,000
Assigned	10,697,013	9,604,056	-	-	10,697,013	9,604,056
Unassigned	26,654,907	23,040,220	(1,838,608)	(875,705)	24,816,299	22,164,515

Total liabilities, deferred inflows of resources, and fund balances	\$ 76,827,786	\$ 72,283,735	\$ 117,817,550	\$ 118,481,803	\$ 194,645,336	\$ 190,765,538

The table above summarizes the balance sheet of the City’s General Fund and other governmental funds.

As of the end of the current fiscal year, the City’s governmental funds reported combined ending fund balances of \$167,251,521, an increase of \$67,284,555 over the prior year. The restricted component represents the largest portion, \$111,946,538, of the ending fund balance which includes the two bank notes the City holds pertaining to the sale of Kimball & Morgan Towers.

The General Fund is the principal operating fund of the City. At the end of the current fiscal year, the total fund balance of the General Fund increased to \$67,899,593 in comparison to \$62,375,221 in the prior fiscal year, an increase of \$5,524,372. General Fund revenues grew \$4,167,479, or 5.97%, with increases of \$2,841,422 in taxes, and \$3,404,295 in use of money and property. Revenue decreased by \$363,033 from charges for services, \$1,429,765 from other revenues, and \$55,174 from licenses and permits. Fines and forfeitures and intergovernmental revenues decreased by \$212,563, and \$17,703 respectively. General Fund expenditures decreased by \$1,758,824, with a majority of the decrease in the public safety mostly due to vacant positions and capital outlay due to delayed project construction.

The fund balance classification for the General Fund and other major funds can be found on page 90, in Note 14 of the Notes to Financial Statements section.

**Proprietary Funds.** As noted earlier, the City’s proprietary funds provide the same type of information found in the *government-wide financial statements*, but in more detail. Factors concerning the finances of these funds have already been addressed in the discussion of the City’s business-type activities.

## General Fund Budgetary Highlights

Below in Table 4, shows the of the General Fund actual to budget comparison for fiscal year 2024. The City’s General Fund is the City’s largest discretionary fund and is the primary operating fund for the City. The original adopted budget for the General Fund anticipated a deficit of \$1,046,190 which including net transfers-out of \$993,946 however, the General Fund ending June 30, 2024, actual revenues exceeded net expenditures and transfers-out by \$5,524,372 increasing the ending fund balance to \$67,899,593.

**TABLE 4**

For the year ended June 30, 2024

	Original Budget	Final Budget	Actual Amounts	Variance with Final Budget
Total Revenues	\$ 68,111,577	\$ 68,190,313	\$ 73,969,629	\$ 5,779,316
Expenditures:				
General government	11,514,687	11,667,405	9,781,914	1,885,491
Public safety	43,208,928	43,529,117	40,982,897	2,546,220
Transportation	4,633,703	5,754,954	4,858,238	896,716
Community development	289,232	289,232	227,624	61,608
Culture and leisure	4,700,277	4,852,508	3,850,661	1,001,847
Capital outlay	3,310,000	8,600,671	1,939,247	6,661,424
Principal	324,738	324,738	356,664	(31,926)
Interest on long-term debt	182,256	182,256	172,753	9,503
Total expenditures	68,163,821	75,200,881	62,169,998	13,030,883
Revenues over (under) expenditures	(52,244)	(7,010,568)	11,799,631	18,810,199
Other Financing Sources	(993,946)	(1,267,446)	(6,275,259)	(5,007,813)
Net change in fund balance	<u>\$ (1,046,190)</u>	<u>\$ (8,278,014)</u>	5,524,372	<u>\$ 13,802,386</u>
Beginning fund balance			62,375,221	
Ending fund balance			<u>\$ 67,899,593</u>	

Actual amounts differed from the final General Fund budget as follows:

- Actual revenues were \$5,779,316 more than the final budget. The two largest revenues sources for the General Fund consist of property tax and sales tax which exceed their respective budget by \$868,827 and 697,816. The largest single variance was reflected in interest income which exceeded budget by \$2,679,115 as a result of high interest rates throughout the entire fiscal year.
- Actual expenditures were less than their overall budgeted amount by \$13,030,883. The most significant variance of \$6,661,424 is attributable to unspent appropriations for capital projects not completed during the year. Capital budget appropriations are carried over to the following fiscal year and reflected in the committed portion of fund balance.

## Capital Asset and Debt Administration

**Capital Assets.** The City’s investment in capital assets (net of accumulated depreciation and amortization) for governmental and business-type activities, as of June 30, 2024, amounted to \$186,819,555. This investment includes land, rights of ways, construction in progress, buildings and improvements, machinery, and infrastructure. Infrastructure assets represented 45.48% of total combined assets.

**TABLE 5**  
CAPITAL ASSETS AT YEAR-END  
(NET OF DEPRECIATION AND AMOTIZATION)  
For the years ended June 30, 2024 and 2023

	Governmental Activities		\$ Change	% Change
	2024	2023		
Land	\$ 25,597,009	\$ 25,597,009	\$ -	0.00%
Right-of-way	4,245,088	4,245,088	-	0.00%
Construction in progress	44,560,120	38,237,313	6,322,807	16.54%
Buildings and improvements	19,845,330	21,827,709	(1,982,379)	-9.08%
Machinery and equipment	6,750,272	6,062,497	687,775	11.34%
Infrastructure	84,957,832	81,547,231	3,410,601	4.18%
Right-to-use lease assets	101,445	101,445	-	0.00%
Radio rights	762,459	825,997	(63,538)	-7.69%
TOTALS	<u>\$ 186,819,555</u>	<u>\$ 178,444,289</u>	<u>\$ 8,375,266</u>	<u>4.69%</u>

Construction in progress totaled \$44,560,120, which included new spending of \$6,322.807. Depreciation and amortization expense during the fiscal year was \$7,237,993 for governmental activities.

Additional information on the City’s capital assets can be found in Note 6 on page 68 of this report.

**Long-term Debt.** At the end of the current fiscal year, the City had total debt outstanding of \$84,185,891.

**TABLE 6**  
OUTSTANDING LONG-TERM DEBT  
For the years ended June 30, 2024 and 2023

	Governmental Activities		\$ Change	% Change
	2024	2023		
2012 General Obligation Refunding Bonds	\$ 1,845,000	\$ 2,175,000	\$ (330,000)	-15.17%
Bond Premium	6,418	8,023	(1,605)	-20.00%
HUD 108 Bonds, Series A	-	605,000	(605,000)	-100.00%
2017 Clean Energy Bonds	1,715,365	1,800,000	(84,635)	-4.70%
2017 Lease Revenue Bonds	2,622,125	2,743,061	(120,936)	-4.41%
2021 Pension Obligation Bonds	77,675,000	81,330,000	(3,655,000)	-
Bond Premium	(128,554)	(135,696)	7,142	-
Notes payable	282,867	418,569	(135,702)	-32.42%
Lease liabilities	167,670	326,372	(158,702)	-48.63%
TOTALS	<u>\$ 84,185,891</u>	<u>\$ 89,270,329</u>	<u>\$ (5,084,438)</u>	<u>-5.70%</u>

The City’s total debt decreased by \$5,084,438 during the fiscal year 2024. The net decrease is due from debt that was retired due to the payment of principal on the City’s debt. As of November 2021, the City’s general obligation bond rating is “AA-.” Additional information on the City’s long-term debt can be found in Note 7 on pages 69-74 of this report.

## **Economic Factors and Next Year's Budget**

Many economic factors were considered in the development of the City's fiscal year 2025 budget. The most significant factors are described below.

Property values continue to rise significantly throughout California and the San Diego County area resulting in increases to total assessed property valuation in the City. However, since assessed value increases are capped at 2% per year per Proposition 13, the City is only seeing consistent increases of 2% to 3% per year in property tax revenue. As a result, the projected increase in property tax revenues in the fiscal year 2025 budget is approximately 3.0% above the actual revenues received in the prior year.

Fiscal year 2024 actuals for sales & use tax and district transactions and use tax revenue combined exceed budget estimates and expectations as inflation grew but consumer spending remained high. Sales & use tax and district transactions & use tax revenues are budgeted at a combined \$39.5 million for fiscal year 2025, a slight increase over fiscal year 2024 revised budget projections. Staff forecasts year over year growth of 1.01% for fiscal year 2025 as interest rates increases, inflation, and a possible recession slow down the economy. Beyond fiscal year 2025, the City is forecasting sales tax revenue growth of 0.25% per year.

Fiscal year 2024 was the seventeenth full year of collection of the City's 1% district transactions & use tax. The tax measure ("Proposition 'D'") was approved by National City voters in June 2006 and became effective in October 2006. The initial measure was effective for a period of ten years; however, in November 2014, voters approved a measure to extend the tax for an additional twenty years.

The tax now generates approximately \$16 million in revenue annually, allowing the City to continue to provide important programs and services to its citizens. In accordance with the measure, every five years an independent committee is appointed to evaluate the status of the district transactions and use tax. The committee's purpose is to report a recommendation to City Council on whether the tax should remain in effect at the rate of one percent, or whether the rate should be reduced, or the tax terminated. In fiscal year 2022, an independent evaluation committee convened and recommended to City Council to maintain the current tax rate of 1% for an additional five-year period. City Council approved the recommendation.

## **Requests for Information**

This financial report is designed to provide a general overview of the City's finances for all those interested. Questions concerning any information provided in this report or requests for additional financial information should be addressed to the Director of Finance, 1243 National City Boulevard, National City, CA 91950.

# GOVERNMENTAL FUND FINANCIAL STATEMENTS

---

**General Fund** - This is the primary operating fund of the City. It is used to account for all revenues and expenditures that are not required to be accounted for in another fund.

**Housing Asset Fund** - This fund is used to account for activities of housing assistance and assistance to low income families.

**Housing Choice Voucher Program ("Section 8") Fund** - This fund is used to account for the activities of housing assistance program funded by HUD. The program provides rental assistance to low income families by subsidizing a portion of the rent directly to landlords on behalf of very low income households.

**Sewer Service Fund** - This fund is used to account for the collection of sewer connection fees and monthly sewer service charges used for the construction and maintenance of City sewers.

**ARPA Special Revenue Fund** - This fund is used to account for the proceeds and expenditures of the American Recovery Plan Act funding received by the City.

**Other Special Revenue Fund** - This represents a combination of minor and less active funds that the City has combined for reporting purposes.

**Housing Authority Special Revenue Fund** - This fund is used to account for the activities of the development of a viable urban community by providing decent housing, a suitable living environment, and expanding economic opportunities, principally for persons with low and moderate incomes.

**POB Debt Service Fund** - This fund is used to account for the sources and uses of and debt service on the 2021 Pension Obligation Bonds.

**City of National City**  
**Reconciliation of the Governmental Funds Balance Sheet**  
**to the Government-Wide Statement of Net Position**  
**June 30, 2024**

<b>Total Fund Balances - Total Governmental Funds</b>	<u>\$ 167,251,521</u>
Amounts reported for governmental activities in the Statement of Net Position were different because:	
Capital assets used in governmental activities were not financial resources and therefore were not reported in governmental funds.	
Government-wide Statement of Net Position	186,819,555
Less: internal service funds' capital assets	<u>(5,557,354)</u>
Total capital assets	<u>181,262,201</u>
Interest payable on long-term debt did not require current financial resources. Therefore, interest payable was not reported as a liability in Governmental Funds Balance Sheet (net of \$2,069 in internal service funds).	
	<u>(217,544)</u>
Long-term liabilities were not due and payable in the current period and therefore were not reported in the governmental funds.	
Amount reported in Government-wide Statement of Net Position:	
Compensated absences - due within one year	(2,711,493)
Compensated absences - due in more than one year	(1,986,106)
Claims payable - due within one year	(2,541,967)
Claims payable - due in more than one year	(10,391,033)
Long-term debt - due within one year	(4,547,898)
Long-term debt - due in more than one year	(79,637,993)
Aggregate net pension liability	(52,260,932)
Total OPEB liability - due within one year	(330,824)
Total OPEB liability - due in more than one year	<u>(4,651,936)</u>
	<u>(159,060,182)</u>
Less: amount reported in internal service funds	
Leases payable - due within one year	167,670
Compensated absences - due within one year	161,728
Claims payable - due within one year	2,541,967
Claims payable - due in more than one year	<u>10,391,033</u>
	<u>13,262,398</u>
Net long-term liabilities	<u>(145,797,784)</u>
Deferred outflows of resources related to pensions are not available for current period and, therefore, are deferred in the governmental funds or not recorded in the governmental funds.	
	29,857,777
Deferred outflows of resources related to OPEB are not available for current period and, therefore, are deferred in the governmental funds or not recorded in the governmental funds.	
	437,105
Deferred inflows of resources related to pensions are not available for current period and, therefore, are deferred in the governmental funds or not recorded in the governmental funds.	
	(2,144,838)
Deferred inflows of resources related to OPEB are not available for current period and, therefore, are deferred in the governmental funds or not recorded in the governmental funds.	
	(1,168,522)
Deferred amounts on refunding are not available for current period and, therefore, are deferred in the governmental funds or not recorded in the governmental funds.	
	16,800
Unavailable revenues are deferred in the governmental funds, but are recognized as revenues in the Government-wide statement of Net Position.	
	423,918
Internal service funds were used by management to charge the costs of certain activities to individual funds. The assets and liabilities of the internal service funds were included in governmental activities in the Government-wide Statement of Net Position.	
	<u>17,847,248</u>
<b>Net Position of Governmental Activities</b>	<u><u>\$ 247,767,882</u></u>

**City of National City**  
**Reconciliation of the Governmental Statement of Revenues, Expenditures, and Changes**  
**in Fund Balances to the Government-Wide Statement of Activities and Changes in Net Position**  
**For the Year Ended June 30, 2024**

<b>Net Change in Fund Balances - Total Governmental Funds</b>	<b>\$ 8,406,035</b>
Amounts reported for governmental activities in the Statement of Activities were different because:	
Governmental funds reported capital outlay as expenditures. However, in the Government-Wide Statement of Activities and Changes in Net Position, the cost of those assets was allocated over their estimated useful lives as depreciation expense. This was the amount of capital assets recorded in the current period (net of \$2,401,992 added in internal service funds).	13,211,267
Depreciation and amortization expense on capital assets was reported in the Government-Wide Statement of Activities and Changes in Net Position, but they did not require the use of current financial resources. Therefore, depreciation and amortization expense was not reported as an expenditure in the Governmental Funds. This amount did not include the depreciation and amortization expense for Internal Service Funds in the amount of \$1,237,879.	(6,000,114)
Repayment of long-term liabilities was an expenditures in governmental funds, but the repayment reduced long-term liabilities in the Government-Wide Statement of Net Position.	
Principal payment of long-term debt (net of \$151,532 reported in internal service funds)	4,931,273
Amortization expenses were reported in the Government-Wide Statement of Activities and Changes in Net Position, but they did not require the use of current financial resources. Therefore, amortization expenses were not reported as expenditures in the Governmental Funds.	
Bond premium/discount	(5,537)
Deferred amount on refunding	(4,200)
Certain long-term liabilities were reported in the Government-Wide Statement of Activities and Changes in Net Position, but they did not require the use of current financial resources. Therefore, long-term liabilities were not reported as expenditures in governmental funds. These amounts represented the changes in long-term liabilities from prior year.	
Changes in compensated absences	(205,133)
Changes in total OPEB liabilities	(150,590)
Changes in the net pension liability	(6,709,269)
The net effect of various miscellaneous transactions involving pension plans (i.e. deferred inflow/outflow amortization, contributions after measurement date) decreased net position.	(3,881,390)
The net effect of various miscellaneous transactions involving the OPEB plan (i.e. deferred inflow/outflow amortization) decreased net position.	180,097
Unavailable revenues in the governmental funds were reported as revenue in the Government-Wide Statement of Net Position as follows:	
Investment earnings	(63,785)
Interest expense on long-term debt was reported in the Government-Wide Statement of Activities and Changes in Net Position, but it did not require the use of current financial resources. This amount represented the change in accrued interest from prior year.	1,232,415
Internal service funds were used by management to charge the costs of certain activities to individual funds. The net revenue of internal service funds was reported with governmental activities.	276,694
<b>Change in Net Position of Governmental Activities</b>	<b>\$ 11,217,763</b>

**City of National City**  
**Notes to the Basic Financial Statements**  
**For the Year Ended June 30, 2024**

---

**Note 1 – Reporting Entity and Summary of Significant Accounting Policies**

The basic financial statements of the City of National City, California (the “City”) have been prepared in conformity with accounting principles generally accepted of the United States of America (“US GAAP”) as applied to governmental agencies. The Governmental Accounting Standards Board (“GASB”) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The more significant of the City’s accounting policies are described below.

**A. Reporting Entity**

The City was incorporated September 17, 1887 under the general laws of the State of California. The City operates under a Council-Manager form of government and provides basic local governmental services including public safety (police and fire), maintenance and construction of public improvements, cultural, recreation, planning, zoning, transportation, health services and general administration. In addition, the City operates the Community Development Commission (which formerly included the Morgan Towers and Kimball Towers Enterprise Funds). The City sold Kimball Towers and Morgan Towers to two not-for-profit organizations on March 28, 2019. The sale was intended to ensure the feasibility of the renovation, since not-for-profit organizations have financing sources that are unavailable to a developer such as a City.

In evaluating how to define the City for financial reporting purposes, management has considered all potential component units. The primary criteria for including a potential component unit within the reporting entity are the governing body’s financial accountability and a financial benefit or burden relationship and whether it is misleading to exclude. A primary government is financially accountable and shares a financial benefit or burden relationship if it appoints a voting majority of an organization’s governing body and it is able to impose its will on the organization, or if there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on the primary government. A primary government may also be financially accountable if an organization is fiscally dependent on the primary government regardless of whether the organization has a separately elected governing board, a governing board appointed by a higher level of government, or a jointly appointed board, and there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on the primary government.

*Blended Component Units*

The financial reporting entity consists of the primary government, the City, and its component units. Component units are legally separate entities for which the elected officials of the primary government are financially accountable. In addition, component units can be other organizations for which the primary government is accountable and their exclusion would cause the reporting entity’s financial statements to be misleading or incomplete.

Blended component units, although legally separate entities, are, in substance part of the government’s operation and so data from these units are combined with data of the primary government. Discretely presents component units, on the other hand, are reported in a separate column in the combined financial statements to emphasize that they are legally separate from the government.

Although the following are legally separate from the City, they have been “blended” as though they are part of the City because the component unit’s governing body is substantially the same as the City’s and there is a financial benefit or burden relationship between the City and the component unit; management of the City has operational responsibilities for the component units; and/or the component units provide services entirely, or almost entirely, to the City or otherwise exclusively, or almost exclusively, benefits the City, even though it does not provide services directly to it.

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

---

**Note 1 – Reporting Entity and Summary of Significant Accounting Policies (Continued)**

**A. Reporting Entity (Continued)**

*Blended Component Units (Continued)*

**National City Joint Powers Financing Authority**

The National City Joint Powers Financing Authority (the “NCJPFA”) was created pursuant to a joint exercise of powers agreement entered into by and between the City and the CDC on April 16, 1991. The purpose of such agreement was to provide for the financing and construction of a new police facility and a new community center. The NCJPFA is administered by a commission consisting of the members of the City Council and all voting power of the NCJPFA resides in the commission. The NCJPFA exclusively benefits the City. In 2017 the NCJPFA facilitated the lease financing of the 2017 Energy Savings Project. There are no separate financial statements available.

**Parking Authority of the City of National City**

In July 1977, the Parking Authority of the City of National City (the “Parking Authority”) was activated pursuant to the Parking Law of 1949 for the financing and construction of the Plaza Bonita Parking Facility. Currently it is used to account for the City’s parking enforcement activities and developing solutions to demand for parking in various sections of the City. The City Council is the governing board of the Authority. The Authority exclusively benefits the City. The capital assets of the Parking Authority have been included in the Government-Wide Financial Statements. There are no separate financial statements available.

**Community Development Commission of the City of National City**

The National City Redevelopment Agency (the “RDA”), pursuant to provisions of the California Health and Safety Code, was established in April 1967 to undertake and carry out the redevelopment of certain areas within the City that were determined to be blighted. In 1975, the City formed the Housing Authority and concurrently established the Community Development Commission (the “CDC”) to oversee both the RDA and the Housing Authority. In 2012, redevelopment agencies throughout the state of California were dissolved, including the National City RDA. The CDC remains as an active entity with respect to its Housing Authority functions. The City Council is the Governing Board of the CDC. There are no separate financial statements available.

The following specific criteria were used in determining the status of these component units:

- Members of the City Council also act as the governing body of the NCJPFA, the Parking Authority, and the CDC;
- The City, the NCJPFA, the Parking Authority, and the CDC are financially interdependent;
- The NCJPFA, the Parking Authority, and the CDC are managed by employees of the City, who provide various support functions including financial reporting and investment decisions.

**B. Basis of Accounting and Measurement Focus**

The accounts of the City are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for by providing a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures or expenses, as appropriate. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The minimum number of funds is maintained in accordance with legal and managerial requirements.

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

---

**Note 1 – Reporting Entity and Summary of Significant Accounting Policies (Continued)**

***B. Basis of Accounting and Measurement Focus (Continued)***

The Statement of Net Position and Balance Sheet – Governmental Funds report separate sections for deferred outflows of resources, and deferred inflows of resources, when applicable.

Deferred Outflows of Resources represent outflows of resources (consumption of net assets that applies to future periods) that apply to future periods and that, therefore, will not be recognized as an expense until that time.

Deferred Inflows of Resources represent inflows of resources (acquisition of net assets that applies to future periods) that apply to future periods and that, therefore, are not recognized as revenue until that time.

Government - Wide Financial Statements

The City's Government-Wide Financial Statements include a Statement of Net Position and a Statement of Activities and Changes in Net Position. These statements present summaries of governmental and business-type activities for the City accompanied by a total column. Fiduciary activities of the City are not included in these statements.

These financial statements are presented on an “*economic resources*” measurement focus and the accrual basis of accounting. Accordingly, all of the City's assets and liabilities, including capital assets, as well as infrastructure assets, and long-term liabilities, are included in the accompanying Statement of Net Position. The Statement of Activities presents changes in net position. Under the accrual basis of accounting, revenues are recognized in the period in which they are earned while expenses are recognized in the period in which the liability is incurred.

Certain types of transactions are reported as program revenues for the City in three categories:

- Charges for services;
- Operating grants and contributions;
- Capital grants and contributions

Certain eliminations have been made in regards to interfund activities, payables and receivables. All internal balances in the Statement of Net Position have been eliminated except those representing balances between the governmental activities and the business-type activities, which are presented as internal balances and eliminated in the total primary government column. In the Statement of Activities and Changes in Net Position, internal service fund transactions have been eliminated; however, those transactions between governmental and business-type activities have not been eliminated. The following interfund activities have been eliminated:

- Due to/from other funds;
- Advances to/from other funds;
- Transfers in/out

Governmental Fund Financial Statements

Governmental Fund Financial Statements include a Balance Sheet and a Statement of Revenues, Expenditures and Changes in Fund Balances for all major governmental funds and non-major funds aggregated. An accompanying schedule is presented to reconcile and explain the differences in net position as presented in these statements to the net position presented in the Government-Wide Financial Statements. The City has presented all major funds that met the applicable criteria.

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

---

**Note 1 – Reporting Entity and Summary of Significant Accounting Policies (Continued)**

***B. Basis of Accounting and Measurement Focus (Continued)***

*Governmental Fund Financial Statements (Continued)*

All governmental funds are accounted for on a spending or "current financial resources" measurement focus and the modified accrual basis of accounting. Accordingly, only current assets and current liabilities are included on the Balance Sheet. The Statement of Revenues, Expenditures and Changes in Fund Balances presents increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets. Under the modified accrual basis of accounting, revenues are recognized in the accounting period in which they become both measurable and available to finance expenditures of the current period.

Revenues are recognized as soon as they are both "measurable" and "available". Revenues are considered to be available when they are collectible within the current period or as soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. The primary revenue sources, which have been treated as susceptible to accrual by the City, are property tax, sales tax, intergovernmental revenues and other taxes. Expenditures are recorded in the accounting period in which the related fund liability is incurred.

The Reconciliation of the Fund Financial Statements to the Government-Wide Financial Statements is provided to explain the differences created by the integrated approach of GASB Statement No. 34.

The City reports the following major governmental funds:

***General Fund*** - This is the primary operating fund of the City. It is used to account for all revenues and expenditures that are not required to be accounted for in another fund.

***Housing Asset Special Revenue Fund*** - This fund was established in 2012 pursuant to the redevelopment agency dissolution legislation to account for the assets and activities of the former RDA's Low-and-Moderate-Income Housing Fund.

***Housing Choice Voucher Program ("Section 8") Special Revenue Fund*** - This fund is used to account for the activities of Housing Assistance Program. The program provides rental assistance to low-income families by subsidizing a portion of the rent directly to landlords on behalf of low-income households. The major revenue source for this fund is Housing Assistance Payments and Administrative Fees.

***Sewer Service Special Revenue Fund*** - This fund is used to account for the collection of sewer connection fees and sewer service charges billed and paid via the County's annual property tax collection system which are used for the construction and maintenance of the City's sewer system. The major revenue source for this fund is the sewer service charge.

***ARPA Special Revenue Fund*** - This fund is used to account for the proceeds and expenditures of the American Recovery Plan Act funding received by the City.

***Other Special Revenue Fund*** - This represents a combination of minor and less active funds that the City has combined for reporting purposes. The major revenue sources consist of intergovernmental revenues, user-charge fees, franchise fees, and development impact fees.

***Housing Authority Special Revenue Fund*** - This fund is used to account for the activities of the development of a viable urban community by providing decent housing, a suitable living environment, and expanding economic opportunities, principally for persons with low and moderate incomes.

***POB Debt Service Fund*** - This fund is used to account for the sources and uses of and debt service on the 2021 Pension Obligation Bonds.

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

---

**Note 1 – Reporting Entity and Summary of Significant Accounting Policies (Continued)**

***B. Basis of Accounting and Measurement Focus (Continued)***

*Proprietary Fund Financial Statements*

Proprietary Fund Financial Statements include a Statement of Net Position, a Statement of Revenues, Expenses and Changes in Net Position, and a Statement of Cash Flows. All of the City's proprietary funds are internal service funds. A column representing internal service funds is presented in these statements. Internal service fund balances and activities have been combined with the governmental activities in the Government-Wide Financial Statements. The City's internal service funds include seven individual funds which provide services directly to other City funds. These areas of service include Facilities Maintenance, Liability Insurance, Information Systems Maintenance, Office Equipment Depreciation, Telecommunications, Vehicle Replacement, and Vehicle Maintenance.

Proprietary funds are accounted for using the "economic resources" measurement focus and the accrual basis of accounting. Accordingly, all assets and liabilities (whether current or noncurrent) are included on the Statement of Net Position. The Statement of Revenues, Expenses and Changes in Net Position presents increases (revenues) and decreases (expenses) in total Net Position. Under the accrual basis of accounting, revenues are recognized in the period in which they are earned while expenses are recognized in the period in which the liability is incurred. In these funds, receivables have been recorded as revenue and provisions have been made for uncollectible amounts.

Operating revenues in the proprietary funds are those revenues that are generated from the primary operations of the fund. All other revenues are reported as non-operating revenues. Operating expenses are those expenses that are essential to the primary operations of the fund. All other expenses are reported as non-operating expenses.

The City reports the following proprietary funds (all are internal service funds) that are funded by user departments on a cost reimbursement basis:

***Facilities Maintenance Fund*** - This fund is used to account for the cost of maintaining all City-owned buildings in a clean, safe, workable, and pleasant condition.

***Liability Insurance Fund*** - This fund is used to account for the costs of maintaining the City's Worker's Compensation and liability insurance programs.

***Information Systems Maintenance Fund*** - This fund is used to account for the costs to maintain and replace City information technology software and hardware and related equipment as well as pay for the City staff that provide support to other City departments on a daily basis.

***Office Equipment Depreciation Fund*** - This fund is used to account for the costs to replace City office equipment.

***Telecommunications Revolving Fund*** - This fund is used to account for the costs of maintaining the City's telecommunication systems.

***Motor Vehicle Service Fund*** - This fund is used to account for the City's costs of preventative maintenance and repairs for its fleet, including police, fire, general administrative, park, sewer, and public works equipment.

***Vehicle Replacement Fund*** - This fund is used to account for the costs to lease or purchase new or replacement City fleet vehicles and related equipment.

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

---

**Note 1 – Reporting Entity and Summary of Significant Accounting Policies (Continued)**

**B. Basis of Accounting and Measurement Focus (Continued)**

*Fiduciary Fund Financial Statements*

Fiduciary fund financial statements include a Statement of Net Position and a Statement of Changes in Fiduciary Net Position. The City’s fiduciary funds represent custodial funds and private purpose trust funds. Both the custodial funds and the private purpose trust funds use the economic resources measurement focus and are accounted for on the full accrual basis of accounting.

Fiduciary fund types are accounted for according to the nature of the fund. The City’s Custodial funds (Cobra Insurance and Miscellaneous Developer’s Deposits) are purely custodial in nature. These funds are used to account for money and property held by the City as trustee or custodian.

The City has one active private purpose trust fund, the Redevelopment Obligations Retirement Fund, which is used to report the assets, liabilities, and activities of the Successor Agency to the former redevelopment agency. The ***Successor Agency to the Community Development Commission as the National City Redevelopment Agency (the “Successor Agency”)*** was created by the City Council of National City (City Council) in January 2012. It was established pursuant to Assembly Bill X1 26. Its purpose is to expeditiously wind down the affairs of the dissolved Redevelopment Agency. The governing body of the Successor Agency is comprised of the members of the City Council. Certain actions of the Successor Agency Board are subject to review by the Countywide Oversight Board and the California State Department of Finance. The Successor Agency has been included in the accompanying basic financial statements as a private purpose trust fund. Its results of operations are presented on the Statement of Changes in Fiduciary Net Position.

**C. Cash, Cash Equivalents and Investments**

The City pools its available cash for investment purposes. The City considers pooled cash and investment amounts, with original maturities of three months or less, to be cash equivalents.

Highly liquid market investments with maturities of one year or less at time of purchase are stated at amortized cost. All other investments are stated at fair value. Fair value is used as fair value for those securities for which market quotations are readily available.

The statement of cash flows requires presentation of “cash and cash equivalents”. For the purposes of the statement of cash flows, the City considers all proprietary fund pooled cash and investments as “cash and cash equivalents”, as such funds are available to the various funds as needed.

Certain disclosure requirements, if applicable, for deposit and investment risks in the following areas:

- Interest rate risk
- Credit risk
  - Overall
  - Custodial credit risk
  - Concentration of credit risk
- Foreign currency risk

In addition, other disclosures are specified including use of certain methods to present deposits and investments, highly sensitive investments, credit quality at year-end and other disclosures.

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

---

**Note 1 – Reporting Entity and Summary of Significant Accounting Policies (Continued)**

***D. Fair Value Measurement***

U.S. GAAP defines fair value, establishes a framework for measuring fair value, and establishes disclosures about fair value measurement. Investments, unless otherwise specified, are recorded at fair value in the Statements of Net Position and are categorized based upon the level of judgment associated with the inputs used to measure their fair value. The levels of inputs are as follows:

Level 1 – Inputs are unadjusted, quoted prices for identical assets or liabilities in active markets at the measurement date.

Level 2 – Inputs, other than quoted prices included in Level 1, which are observable for the assets or liabilities through corroboration with market data at the measurement date.

Level 3 – Unobservable inputs that reflect management’s best estimate of what market participants would use in pricing the assets or liabilities at the measurement date.

Investments that don’t fit into one of the three levels of inputs are described as “uncategorized.”

***E. Leases***

The City is a lessor for leases of land and recognizes leases receivable and deferred inflows of resources in the financial statements. Variable payments based on future performance or usage of the underlying asset are not included in the measurement of the lease receivable.

At the commencement of a lease, the lease receivable is measured at the present value of payments expected to be received during the lease term. Subsequently, the lease receivable is reduced by the principal portion of lease payments received. The deferred inflows of resources are initially measured as the initial amount of the lease receivable, adjusted for lease payments received at or before the lease commencement date. Subsequently, the deferred inflows of resources are recognized as revenue over the life of the lease term in a systematic and rational method.

Key estimates and judgments include how the City determines (1) the discount rate it uses to discount the expected lease receipts to present value, (2) lease term, and (3) lease receipts.

- The City uses the average of the Local Agency Investment Fund (“LAIF”) rate and the incremental borrowing rate (“IBR”) provided by the City’s financial institutions at July 1, 2021 for existing leases or the current rate at the time a new lease is executed.
- The lease term includes the noncancelable period of the lease plus any option periods that are likely to be exercised.
- Lease receipts included in the measurement of the lease receivable is composed of fixed payments from the lessee.

The City monitors changes in circumstances that would require a remeasurement of its lease and will remeasure the lease receivable and deferred inflows of resources if certain changes occur that are expected to significantly affect the amount of the lease receivable.

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

---

**Note 1 – Reporting Entity and Summary of Significant Accounting Policies (Continued)**

***F. Inventories and Prepaid items***

Inventories are valued on an average-cost basis which is adjusted to annual physical counts or estimates under the consumption method of accounting and are recorded in the internal service funds. Prepaid items are items the City has paid in advance and will receive future benefit from.

***G. Restricted Assets***

Fiscal agents acting on behalf of the City hold investment funds placed in irrevocable IRS Section 115 pension and OPEB trusts. These funds are restricted by the trust agreements and are to be used only for pension and/or OPEB contributions or benefit payments.

***H. Interfund Transactions***

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either “due to/from other funds” or “advances to/from other funds” (i.e., the current portion of interfund loans). Any residual balances outstanding between the governmental activities and business-type activities are reported in the Governmental-Wide Financial Statements as “internal balances.”

***I. Capital Assets***

Capital assets are valued at historical cost or estimated historical cost if actual historical cost was not available. Donated capital assets are valued at their estimated acquisition value on the date donated. City policy has set the capitalization threshold for reporting capital assets at \$5,000 (including infrastructure assets). Depreciation is recorded on a straight-line basis over estimated useful lives of the assets as follows:

Buildings and improvements	10 - 50 years
Machinery and equipment	2 - 20 years
Infrastructure	25 - 75 years
Radio rights	20 years

For all infrastructure systems, the City elected to use the basic approach for infrastructure reporting. The City defines infrastructure as the basic physical assets that allow the City to function. The assets include the streets, water purification and distribution system, sewer collection and treatment system, parks and recreation, lands and improvements, storm water conveyance system, and buildings combined with the site amenities such as parking and landscaped areas used by the City in the conduct of its business. Each major infrastructure system can be divided into subsystems. For example, the street system can be subdivided into pavement, curb and gutters, sidewalks, medians, streetlights, traffic control devices (signs, signals and pavement markings), landscaping and land.

These subsystems were not delineated in the basic financial statements. The appropriate operating department maintains information regarding the subsystems.

The governmental fund financial statements do not present capital assets but capital assets are shown in the Reconciliation of Governmental Funds Balance Sheet to the Government-Wide Statement of Net Position.

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

---

**Note 1 – Reporting Entity and Summary of Significant Accounting Policies (Continued)**

***J. Land Held for Resale***

Land held for resale is valued at the lower of cost or net realizable value. The reported amount is classified as nonspendable net position in the General Fund and in the Housing Special Revenue Fund.

***K. Compensated Absences***

In government-wide financial statements and the proprietary fund financial statements, compensated absences are recorded as expenses and liabilities as incurred.

In governmental fund financial statements, compensated absences are recorded as expenditures in the years paid, and it is the City's policy to liquidate any unpaid vacation, sick leave, or compensatory time at year-end from future resources rather than currently available and expendable resources. The General Fund and internal service funds are typically used to liquidate compensated absences.

***L. Long-Term Debt***

*Government-Wide Financial Statements*

Long-term debt and other financial obligations are reported as liabilities in the appropriate funds.

Bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable premium or discount. Issuance costs are expensed when incurred.

*Fund Financial Statements*

The fund financial statements do not present long-term debt, but long-term debt is shown in the Reconciliation of the Governmental Funds Balance Sheet to the Government-Wide Statement of Net Position.

***M. Property Taxes***

Property taxes are payable by property owners in two installments: November 1 and February 1 of each year. Property taxes become delinquent on December 10 and April 10, for the first and second installments, respectively. The lien date is January 1. The County of San Diego, California (County) bills and collects property taxes and remits them to the City according to a payment schedule established by the County.

Property tax revenue is recognized in the fiscal year for which the taxes have been levied, provided the taxes are received within 60 days after the end of the fiscal year. Property taxes received after this date are not considered available as a resource that can be used to finance the current year operations of the City and, therefore, are not recorded as revenue until collected. No allowance for doubtful accounts was considered necessary because the City participates in the California Teeter Plan whereby local agencies receive 100% of their current secured and unsecured tax levy in exchange for allowing the sponsoring county to retain all interest and penalties on any late property tax payments.

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

---

**Note 1 – Reporting Entity and Summary of Significant Accounting Policies (Continued)**

***N. Unearned Revenue***

Unearned revenue recorded in the Government-Wide Statement of Net Position for governmental activities and the governmental fund financial statements consists of federal and state capital grants, representing voluntary non-exchange transactions, for which advance payments have been received from the provider for which eligibility requirements, other than timing requirements, have not been satisfied.

Unearned revenue recorded in the Government-Wide Statement of Net Position for business-type activities and the proprietary fund financial statements generally consist of program fees collected from customers prior to the statement of net position date for recreation programs that begin in the next fiscal year or donations for capital or work projects, for which the related expenses have not yet been incurred.

***O. Pensions***

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the pension plans and additions to/deductions from the plans' fiduciary net position have been determined on the same basis as they are reported by the plans. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with benefit terms. Investments are reported at fair value. The following timeframes are used for pension reporting:

<u>CalPERS:</u>	
Valuation Date	June 30, 2022
Measurement Date	June 30, 2023
Measurement Period	July 1, 2022 to June 30, 2023

Gains and losses related to changes in total pension liability and fiduciary net position are recognized in pension expense systematically over time. The first amortized amounts are recognized in pension expense for the year the gain or loss occurs. The remaining amounts are categorized as deferred outflows and deferred inflows of resources related to pensions and are to be recognized in future pension expense. The amortization period differs depending on the source of the gain or loss. The difference between projected and actual earnings is amortized straight-line over five years. All other amounts are amortized straight-line over the average expected remaining service lives of all members that are provided with benefits (active, inactive, and retired) as of the beginning of the measurement period.

***P. Other Postemployment Benefits***

For purposes of measuring the total OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, information about the fiduciary net position of the plan and additions to/deductions from the plan's fiduciary net position have been determined on the same basis as they are reported by the plan.

The following timeframes are used for OPEB reporting:

Valuation Date	June 30, 2024
Measurement Date	June 30, 2024
Measurement Period	July 1, 2023 to June 30, 2024

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

---

**Note 1 – Reporting Entity and Summary of Significant Accounting Policies (Continued)**

***Q. Net Position***

In government-wide and proprietary fund financial statements, net position is categorized as follows:

*Net Investment in Capital Assets* – This component of net position consists of capital assets, net of accumulated depreciation and amortization, plus deferred outflows of resources attributable to their acquisition, reduced by the outstanding balances of debt that are attributable to the acquisition, construction, or improvement of those assets and deferred inflows of resources attributable to their acquisition.

*Restricted* – This component of net position consists of restricted assets reduced by liabilities and deferred inflows of resources related to those assets.

*Unrestricted* – This component of net position is the amount of the assets, deferred outflows of resources, liabilities, and deferred inflows of resources that are not included in the determination of net investment in capital assets or the restricted component of net position.

***R. Fund Balances***

In governmental fund financial statements, fund balances are categorized as follows:

*Nonspendable* – Items that cannot be spent because they are not in spendable form, such as prepaid items and inventories, or items that are legally or contractually required to be maintained intact, such as principal of an endowment or revolving loan funds.

*Restricted* – Restricted fund balances encompass the portion of net fund resources subject to externally enforceable legal restrictions. This includes externally imposed restrictions by creditors, such as through debt covenants, grantors, contributors, laws or regulations of other governments, as well as restrictions imposed by law through constitutional provisions or enabling legislation.

*Committed* – Committed fund balances encompass the portion of net fund resources, the use of which is constrained by limitations that the government imposes upon itself at its highest level of decision making, normally the governing body and that remain binding unless removed in the same manner. Adoption of a resolution by the City Council is required to commit resources or rescind the commitment. The action that constitutes the most binding constraint (i.e. ordinance) of the City’s highest level of decision-making authority, the City Council, commits fund balance for specific purposes. Commitments may be changed or lifted only by the City taking the same formal action that imposed the constraint originally.

*Assigned* – Assigned fund balances encompass the portion of net fund resources reflecting the government’s intended use of resources. Assignment of resources can be done by the highest level of decision making or by a committee or official designated for that purpose. The City Council has authorized the City Manager to determine and define the amount of assigned fund balances.

*Unassigned* – This amount is for any portion of the fund balances that do not fall into one of the above categories. The General Fund is the only fund that reports a positive unassigned fund balance amount. In other governmental funds, it is not appropriate to report a positive unassigned fund balance amount because all of the fund balance is assumed to be either nonspendable, restricted, committed, or assigned for the purposes of the respective funds. However, in other governmental funds, if expenditures incurred for specific purposes exceed the amounts that are restricted, committed, or assigned to those purposes, it may be necessary to report a negative unassigned fund balance in that fund.

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

---

**Note 1 – Reporting Entity and Summary of Significant Accounting Policies (Continued)**

**S. Spending Policy**

*Government-Wide Financial Statements and the Proprietary Fund Financial Statements*

When an expense is incurred for purposes for which both restricted and unrestricted net position are available, the City's policy is to apply restricted net position first.

*Governmental Fund Financial Statements*

When expenditures are incurred for purposes where only unrestricted fund balances are available, the City uses the unrestricted resources in accordance with the City's budget and the purposes for which the committed, assigned, and unassigned balances have been reported.

**T. Use of Estimates**

The preparation of basic financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from these estimates and assumptions.

**U. Accounting Changes**

*New Governmental Accounting Standards Implemented for the Year Ended June 30, 2024*

**GASB Statement No. 100**

In June 2022, GASB issued Statement No. 100, *Accounting Changes and Error Corrections – an Amendment of GASB Statement No. 62*. The primary objective of this Statement is to enhance accounting and financial reporting requirements for accounting changes and error corrections to provide more understandable, reliable, relevant, consistent, and comparable information for making decisions or assessing accountability. Application of this statement did not have a significant effect on the City's financial reporting fiscal year ending June 30, 2024.

*Upcoming Governmental Accounting Standards Implementation*

**GASB Statement No. 101**

In June 2022, GASB issued Statement No. 101, *Compensated Absences*. The objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. Application of this statement is effective for the City's fiscal year ending June 30, 2025.

**GASB Statement No. 102**

In December 2023, GASB issued Statement No. 102, *Certain Risk Disclosures*. The objective of this Statement is to provide users of government financial statements with essential information about risks related to a government's vulnerabilities due to certain concentrations or constraints. Application of this statement is effective for the City's fiscal year ending June 30, 2025.

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

**Note 1 – Reporting Entity and Summary of Significant Accounting Policies (Continued)**

**U. Accounting Changes (Continued)**

Upcoming Governmental Accounting Standards Implementation (Continued)

**GASB Statement No. 103**

In April 2024, GASB issued Statement No. 103, *Financial Reporting Model Improvements*. The objective of this Statement is to improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government’s accountability. Application of this statement is effective for the City’s fiscal year ending June 30, 2026.

**GASB Statement No. 104**

In September 2024, GASB issued Statement No. 104, *Disclosure of Certain Capital Assets*. This Statement requires certain types of capital assets to be disclosed separately in the capital assets note disclosures required by Statement 34. Lease assets recognized in accordance with Statement No. 87, *Leases*, and intangible right-to-use assets recognized in accordance with Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*, should be disclosed separately by major class of underlying asset in the capital assets note disclosures. Subscription assets recognized in accordance with Statement No. 96, *Subscription-Based Information Technology Arrangements*, also should be separately disclosed. In addition, this Statement requires intangible assets other than those three types to be disclosed separately by major class. Application of this statement is effective for the City’s fiscal year ending June 30, 2026.

**Note 2 – Cash and Investments**

The following is a summary of pooled cash and investments, including cash and investments with fiscal agents at June 30, 2024.

	<b>Governmental Activities</b>	<b>Fiduciary Funds Statement of Net Position</b>	<b>Total</b>
Cash and investments	\$ 137,608,414	\$ 6,982,132	\$ 144,590,546
Restricted cash and investments:			
Section 115 pension trust	7,222,427	-	7,222,427
Section 115 OPEB trust	3,539,380	-	3,539,380
Held by fiscal agent	10,334	26,464	36,798
Total restricted cash and investments	10,772,141	26,464	10,798,605
<b>Total cash and investments</b>	<b>\$ 148,380,555</b>	<b>\$ 7,008,596</b>	<b>\$ 155,389,151</b>

Cash, cash equivalents and investments consisted of the following at June 30, 2024:

Petty cash	\$ 4,211
Deposits with financial institutions	27,702,486
Investments	116,883,849
Section 115 pension trust	7,222,427
Section 115 OPEB trust	3,539,380
Investments held by bond trustee	36,798
<b>Total cash and investments</b>	<b>\$ 155,389,151</b>

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

**Note 2 – Cash and Investments (Continued)**

**A. Deposits**

The carrying amount of the City's cash deposits was \$27,702,486 at June 30, 2024. Bank balances before reconciling items were \$30,932,507 at that date, the total amount of which was insured or collateralized with securities held by the pledging financial institutions in the City's name as discussed below.

The California Government Code requires California banks and savings and loan associations to secure the City's cash deposits by pledging securities as collateral. This Code states that collateral pledged in this manner shall have the effect of perfecting a security interest in such collateral superior to those of a general creditor. Thus, collateral for cash deposits is considered to be held in the City's name.

The fair value of pledged securities must equal at least 110% of the City's cash deposits. California law also allows institutions to secure City deposits by pledging first trust deed mortgage notes having a value of 150% of the City's total cash deposits. The City may waive collateral requirements for cash deposits, which are fully insured up to \$250,000 by the Federal Deposit Insurance Corporation. The City, however, has not waived the collateralization requirements.

The City follows the practice of pooling cash and investments of all funds, except for funds required to be held by fiscal agents under the provisions of bond indentures. Interest income earned on pooled cash and investments is allocated on an accounting period basis to the various funds based on the period-end cash and investment balances. Interest income from cash and investments with fiscal agents is credited directly to the related fund.

**B. Investments**

*Investments Authorized by the California Government Code and the City's Investment Policy*

The table below identifies the investment types that are authorized for the City by the California Government Code (or the City's investment policy, where more restrictive). The table also identifies certain provisions of the California Government Code (or the City's investment policy, where more restrictive) that address interest rate risk, credit risk, and concentration of credit risk. This table does not address investments of debt proceeds held by bond trustee that are governed by the provisions of debt agreements of the City, rather than the general provisions of the California Government Code or the City's investment policy.

Authorized Investment Type	Maximum Maturity	Maximum Percentage of Portfolio*	Maximum Investment in One Issuer
Bankers' Acceptances	180 days	40%	5%
Negotiable Certificates of Deposits	5 years	30%	5%
Commercial Paper	270 days	25%	5%
State and Local Agency Bond Issues	5 years	None	10%

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

**Note 2 – Cash and Investments (Continued)**

**C. Fair Value Measurement (Continued)**

Debt and equity securities classified in Level 1 (where applicable) are valued using prices quoted in active markets for those securities. Debt and equity securities classified in Level 2 are valued using the following approaches:

- U.S. Treasury obligations, U.S. corporate securities, U.S. agency securities, supranationals, commercial paper, and collateralized mortgage obligations: quoted prices for identical securities in markets that are not active;
- Medium term notes: quoted prices for similar securities in active markets.

**D. Risk Disclosures**

Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity, the greater the sensitivity its fair value is to changes in market interest rates. As a means of limiting its exposure to fair value losses arising from rising interest rates, the City’s investment policy provides that final maturities of securities cannot exceed five years, except as otherwise stated in the investment policy. Specific maturities of investments depend on liquidity needs.

As of June 30, 2024, the City had the following investments and maturities:

Investment Type	Fair Value	Investment Maturities				
		1 year or less	1 to 2 years	2-3 years	3-4 years	4-5 years
LAIF	\$ 40,739,153	\$ 40,739,153	\$ -	\$ -	\$ -	\$ -
Money market funds	166,561	166,561	-	-	-	-
San Diego County Investment Pool	39,011,179	39,011,179	-	-	-	-
Supranational	1,594,294	795,830	-	-	-	798,464
Asset-backed securities	991,933	-	214,608	216,153	-	561,172
US Corporate	10,082,830	1,421,443	1,240,458	2,980,137	1,672,433	2,768,359
US Treasury obligations	17,456,067	-	5,674,001	4,581,709	4,355,130	2,845,227
US Agency Securities	6,841,832	909,067	425,304	721,273	2,763,753	2,022,435
Subtotal	116,883,849	83,043,233	7,554,371	8,499,272	8,791,316	8,995,657
Held by fiscal agent:						
Section 115 pension trust	7,222,427	7,222,427	-	-	-	-
Section 115 OPEB trust	3,539,380	3,539,380	-	-	-	-
Money market funds	36,798	36,798	-	-	-	-
Subtotal	10,798,605	10,798,605	-	-	-	-
<b>Total Investments</b>	<b>\$ 127,682,454</b>	<b>\$ 93,841,838</b>	<b>\$ 7,554,371</b>	<b>\$ 8,499,272</b>	<b>\$ 8,791,316</b>	<b>\$ 8,995,657</b>

The weighted average maturity of the portfolio was 1.74 years.

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

**Note 2 – Cash and Investments (Continued)**

**D. Risk Disclosures (Continued)**

Credit Risk

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. To be eligible to receive City money, a bank, savings association, federal association, or federally insured industrial loan company shall have received an overall rating of not less than "satisfactory" in its most recent evaluation by the appropriate federal financial supervisory agency of its record of meeting the credit needs of California's communities, including low-and-moderate-income neighborhoods.

The City's investments are rated by the nationally recognized statistical rating organizations as follows:

<u>Investment Type</u>	<u>Fair Value</u>	<u>Moody's</u>	<u>Standard &amp; Poor's</u>
LAIF	\$ 40,739,153	not rated	not rated
Money Market Funds	166,561	Aaa	AAA
San Diego County Investment Pool	39,011,179	not rated	not rated
Supranational	1,594,294	Aaa	AAA
Asset-backed Securities	991,933	Various	Various
US Corporate	10,082,830	Various	Various
US Treasury obligations	17,456,067	n/a	n/a
US Agency securities	6,841,832	Aaa	AA+
Investment in Section 115 pension trust	7,222,427	not rated	not rated
Investment in Section 115 OPEB trust	3,539,380	not rated	not rated
Investments held by bond trustee	36,798	not rated	not rated
	<u>\$ 127,682,454</u>		

Custodial Credit Risk

Custodial credit risk is the risk that, in the event of the failure of the counter party, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. All securities, with the exception of LAIF and other pooled investments, are held by a third-party custodian (BNY Western Trust). BNY is a registered member of the Federal Reserve Bank.

Concentration of Credit Risk

The City's investment policy contains limitations on the amount that can be invested in any one issuer beyond that stipulated by the California Government Code. Investments in any one issuer that represent 5% or more of total City's investments are as follows:

<u>Issuer</u>	<u>Investment Type</u>	<u>Fair Value</u>	<u>Percentage</u>
Local Agency Investment Fund (LAIF)	California Pooled Investment Fund	\$ 40,739,153	31.91%
San Diego County Investment Pool	San Diego County Pooled Investment Fund	39,011,179	30.55%
US Treasury obligations	US Treasury Obligations	17,456,067	13.67%
PARS pension trust	Investment in Section 115 pension trust	7,222,427	5.66%
US Corporate	Corporate Medium Term Notes	10,082,830	7.90%

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

---

**Note 2 – Cash and Investments (Continued)**

***E. Investments in Local Agency Investment Fund (LAIF)***

The City is a participant in LAIF, which is regulated by California Government Code Section 16429 under the oversight of the Treasurer of the State of California. As of June 30, 2024, the City had \$40,739,153 invested in LAIF. LAIF determines fair value on its investment portfolio based on market quotations for those securities where market quotations are readily available and based on amortized cost or best estimate for those securities where market value is not readily available. LAIF is reported at amortized cost, which approximates fair value.

***F. Investments in San Diego County Investment Pool***

The City also participates in the San Diego County Treasurer’s Pooled Money Fund which is administered by the Treasurer-Tax Collector’s Office. At June 30, 2024, the City had \$39,011,179 invested in the pool. The fair value of Commission’s investment in the pool is reported at amounts based upon the City’s pro-rata share of the fair value provided by the County Treasurer for the entire portfolio (in relation to the amortized cost of that portfolio). Earnings realized on investments based on amortized cost are distributed to Investment Pool participants. Section 27013 of the California Government Code authorizes the Treasurer’s Office to deduct administrative fees related to investments. The net realized earnings on investments are apportioned to the Investment Pool participants quarterly, based on the participants’ average daily balances. The County’s annual financial report for the Pool can be obtained from the Treasurer-Tax Collector at 1600 Pacific Highway, Room 162, San Diego, California, 92101 and can also be accessed at <http://www.sdtreastax.com>.

**Note 3 – Leases Receivable and Related Deferred Inflows of Resources**

The City leases land to third parties. Leases receivable consist of agreements with third parties for the “right-to-use” the underlying asset at various locations owned by the City. The remaining terms of the agreements range from one to 21 years. The calculated interest rates used match the City’s incremental borrowing rate at July 1, 2021.

For the fiscal year ended June 30, 2024, the City recognized \$453,004 in lease revenue and \$74,108 in interest revenue, and the outstanding receivable amount is \$2,734,766.

A summary of changes in leases receivable for the fiscal year ended June 30, 2024 is as follows:

Balance July 1, 2023	Additions	Reductions	Balance June 30, 2024	Amounts due within one year	Amounts due in more than one year
\$ 3,155,223	\$ -	\$ (420,457)	\$ 2,734,766	\$ 395,183	\$ 2,339,583

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

**Note 3 – Leases Receivable and Related Deferred Inflows of Resources (Continued)**

As of June 30, 2024, the required payments for these leases, including interest, are:

Year Ending June 30	Leases Receivable	Interest	Total
2025	\$ 395,183	\$ 63,629	\$ 458,812
2026	381,226	54,154	435,380
2027	387,537	44,406	431,943
2028	336,454	35,440	371,894
2029	345,491	26,845	372,336
2030-2034	825,408	45,847	871,255
2035-2039	33,842	5,898	39,740
2040-2043	29,625	1,505	31,130
	<u>\$ 2,734,766</u>	<u>\$ 277,724</u>	<u>\$ 3,012,490</u>

As of June 30, 2024, the amounts reported as deferred inflows of resources will be recognized as lease revenue as follows:

Year Ending June 30	Total
2025	\$ 410,530
2026	380,192
2027	369,073
2028	313,480
2029	308,326
2030-2034	740,448
2035-2039	30,530
2040-2043	23,915
	<u>\$ 2,576,494</u>

**Note 4 – Loans Receivable**

**A. Government-Wide Financial Statements**

At June 30, 2024, the City had the following loans receivable balances outstanding:

Morgan Tower Housing Associates, LP	\$ 15,035,315
Kimball Tower Housing Associates, LP	19,873,308
Vista Del Sol	7,096,654
Plaza City Apartments, LP	3,422,000
Home Improvement Loan Program	23,199
First Time Home Buyers Program	2,692,453
Owner Occupied Loan Program	308,601
Rental Rehabilitation Loan Program	3,332,500
Paradise Creek, LP	5,721,547
Subtotal	<u>57,505,577</u>
Less: allowance for doubtful accounts	(11,905,971)
<b>Total</b>	<u>\$ 45,599,606</u>

**For the Year Ended June 30, 2024**

---

**Note 4 – Loans Receivable (Continued)**

**A. Government-Wide Financial Statements (Continued)**

*Morgan Tower Housing Associates, LP*

On March 28, 2019, the Community Development Commission- Housing Authority of the City of National City sold 152 units (151 affordable units and 1 manager’s unit) of housing for low-income senior households located at 1415 D Avenue in National City to Morgan Tower Housing Associates, L.P., for \$33,800,000. The CDC-HA sold only the improvements and retained fee-simple ownership of the land through a 99 year-ground lease. The CDC-HA provided a seller carryback note totaling \$15,106,284. The note carries a 55-year term with interest compounding annually at 2.91% and has mandatory annual payments, the first of which was \$222,000. That payment increases by 3.50% per year following the base year. In years when the operating statement for Morgan Tower shows a positive cash flow, an additional payment is required in the amount of 50% of residual receipts. At June 30, 2024, the outstanding balance was \$15,035,315.

*Kimball Tower Housing Associates, LP*

On March 28, 2019, the CDC-HA sold 151 units (149 affordable units and 2 manager’s units) of housing for low-income senior households located at 1317 D Avenue, National City to Kimball Tower Housing Associates, L.P., for \$28,800,000. The CDC-HA sold only the improvements and retained fee-simple ownership of the land through a 99 year-ground lease. The CDC-HA provided a seller carryback note totaling \$19,374,337. The note carries a 55-year term with interest compounding annually at 2.91% and has mandatory annual payments, the first of which was \$253,000. That payment increases by 3.50% per year following the base year. In years where the operating statement for Kimball Tower shows a positive cash flow, an additional payment is required in the amount of 50% of residual receipts. At June 30, 2024, the outstanding balance was \$19,873,308.

*Vista Del Sol (formerly Copper Hills Apartment, LP)*

In 1999, the Community Development Commission of the City of National City (CDC) entered into several loan agreements with Copper Hills Apartments, LP. CDC Residual Receipts Note dated February 19, 1999 disclosed a loan of \$2,400,000 with 3% interest per annum for 55 years, funded by the HOME Program and Low-and-Moderate-Income Housing Funds. A second and junior to the CDC Residual Receipts Note was made on June 3, 1999 for \$4,400,000, referred to as CDC Rehabilitation Note with 3% interest per annum for 55 years and funded by the Low-and-Moderate-Income Housing Fund (currently Housing Asset Fund). These loans were made to acquire, develop, rehabilitate and operate the multi-family apartments located at “Q” Avenue in the City that included 132 apartment dwelling units. In December 2017, Vista Del Sol Apartments, LP acquired the property and assumed the rights and obligations of Copper Hills Apartments, LP. The two original loans were consolidated into a single note of \$7,407,795 based on the amount of the outstanding principal and accrued interest on the two original loans. At June 30, 2024, the outstanding balance was \$7,096,654 with an associated contractual allowance of \$2,459,018.

*Plaza City Apartments, LP*

The CDC of the City of National City entered into a Loan Agreement with Plaza City Apartments, LP on November 1, 2005 in the amount of \$2,700,000 with 3% interest per annum for 55 years. It was amended per Resolution No. 2006-202 dated September 19, 2006 which increased the loan amount by \$722,000 for a total of \$3,422,000. This loan was to be used by the borrower to pay the balance of the purchase price and additional costs relating to the acquisition, demolition and development of certain real property located at 1535 Plaza Blvd., National City, CA. At June 30, 2024, the outstanding balance of loans made was \$3,422,000 with an associated contractual allowance of \$3,422,000.

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

---

**Note 4 – Loans Receivable (Continued)**

**A. Government-Wide Financial Statements (Continued)**

Home Improvement Loan Program

The City of National City Home Improvement Loan Program was administered by the Housing Authority and funded with Community Development Block Grant funds. The loan program provided loans to owners of single-family residences that wished to rehabilitate their property, providing for safe, decent, and sanitary housing throughout National City. The loan program provided favorable terms of repayment and stopped issuing loans in 2002. At June 30, 2024, the outstanding balance of the loans made was \$23,199.

First Time Home Buyers Program

The City of National City First-Time Homebuyer Assistance Program is currently funded through HUD HOME Investment Partnerships Program and previously was also funded with the State of California Low- and Moderate-Income Housing Set-Aside funds. The Program is currently administered by Community Housing Works, a 501(c)3 affordable housing agency that offers equity share deferred home gap financing loans to qualified borrowers. At June 30, 2024, the outstanding balance of the loans made was \$2,692,453 with an allowance for doubtful accounts of \$2,692,453.

Owner Occupied Loan Program

The City of National City Owner Occupied Loan Program is administered by the Housing Authority. The program provides loans to owners of single-family residences that wish to rehabilitate their property, providing for safe, decent, and sanitary housing throughout National City. Principal payment on the loans provided is deferred for 30 years. At June 30, 2024, the outstanding balance of the loans made was \$308,601.

Rental Rehabilitation Program

The City of National City Rental Rehabilitation Loan Program is administered by the Housing Authority and funded through HUD HOME Investment Partnerships Program and the Low- and Moderate-Income Housing Asset Fund. The program offers gap financing to developers for the rehabilitation of multi-family complexes and also provides for long-term rental assistance to deed-restricted units. At June 30, 2024, the outstanding balance of loans made was \$3,332,500 with an allowance for doubtful accounts of \$3,332,500.

Paradise Creek, LP

On June 21, 2011, the Community Development Commission of the City of National City (“Commission”), and Paradise Creek Housing Partners, L.P. (the “Developer”) entered into an agreement (Disposition and Development Agreement) for the development of 201-unit affordable housing as Phase I and II of the Transit-Oriented Infill Affordable Housing and Paradise Creek Enhancement Project (the “Project”). The Commission, in order to make the Project financially feasible, agreed to make a loan to Developer for the amount of \$6,000,000 for Phase I of the Project. During 2016, the loan receivable was transferred from the Successor Agency to the City and was recorded as a special item. As of June 30, 2024, the note receivable amount is \$5,721,547. The Developer will repay the loan with residual receipts to the Community Development Commission-Housing Authority of the City of National City (“CDC-HA”).

**For the Year Ended June 30, 2024**

**Note 4 – Loans Receivable (Continued)**

**B. Fiduciary Fund Financial Statements**

At June 30, 2024, the Agency had the following loans receivable, including principal and accrued interest:

National City Mile of Cars	\$	244,424
Constellation Property Group		2,500,000
Subtotal		2,744,424
Less: allowance for doubtful accounts		(2,500,000)
<b>Total</b>	<b>\$</b>	<b>244,424</b>

National City Mile of Cars

In July 20, 2010, the Community Development Commission of the City of National City (“Commission”), and Mile of Cars Association (“Participant”) entered into an agreement (Freeway Sign Rehabilitation Loan Agreement) for the rehabilitation of existing equipment and improvements constituting the signage. The Commission agreed to loan to the Participant the amount of \$675,000 for said improvements. The Participant agreed to execute a promissory note to repay the Commission the full amount of the rehabilitation loan plus interest. As of June 30, 2024, the note receivable amount was \$244,424.

Constellation Property Group (A Ave) LP

The CDC of the City entered into a loan agreement with Constellation Property Group (A Avenue), LP, a Delaware limited partnership, on December 13, 2007, for the amount of \$2,500,000 with interest of 10%, non-compounded, requiring no interim payment of principal and interest and maturing on December 13, 2010. The purpose of the loan was to assist with the development of the Centro Condominium project on A Avenue in National City – a 91,199 square foot, four story condominium project housing 61 residential units and 108 parking spaces. As of June 30, 2011, an allowance was established for the entire amount of the note outstanding as collection of this note was not expected. At June 30, 2024, the outstanding balance of the loans made was \$2,500,000 with an allowance for doubtful accounts applied for the full balance.

**Note 5 – Interfund Balances and Transactions**

**A. Due to/Due from other funds**

At June 30, 2024, interfund receivables and payables were as follows:

Receivable Fund	Payable Fund	Amount	Purpose
General Fund	Other Special Revenue Fund	\$ 5,858,438	Overdrawn cash
General Fund	Non-Major Governmental Funds	1,798,727	Overdrawn cash
	<b>Total</b>	<b>\$ 7,657,165</b>	

Current interfund balances arise in the normal course of operations to cover cash shortages and are expected to be repaid shortly after the end of the fiscal year.

2012 General Obligation Refunding Bonds

The City issued \$4,885,000 of general obligation bonds, 2012 General Obligation Refunding Bonds, on August 1, 2012 to refund the 2002 General Obligation Bonds. No 2002 General Obligation Bonds remain outstanding. The bonds mature annually through August 1, 2028 in the amounts ranging from \$235,000 to \$395,000 beginning August 1, 2003. The interest of the bonds is payable semi-annually on each February 1 and August 1, commencing February 1, 2004. The interest rate of the bonds ranges from 2.00% to 3.500%. The bonds are payable solely from and secured by ad valorem taxes of all property subject to taxation by the City. The bonds are subject to optional and mandatory early redemption provisions. As of June 30, 2024, the outstanding balance is \$1,845,000.

The annual debt service requirements for the 2012 General Obligation Refunding Bonds outstanding at June 30, 2024 are as follows:

Year Ending June 30,	Principal	Interest	Total
2025	\$ 340,000	\$ 56,425	\$ 396,425
2026	355,000	45,556	400,556
2027	370,000	33,544	403,544
2028	385,000	20,563	405,563
2029	395,000	6,913	401,913
<b>Total</b>	<b>\$ 1,845,000</b>	<b>\$ 163,001</b>	<b>\$ 2,008,001</b>

Section 108 Bonds

The City issued \$6,900,000 of HUD 108 Bonds, Series A on August 7, 2003 to provide funds for the construction of a fire station. The bonds mature annually through 2024 in the amount ranging from \$170,000 to \$635,000 beginning in 2005. The interest on the bonds is payable semi-annually on each February 1 and August 1, commencing February 1, 2004. As of June 30, 2024, the outstanding balance was paid in full.

2017 Clean Energy Bonds and 2017 Lease Revenue Bonds

In July 2017, the National City Joint Powers Financing Authority (“NCJPFA”), pursuant to a facilities lease and facilities sublease with the City of National City, issued \$1,800,000 of taxable clean renewable energy bonds under Section 54C(a) of the Internal Revenue Code and \$3,723,602 of tax-exempt bonds to finance the cost of an energy efficiency and renewable energy program under an Energy Services Agreement with Ameresco, Inc. The bonds were purchased by Banc of America Leasing & Capital, LLC. Principal and interest payments on the bonds are the responsibility of the City and are payable semi-annually on each December 1 and June 1, commencing December 1, 2017. At June 30, 2024, the outstanding balances were \$1,715,365 and \$2,622,125 for the 2017 Clean Energy Bonds and the 2017 Lease Revenue Bonds, respectively.

The annual debt service requirements for the 2017 Clean Energy Bonds outstanding at June 30, 2024 are as follows:

Year Ending June 30,	Principal	Interest	Total

2021 Pension Obligation Bonds

On November 16, 2021, the City issued the 2021 Taxable Pension Obligation Bonds in the amount of \$83,895,000 with an original issue discount of \$142,838. The purpose of the bonds was to refinance a portion of the City’s unfunded actuarial accrued liability with respect to its payment obligations to CalPERS. The bonds accrue interest rates between 0.384% and 3.423%. Interest on the bonds is payable semiannually on each May 1 and November 1, commencing November 1, 2022. Principal is payable in annual installments ranging from \$2,565,000 to \$6,220,000, commencing November 1, 2022 through November 1, 2042. The balance at June 30, 2024, was \$77,675,000.

The annual debt service requirements for the 2021 Pension Obligation Bonds outstanding at June 30, 2024 are as follows:

Year Ending June 30,	Principal	Interest	Total
2025	\$ 3,680,000	\$ 2,120,767	\$ 5,800,767

<b>Total</b>	<b>\$ 77,675,000</b>	<b>\$ 24,588,160</b>	<b>\$ 102,263,160</b>

**Notes Payable**

San Diego County Regional Communication System

In 2017, the County of San Diego (the “County”) and certain local governments, including the City, entered into an agreement for the implementation, governance, and cost for the Next Generation Regional Communication System (“RCS”). The NGRCS replaces, modernizes, and updates the old regional communication system, and provides effective and reliable voice radio communications for routine intra- and inter-agency operations as well as inter-agency communications throughout the region during mutual aid and disaster operations. The RCS includes the following subsystems: a trunked voice system, microwave backhaul network, and a conventional voice system. The City entered into a financing agreement with the County of San Diego to pay for a share of backbone infrastructure cost of the new system. The amount financed for this project was \$1,270,762 at an annual interest rate of 2.79% for a total cost of \$1,473,799. Beginning June 1, 2017, and each year thereafter for ten years, the City will make an annual payment of \$147,380 to the County.

2017 Series A and B Tax Allocation Refunding Bonds

In September 2017, the Successor Agency to the Community Development Commission as the National City Redevelopment Agency issued \$45,874,000 in Tax Allocation Refunding Bonds, Series 2017A, and \$2,669,000 in Tax Allocation Refunding Bonds, Series 2017B, to redeem the 2005B and 2011 Tax Allocation Bonds and the 1999 Tax Allocation Housing Bonds, respectively. The 2017 Series A bonds mature on August 1, 2032, and bear an interest rate of 2.49% per annum. The 2017 Series B bonds mature on August 1, 2029, and bear an interest rate of 2.36% per annum. Principal is payable annually on August 1 for both series of bonds. Interest is payable semi-annually for both series of bonds on February 1 and August 1. The aggregate debt service payments of the new debt are \$9,877,886 less than the old debt. The issuance of the new debt and refunding of the old debt resulted in an economic gain (the difference between the net present value of the old debt and the new debt service payments) of approximately \$9,497,037.

The annual debt service requirements for the 2017 Series A Tax Allocation Bonds outstanding at June 30, 2024 are as follows:

<b>Year Ending June 30,</b>	<b>Principal</b>	<b>Interest</b>	<b>Total</b>
2025	\$ 3,139,000	\$ 658,543	\$ 3,797,543

Pledged Revenues

The Successor Agency has pledged tax revenues to the repayment of the RDA’s debts transferred to it on February 1, 2012 through the final maturity of the Bonds, or early retirement of the Bonds, whichever comes first.

Tax revenues consist of property tax revenues allocated to the Redevelopment Property Tax Trust Fund (RPTTF) for the Successor Agency that is maintained by the County of San Diego Auditor and Controller. The amounts so allocated are those that would have been allocated to the RDA had the RDA not been dissolved. The Auditor and Controller (A&C) then distributes RPTTF revenues to the Successor Agency based on Recognized Obligation Payment Schedules (ROPS) as approved by the California State Department of Finance (DOF) and after deducting amounts for A&C administrative costs and amounts required to be paid under tax-sharing agreements unless the payment of such amounts has been subordinated to payment of debt services on the Bonds. Each ROPS covers a one fiscal year period and includes the applicable debt service payments on the Bonds.

In fiscal year 2024, property tax revenue in the amount of \$30,226,305 was deposited to the RPTTF for the Successor Agency. After deductions for County administrative fees and pass-through payments, the RPTTF revenue available for distribution to the Successor Agency was \$23,169,298. The actual amount of RPTTF revenue authorized by the State Department of Finance to be distributed to the Successor Agency was \$3,950,251. This distribution took into account previously allocated, but unspent RPTTF in previous ROPS periods and did not affect the ability of the Successor Agency to meet its debt service obligation. Total debt service for all Tax Allocation Refunding Bonds (TARBs) in fiscal year 2024 was \$4,058,091, 20% of the RPTTF revenue available for distribution to the Successor Agency. Beyond fiscal year 2024 and through final maturity in fiscal year 2033, these annual payments will gradually decline from \$4.1 million in fiscal year 2023 to \$3.3 million in fiscal year 2033. The percentage of available RPTTF required for debt service will also gradually drop as total payments decrease and the amount of available RPTTF increases because of expected growth in assessed values attributable to the former redevelopment area.

**Note 8 – Compensated Absences**

A summary of changes in compensated absences for the year ended June 30, 2024 is as follows:

	Balance			Balance June 30, 2024	Classification	
	July 1, 2023	Additions	Deletions		Due within One Year	Due in More Than One Year
Compensated Absences	\$ 4,472,190	\$ 2,936,902	\$ (2,711,493)	\$ 4,697,599	\$ 2,711,493	\$ 1,986,106
<b>Total</b>	<b>\$ 4,472,190</b>	<b>\$ 2,936,902</b>	<b>\$ (2,711,493)</b>	<b>\$ 4,697,599</b>	<b>\$ 2,711,493</b>	<b>\$ 1,986,106</b>

The City’s liability for vested and unpaid compensated absences (accrued vacation, sick leave, and compensatory time) was \$4,697,599 at June 30, 2024. For the governmental activities, compensated absences are generally liquidated by the General Fund.

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

**Note 8 – Compensated Absences (Continued)**

Compensated absences at June 30, 2024 are obligations of the following funds:

General Fund	\$ 4,535,871
Facilities Maintenance	50,726
Liability Insurance	6,569
Information Systems Maintenance	47,285
Motor Vehicle Services	57,148
<b>Total</b>	<b>\$ 4,697,599</b>

**Note 9 – Other Required Disclosures**

At June 30, 2024, the following funds had deficit fund balances/net position:

Fund Type	Funds	Deficit
Capital Projects Fund	Proposition A	\$ (1,838,608)
Fiduciary Fund	Successor Agency To the Community Development Commission of National City Private-Purpose Trust Fund	\$ (21,235,250)

***Proposition A Capital Projects Fund*** – The Proposition A Capital Projects Fund had a deficit of \$(1,838,608) resulting from capital expenses for the year ended June 30, 2024 exceeding revenues. The deficit will be eliminated via future transfers in from other funds and receipt of additional Proposition A funding.

***The Successor Agency to the Community Development Commission as the National City Redevelopment Agency (the “Successor Agency”) Private-Purpose Trust Fund*** – The Successor Agency to the Community Development Commission as the National City Redevelopment Agency Private-Purpose Trust Fund had an accumulated deficit of \$(21,235,250). The deficit will be eliminated over the next ten years through revenues received from the RPTTF to pay for debt service on the 2017 Series A and B Tax Allocation Refunding Bonds.

***Governmental Activities*** – At June 30, 2024, the City had an unrestricted net position deficit of \$(44,032,534) on the Statement of Activities. This deficit incorporates the calculations resulting from the implementation of GASB Statement 68 (Net Pension Liability) in fiscal year 2015 and the implementation of GASB Statement 75 (Total OPEB Liability) in 2017. The City is addressing the portion of the deficit attributable to the GASB 68 reporting requirements through meeting its annual required pension contributions to CalPERS and has established an IRS Section 115 pension trust. In addition, in November 2021, the City issued pension obligation bonds and delivered the proceeds to CalPERS to pay off approximately \$83,260,000 of the City’s anticipated unfunded liability. The City is addressing the OPEB liability by establishing an IRS Section 115 OPEB trust for approximately half of the liability while continuing to budget and pay for annual OPEB costs out of current resources.

***Excess Expenditures Above Appropriations***

For the year ended June 30, 2024, the following funds had expenditures that exceeded appropriations:

Funds	Excess Expenditures Above Appropriations
Housing Asset Special Revenue Fund	\$ 68,977

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

**Note 10 – Self-Insurance Accrued Liabilities**

The City is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; natural disasters; and workers’ compensation claims. A self-insurance (internal service) fund is used to account for the City’s insurance programs. Operating revenues of this fund represent payments from other City funds and are based upon estimated umbrella insurance premium expenses, self-insurance losses and other operating expenses.

The San Diego Pooled Insurance Program Authority (SANDPIPA) a joint powers authority (JPA), of which the City was a member, ceased operations on June 30, 2016. On July 1<sup>st</sup>, 2016 the City became self-insured for General Liability claims up to \$250,000. This means that the City pays all claims up to \$250,000 directly from City funds. Claims between the self-insured retention (SIR) of \$250,000 up to \$5,000,000 are covered by Public Risk Innovation, Solutions and Management (formerly California State Association of Counties - Excess Insurance Authority). The next layer of coverage is the Excess Layer which provides \$20,000,000 and the final layer of coverage is the Optional Layer which provides \$25,000,000. The total amount of coverage for the General Liability Program is \$50,000,000. PRISM is located in Folsom, California. All the coverages are administered by PRISM.

The City is completely self-insured for unemployment claims.

The City is self-insured for Workers’ Compensation claims up to \$500,000 per occurrence. Claims between the self-insured retention level of \$500,000 and \$5,000,000 are covered by PRISM which is reinsured by Great American. Claims in excess of \$5,000,000 up to \$50,000,000 are covered by PRISM which is reinsured by ACE American Insurance Company. Any statutory benefit in excess of \$50,000,000 is covered by Liberty Insurance Corporation. There is no statutory limit for benefits paid on Workers’ Compensation claims.

During the current year, there were no significant reductions in insurance coverage from the prior year. For each of the past three fiscal years, the settlements have not exceeded the City’s insurance coverage.

At June 30, 2024, the City had an accrued amount of \$12,933,000 of workers’ compensation and general liability claims representing estimates of amounts to be paid for actual and incurred but not reported claims based upon past experience, modified for current trends and information. Allocated claim adjustment expenses are included in claim liabilities. While the ultimate amount of losses incurred through June 30, 2024 is dependent on future developments, based upon information from the City Attorney, outside counsel and others involved with the administration of the programs, City management believes that the aggregate accrual is adequate to cover such losses. For the past three years, no settlements or claims payments have exceeded the amount of the applicable coverage. For the past two fiscal years, the changes in the City’s liability for claims payable are summarized as follows:

The aggregate change in the balance of claims payable as recorded in the Governmental Activities were as follows:

	<u>2024</u>	<u>2023</u>	<u>2022</u>
Claims liabilities - beginning balance	\$ 11,292,000	\$ 10,966,000	\$ 11,948,000
Incurred claims, representing the total of a provision for events of the current fiscal year and any change in the provision for events of prior fiscal years	4,182,967	2,326,747	57,029
Payments on claims attributable to events of both the current fiscal year and prior fiscal years	<u>(2,541,967)</u>	<u>(2,000,747)</u>	<u>(1,039,029)</u>
Claims liabilities - ending balance	<u>\$ 12,933,000</u>	<u>\$ 11,292,000</u>	<u>\$ 10,966,000</u>

**A. Summary**

Net Pension Liability

Aggregate Net Pension Liability is reported in the accompanying Statement of Net Position as follows:

	Net Pension Liability
Miscellaneous Plan	\$ 19,613,847
Safety Plan	32,647,085
<b>Total</b>	<b>\$ 52,260,932</b>

Deferred Outflows of Resources

Deferred Outflows of Resources are reported in the accompanying Statement of Net Position as follows:

	Deferred employer pension contributions made after measurement date	Changes in assumptions	Differences between expected and actual experience	Net difference between projected and actual earnings on pension plan investments	Total pension-related deferred outflows
Miscellaneous Plan	\$ 1,755,191	\$ 1,012,280	\$ 665,787	\$ 6,757,858	\$ 10,191,116
Safety Plan	3,826,756	3,441,684	1,424,454	10,973,767	19,666,661
<b>Total</b>	<b>\$ 5,581,947</b>	<b>\$ 4,453,964</b>	<b>\$ 2,090,241</b>	<b>\$ 17,731,625</b>	<b>\$ 29,857,777</b>

Deferred Inflows of Resources

Deferred Inflows of Resources are reported in the accompanying Statement of Net Position as follows:

	Differences between expected and actual experience	Total pension-related deferred inflows
Miscellaneous Plan	\$ 443,084	\$ 443,084
Safety Plan	1,701,754	1,701,754
<b>Total</b>	<b>\$ 2,144,838</b>	<b>\$ 2,144,838</b>

Pension Expense

Pension expenses are included in the accompanying Statement of Revenues, Expenses, and Changes in Net Position as follows:

	Pension Expense
Miscellaneous Plan	\$ 5,864,126
Safety Plan	10,311,513
<b>Total</b>	<b>\$ 16,175,639</b>

**Note 11 – Pension Plans (Continued)**

**B. CalPERS Pension Plans**

Plan Description

Substantially all City employees working the equivalent of 1,000 hours or more per fiscal year are eligible to participate in the Safety Plan and Miscellaneous Plan Agent multiple-employer defined benefit plans administered by California Public Employees Retirement System (CalPERS), which acts as a common investment and administrative agent for its participating member employers. Benefit Provisions under the Plans are established by State statutes within the Public Employee's Retirement Law. CalPERS issues publicly available reports that include a full description of the pension plans regarding benefit provisions, assumptions and membership information that can be found on the CalPERS website. Copies of the CalPERS annual financial report may be obtained from the CalPERS Executive Office – 400 P Street, Sacramento, CA 95814.

Benefits Provided

CalPERS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. A classic CalPERS member or PEPRA Safety member becomes eligible for Service Retirement upon attainment of age 55 with at least 5 years of credited service. PEPRA miscellaneous members become eligible for service retirement upon attainment of age 62 with at least 5 years of service. The service retirement benefit is a monthly allowance equal to the product of the benefit factor, years of service, and final compensation. The final compensation is the monthly average of the member's highest 36 or 12 consecutive months' fulltime equivalent monthly pay. Retirement benefits for classic miscellaneous employees are calculated as 2% to 2.7% of the average final 12 months compensation. Retirement benefits for PEPRA miscellaneous employees are calculated as 2% of the average final 36 months compensation. Retirement benefits for classic safety employees are calculated as 3% of the average final 12 months compensation. Retirement benefits for PEPRA safety employees are calculated as 2%-3% of the average final 36 months compensation.

Participants are eligible for non-industrial disability retirement if they become disabled and have at least five years of credited service. There is no special age requirement. The standard non-industrial disability retirement benefit is a monthly allowance equal to 1.8 percent of final compensation, multiplied by service.

Industrial disability benefits are not offered to miscellaneous employees. The City provides industrial disability retirement benefit to safety employees. The industrial disability retirement benefit is a monthly allowance equal to 50% of final compensation.

An employee's beneficiary may receive the basic death benefit if the employee dies while actively employed. The employee must be actively employed with the City to be eligible for this benefit. An employee's survivor who is eligible for any other pre-retirement death benefit may choose to receive that death benefit instead of this basic death benefit. The basic death benefit is a lump sum in the amount of the employee's accumulated contributions, where interest is currently credited at 7.5 percent per year, plus a lump sum in the amount of one month's salary for each completed year of current service, up to a maximum of six months' salary. For purposes of this benefit, one month's salary is defined as the member's average monthly full-time rate of compensation during the 12 months preceding death.

Upon the death of a retiree, a one-time lump sum payment of \$500 will be made to the retiree's designated survivor(s), or to the retiree's estate.

Benefit terms provide for annual cost-of-living adjustments to each employee's retirement allowance. Beginning the second calendar year after the year of retirement, retirement and survivor allowances will be annually adjusted on a compound basis by two percent.

**For the Year Ended June 30, 2024**

---

**Note 11 – Pension Plans (Continued)**

**B. CalPERS Pension Plans (Continued)**

Benefits Provided (Continued)

**Employees Covered** – At June 30, 2022, the valuation date, the following employees were covered by the benefit terms for each plan:

	<b>Miscellaneous</b>	<b>Safety</b>
Active employees	172	123
Transferred and terminated employees	259	85
Retired employees and beneficiaries	335	243

**Contributions** – Section 20814(c) of the California Public Employees’ Retirement Law (“PERL”) requires that the employer contribution rates for all public employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. The total plan contributions are determined through CalPERS’ annual actuarial valuation process. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year (the “normal cost” rate), with an additional amount to finance any unfunded accrued liability. The employer is required to contribute the difference between the actuarially determined normal cost rate and the contribution rate of employees. For the measurement period ended June 30, 2023, the average active miscellaneous and safety employee contribution rates were 8% and 9% of annual pay, respectively, and the employer’s normal cost contribution rates were 12.40% and 22.51% of miscellaneous and safety employee annual payroll, respectively. The employer pays the annual amount required to address the plan’s unfunded accrued liability.

For the year ended June 30, 2024, the employer contributions, including for the unfunded accrued liability, were:

	<b>Miscellaneous</b>	<b>Safety</b>	<b>Aggregate Total</b>
Contributions - employer	\$ 1,755,191	\$ 3,826,756	\$ 5,581,947

Net Pension Liability

The City’s net pension liability is measured as the total pension liability, less the pension plan’s fiduciary net position. The net pension liability of the Plan is measured as of June 30, 2023, using an annual actuarial valuation as of June 30, 2022 rolled forward to June 30, 2023 using standard update procedures. A summary of principal assumptions and methods used to determine the net pension liability is shown on the following page.

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

---

**Note 11 – Pension Plans (Continued)**

**B. CalPERS Pension Plans (Continued)**

Net Pension Liability (Continued)

**Actuarial Assumptions** – The total pension liabilities in the June 30, 2022 actuarial valuations were determined using the following actuarial assumptions:

Actuarial Cost Method	Entry Age Normal
Actuarial Assumptions:	
Discount Rate	6.90%
Inflation	2.50%
Payroll growth	2.75%
Salary Increases	Varies by Entry Age and Service
Investment Rate of Return	7.00% net of pension plan investment and administrative expenses; includes Inflation
Mortality Rate	Based on the 2017 CalPERS Experience Study for the period from 1997 to
Post Retirement Benefit Increase	Contract COLA up to 2.75% until Purchasing Power Protection Allowance Floor on Purchasing Power applies, 2.75% thereafter.

The underlying mortality assumptions and all other actuarial assumptions used in the June 30, 2022 valuations were based on the results of a 2021 CalPERS Experience Study. Further details of the Experience Study can be found on the CalPERS website.

**Changes of Assumptions**

There were no changes of assumptions for the measurement period ended June 30, 2023.

**Discount Rate** – The discount rate used to measure the total pension liability was 6.90 percent. To determine whether the municipal bond rate should be used in the calculation of the discount rate for each plan, CalPERS stress tested plans that would most likely result in a discount rate that would be different from the actuarially assumed discount rate. The tests revealed the assets would not run out. Therefore, the current 6.90 percent discount rate is appropriate and the use of the municipal bond rate calculation is not deemed necessary. The long-term expected discount rate of 6.90 percent is applied to all plans in the Public Employees’ Retirement Fund (PERF). The cash flows used in the testing were developed assuming that both members and employers will make their required contributions on time and as scheduled in all future years. The stress test results are presented in a detailed report called “GASB Crossover Testing Report” that can be obtained at CalPERS website under the GASB 68 section.

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

**Note 11 – Pension Plans (Continued)**

**B. CalPERS Pension Plans (Continued)**

Net Pension Liability (Continued)

The long-term expected rate of return on pension plan investments was determined using a building block method in which expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. In determining the long-term expected rate of return, staff took into account both short-term and long-term market return expectations as well as the expected pension fund (PERF) cash flows. Taking into account historical returns of all the Public Employees Retirement Funds' asset classes (which includes the agent plan and two cost-sharing plans or PERF A, B, and C funds), expected compound (geometric) returns were calculated over the short-term (first 10 years) and the long-term (11-60 years) using a building-block approach. Using the expected nominal returns for both short-term and long-term, the present value of benefits was calculated for each PERF fund. The expected rate of return was set by calculating the single equivalent expected return that arrived at the same present value of benefits for cash flows as the one calculated using both short-term and long-term returns. The expected rate of return was then set equal to the single equivalent rate calculated above and rounded down to the nearest quarter of one percent.

The table below reflects long-term expected real rate of return by asset class. The rate of return was calculated using the capital market assumptions applied to determine the discount rate and asset allocation. These geometric rates of return are net of administrative expenses.

The long-term expected rate of return by asset class for the measurement period ended June 30, 2023 was as follows:

Asset Class	Strategic Allocation	Real Return
Global equity - cap-weighted	30.00%	4.45%
Global equity - non-cap-weighted	12.00%	3.84%
Private equity	13.00%	7.28%
Treasury	5.00%	0.27%
Mortgage-backed securities	5.00%	0.50%
Investment-grade corporates	10.00%	1.56%
High yield	5.00%	2.27%
Emerging market debt	5.00%	2.48%
Private debt	5.00%	3.57%
Real Assets	15.00%	3.21%
Leverage	-5.00%	-0.59%
	<u>100%</u>

*Changes in the Net Pension Liability (Continued)*

**Sensitivity of the Aggregate Net Pension Liability to Changes in the Discount Rate** – The following presents the City’s net pension liability, calculated using the discount rate, as well as what the City’s net pension liability would be if it were calculated using a discount rate that is one percentage point lower or one percentage point higher than the current rate:

	<b>Plan's Aggregate Net Pension Liability/(Asset)</b>		
	<b>Discount Rate - 1%</b> <b>(5.90%)</b>	<b>Current Discount</b> <b>Rate (6.90%)</b>	<b>Discount Rate + 1%</b> <b>(7.90)</b>
<b>Miscellaneous Plan</b>	\$ 40,161,758	\$ 19,613,847	\$ 2,647,376
<b>Safety Plan</b>	\$ 68,133,761	\$ 32,647,085	\$ 3,684,406
<b>Aggregate Total</b>	\$ 108,295,519	\$ 52,260,932	\$ 6,331,782

**Pension Plan Fiduciary Net Position** – Detailed information about each pension plan’s fiduciary net position is available in the separately issued CalPERS financial reports.

*Pension Expense and Deferred Outflows/Inflows of Resources Related to Pensions*

For the year ended June 30, 2024, the City recognized pension expense in the amounts of \$5,864,126 and \$10,311,513, for the Miscellaneous and Safety plans, respectively.

The amortization period differs depending on the source of the gain or loss. The difference between projected and actual earnings is amortized over five years straight-line. All other amounts are amortized straight-line over the average expected remaining service lives of all members that are provided with benefits (active, inactive and retired) as of the beginning of the measurement period.

The Expected Average Remaining Service Lifetime (“EARSL”) is calculated by dividing the total future service years by the total number of plan participants (active, inactive, and retired) in the risk pool. The EARSLs for the Miscellaneous and Safety plans, respectively, for the 2022-2023 measurement period are 2.5 and 3.3 years, respectively, which was obtained by dividing the total service years of 1,902 and 1,490, respectively, (the sum of remaining service lifetimes of the active employees) by 766 and 451, respectively, (the total number of participants: active, inactive, and retired).

*Pension Expenses and Deferred Outflows/Inflows of Resources Related to Pensions (Continued)*

At June 30, 2024 the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

<b>Miscellaneous Plan</b>		
	<b>Deferred outflows of Resources</b>	<b>Deferred inflows of Resources</b>
Contributions after measurement date	\$ 1,755,191	\$ -
Changes of assumptions	1,012,280	-
Difference between expected and actual experience	665,787	(443,084)
Difference between projected and actual earning on pension plan investments	6,757,858	-
Total	\$ 10,191,116	\$ (443,084)

<b>Safety Plan</b>		
	<b>Deferred outflows of Resources</b>	<b>Deferred inflows of Resources</b>
Contributions after measurement date	\$ 3,826,756	\$ -
Changes of assumptions	3,441,684	-
Difference between expected and actual experience	1,424,454	(1,701,754)
Difference between projected and actual earning on pension plan investments	10,973,767	-
Total	\$ 19,666,661	\$ (1,701,754)

<b>Aggregate Totals</b>		
	<b>Deferred outflows of Resources</b>	<b>Deferred inflows of Resources</b>
Contributions after measurement date	\$ 5,581,947	\$ -
Changes of assumptions	4,453,964	-
Difference between expected and actual experience	2,090,241	(2,144,838)
Difference between projected and actual earning on pension plan investments	17,731,625	-
Total	\$ 29,857,777	\$ (2,144,838)

**For the Year Ended June 30, 2024**

**Note 11 – Pension Plans (Continued)**

**B. CalPERS Pension Plans (Continued)**

*Pension Expenses and Deferred Outflows/Inflows of Resources Related to Pensions (Continued)*

For the Miscellaneous Plan and Safety Plan, \$1,755,191 and \$3,826,756, respectively, were reported as deferred outflows of resources related to pensions resulting from City’s contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended June 30, 2025. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ended June 30,	Deferred Outflows/ (Inflows) of Resources		
	Miscellaneous	Safety	Total
2025	\$ 2,423,188	\$ 4,390,483	\$ 6,813,671
2026	1,211,506	2,832,280	4,043,786
2027	4,153,419	6,565,171	10,718,590
2028	204,728	350,217	554,945
2029	-	-	-
Thereafter	-	-	-
	\$ 7,992,841	\$ 14,138,151	\$ 22,130,992

**Note 12 – Other Postemployment Benefits**

***Plan Description***

The City provides postemployment health benefits through a single-employer defined benefit plan administered by the City. The City provides a fixed dollar contribution towards retiree health benefits for approximately 101 retirees. In addition, 350 employees are currently working and earning service credit for eligibility for a City contribution for retiree health benefits. To be eligible for a City contribution, an employee must retire from the City and commence pension benefits under CalPERS on or after age 50 with at least 20 years of service (five years for management and executive employees) with the City. The City provides a fixed dollar monthly contribution equal to \$10 (\$20 for management, executive, and safety employees) times years of service. Employees may receive the contribution to use towards non-City health insurance, if evidence of coverage is provided. The City’s contribution is payable until Medicare eligibility, except management and executive employees are eligible for the City’s contribution during their lifetime. There are no plan assets accumulated in a GASB-compliant trust.

***Eligibility***

Membership of the plan consisted of the following at June 30, 2024, the date of the latest actuarial valuation:

Active plan members	398
Retirees	68
Total	466

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

---

**Note 12 – Other Postemployment Benefits (Continued)**

***Total OPEB Liability***

The City’s total OPEB liability was measured as of June 30, 2024. The total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation as of June 30, 2024. The total OPEB liability at June 30, 2024 was:

Total OPEB liability	\$	4,982,760
Total OPEB liability	\$	<u>4,982,760</u>

***Actuarial Assumptions***

The total OPEB liability in the June 30, 2024 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement, unless otherwise specified:

Discount Rate	4.21%
Inflation	2.50%
Aggregate payroll increases	2.80%
Expected long-term investment rate of return	n/a
Mortality, Termination, and Disability	CalPERS 2021
Mortality Improvement Scale	Modified MP-2021
Pre-retirement turnover	Ranging from 0.01% to 17.42% based on termination rates under the CalPERS pension plan.
Healthcare Trend Rate	An annual healthcare cost trend rate of 7.0% initially reduced by decrements to an ultimate of 4.5% thereafter.

The actuarial assumptions used in the June 30, 2024 valuation were based on the results of an actuarial experience study for the period July 1, 2007 through June 30, 2014.

***Discount Rate***

The discount rate used to measure the total OPEB liability was 4.21 percent at the measurement date of June 30, 2024. It was changed from 4.13 percent at the measurement date of June 30, 2023. This discount rate is the mid-point, rounded to five basis points, of the range of 3-20 year municipal bond rate indices; S&P Municipal bond 20 Year High Grade Rate Index, Bond Buyer 20-Bond GO Index, and Fidelity GO AA 20 Year Bond Index.

**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

**Note 12 – Other Postemployment Benefits (Continued)**

***Change in the Total OPEB Liability***

	<b>Total OPEB Liability</b>
Balance at June 30, 2023	\$ 4,832,170
Changes Recognized for the Measurement Period:	
Service Cost	166,431
Interest on the total OPEB liability	200,253
Changes of benefit terms	-
Difference between expected and actual experience	166,264
Changes of assumptions	(79,598)
Contributions from the employer	-
Net investment income	-
Administrative expenses	-
Benefit payments	(302,760)
Net Changes during July 1, 2023 to June 30, 2024	150,590
Balance at June 30, 2024 (Measurement Date)	\$ 4,982,760

***Sensitivity of the Total OPEB Liability to Changes in the Discount Rate***

The following presents the total OPEB liability of the City, as well as what the City’s total OPEB liability would be if it were calculated using a discount rate that is 1-percentage-point lower (3.21 percent) or 1-percentage-point higher (5.21 percent) than the current discount rate:

<b>Plan's Total OPEB Liability</b>		
Discount Rate - 1% (3.21%)	Current Discount Rate (4.21%)	Discount Rate + 1% (5.21%)
\$ 5,426,302	\$ 4,982,760	\$ 4,993,896

***Sensitivity of the Total OPEB Liability to Changes in the Health Care Cost Trend Rates***

The following presents the total OPEB liability of the City, as well as what the City’s total OPEB liability would be if it were calculated using healthcare cost trend rates that are 1-percentage-point lower (7.0 percent decreasing to 3.5 percent) or 1-percentage-point higher (9.0 percent decreasing to 5.5 percent) than the current healthcare cost trend rates:

<b>Plan's Total OPEB Liability</b>		
Discount Rate - 1% (7.0% decreasing to 3.5%)	Healthcare Cost Trend Rates (6.75% decreasing to 4.5%)	Discount Rate + 1% (9.0% decreasing to 5.5%)
\$ 4,975,137	\$ 4,982,760	\$ 4,988,994

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

**Note 12 – Other Postemployment Benefits (Continued)**

***Contributions***

The contribution requirements of plan members and the City are established by and may be amended by City Council. The contribution required to be made under City Council and labor agreement requirements is based on a pay-as-you-go basis (i.e., as medical insurance premiums become due). For fiscal year 2024, the City contributed \$302,760 to the plan for current premiums. In fiscal year 2021, the City established an IRS Section 115 OPEB trust. The balance at June 30, 2024 is \$3,539,380. This balance is not included in the calculation of the total OPEB liability.

***OPEB Expense and Deferred Outflows/Inflows of Resources Related to OPEB***

For the fiscal year ended June 30, 2024, the City recognized OPEB expense of \$273,253.

At June 30, 2024, the City reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	<b>Deferred Outflows of Resources</b>	<b>Deferred Inflows of Resources</b>
Difference between expected and actual experience	\$ 151,149	\$ 291,602
Changes of assumptions	285,956	876,920
Total	\$ 437,105	\$ 1,168,522

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized as OPEB expense as follows:

Measurement Period Ended June 30,	<b>Deferred Outflows/ (Inflows) of Resources</b>
2025	\$ (93,431)
2026	(86,771)
2027	(61,631)
2028	(61,635)
2029	(91,312)
Thereafter	(336,637)
	\$ (731,417)

**Note 13 – Commitments and Contingencies**

***Litigation***

The City is presently involved in certain matters of litigation that have risen in the normal course of conducting City business. City management believes, based upon consultation with the City Attorney, that these cases, in the aggregate, are not expected to result in a material adverse financial impact on the City. Additionally, City management believes that the City's insurance programs are sufficient to cover any potential losses should an unfavorable outcome materialize.

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

---

**Note 13 – Commitments and Contingencies (Continued)**

***Grants***

The City participates in a number of federally assisted grant programs, including those from HUD, US Department of Justice, US Department of Treasury, US Department of Transportation, and the US Department of Education. Receipts from these grant programs are subject to audit to determine if the monies were expended in accordance with appropriate statues, grant terms and regulations. The City believes no significant liabilities will result should any audits be performed.

***Contractual Commitments***

The City has contractual and regulatory commitments that will result in expenses in future fiscal years. These include operating and capital contractual commitments. As of June 30, 2024, the City had a total of 444 contractual commitments with a remaining balance of \$87,444,927. The following table represents the City’s contractual commitments by contract type.

Construction	\$ 15,846,686
Consulting services	64,076,821
Legal services	730,223
Professional services	6,791,197
Total contractual commitments	\$ 87,444,927

***Encumbrances***

At June 30, 2024, the amount of encumbrances within the governmental funds that are expected to be honored upon performance by the vendor in the next year were as follows:

General Fund	\$ 1,685,937
Housing Asset Fund	3,500
Housing Choice Voucher Program Fund	7,377
Sewer Service Fund	1,071,163
ARPA Fund	130,501
Other Special Revenue Fund	2,613,535
Housing Authority Fund	26,565
Aggregate non-major funds	1,817,867
Total encumbrances	\$ 7,356,445

***Categorization of Reserves under Adopted City Policies***

The City has a policy that governs the accumulation and maintenance of reserves for various purposes. Amounts for some of the General Fund reserves are reflected in the schedule above and are described as follows:

- 1) ***Section 115 Pension Trust*** – represents funds that may be used only for pension-related costs and only upon the direction of City Council. The target level for this reserve is an amount equal to two years of unfunded liability payments as determined by the most recent CalPERS valuation reports. The amount in the Section 115 Pension Trust reserve as of June 30, 2024 was \$7,497,713.
- 2) ***Section 115 OPEB Trust*** – represents funds that may be used only for other post-employment benefit (OPEB)-related costs and only upon the direction of City Council. The target level for this reserve is an amount equal to 80% of the total net OPEB liability of the City’s OPEB plan. The amount in the Section 115 OPEB Trust reserve as of June 30, 2024 was \$3,539,380.
- 3) ***Economic Contingency Reserve*** – represents funds that are set-aside for use only in exceptional circumstances such as catastrophic events that could negatively impact the financial condition of the City. The targeted funding level is 20% of a single year’s budgeted General Fund operating expenditures. City Policy requires approval of the City Council by resolution to authorize draws on this reserve or to increase the amount. The amount of the contingency reserve as of June 30, 2024 was \$12,800,000 and is equal to the target level.

**City of National City**  
**Notes to the Basic Financial Statements (Continued)**  
**For the Year Ended June 30, 2024**

---

**Note 14 – Classification of Fund Balances (Continued)**

***Categorization of Reserves under Adopted City Policies (Continued)***

- 4) ***Facilities Maintenance Reserve*** – represents funds that are set aside for extraordinary major maintenance costs that cannot be met within the annual budgeted amount and for which no other funding source is available. The targeted reserve level represents three times the annual amount to be budgeted for major maintenance projects. City Council approval is required for all additions to or transfers and expenditures from this reserve. The amount of the Facilities Maintenance Reserve as of June 30, 2024 was \$2,880,000 and is equal to the target level.
- 5) ***Unassigned Fund Balance*** – The City’s policy is to maintain an unassigned fund balance equal to 10% of a single year’s budgeted General Fund operating expenditures. Amounts in excess of the target level will be used to increase or replenish other reserves (with priority given to the Economic Contingency and Facilities Maintenance reserves), to set aside resources for specific one-time uses, or as a funding source for one-time expenditures included in the annual budget or for needs that arise subsequent to budget adoption. As of June 30, 2024, the unassigned fund balance was \$26,654,907 which is above the target level of \$6.1 million.

**Note 15 – Net Investment in Capital Assets**

At June 30, 2024, the net investment in capital assets category of net position for the governmental-activities was calculated as follows:

	<b>Net Investment in Capital Assets</b>
Non-depreciable/amortizable capital assets	\$ 74,402,217
Depreciable/amortizable capital assets, net	112,417,338
Deferred loss on refunding	16,800
2012 General Obligation Bonds	(1,845,000)
Bond premium	(6,418)
2017 Clean Energy Bonds	(1,715,365)
2017 Lease Revenue Bonds	(2,622,125)
Notes payable	(282,867)
Lease liabilities	(167,670)
<b>Total net investment in capital assets</b>	<b>\$ 180,196,910</b>

*This page intentionally left blank.*

**REQUIRED SUPPLEMENTARY  
INFORMATION**

*This page intentionally left blank.*

**City of National City**  
**Required Supplementary Information (Unaudited)**  
**Budgetary Information**  
**For the Year Ended June 30, 2024**

---

The City follows these procedures in establishing the budgetary data reflected in the required supplementary information and other supplementary information budgetary comparison schedules:

The City Council annually adopts a budget for operating and capital project expenditures. The annual budget includes all proposed expenditures and inter-fund transfers, and the means of financing them. The City Council also approves any amendments to appropriations throughout the year, generally at the mid-year budget review in February. The legal level of budgetary control is the fund level. The budget figures used in the required supplementary information are both original and final budgeted amounts. The final budget amount includes the original budget plus any amendments adopted during the year and any amounts encumbered from the prior year for capital projects or outstanding purchase orders.

Formal budgetary integration is employed as a management control device. Commitments for materials and services, such as purchase orders and contracts, are recorded during the year as encumbrances to assist in controlling expenditures. Appropriations which are unencumbered lapse at year end.

Budgets for the General Fund, special revenue funds, and debt service funds are adopted on a basis substantially consistent with accounting principles generally accepted in the United States of America. Accordingly, actual revenue and expenditures can be compared with related budgeted amounts without any significant reconciling items.

Under Article XIII B of the California Constitution (the Gann Spending Limitation Initiative), the City is restricted as to the amount of annual appropriations from the proceeds of taxes, and if proceeds of taxes exceed allowed appropriations, the excess must either be refunded to the State Controller, returned to the taxpayers through revised tax rates or revised fee schedules, or an excess in one year may be offset against a deficit in the following year. Further, Section 5 of Article XIII B allows the City to designate a portion of fund balance for general contingencies to be used in future years without limitation.

**Notes to Schedule:**

**Benefit changes:** the figures above do not include any liability impact that may have resulted from plan changes which occurred after June 30, 2014. This applies for voluntary benefit changes as well as any offers of Two Years of Additional Service Credit (a.k.a. Golden Handshakes).

**Changes in assumptions:** In 2023, the discount rate was reduced from 7.15% to 6.90%. In 2018, demographic assumptions and inflation rate were changed in accordance with the CalPERS Experience Study and Review of Actuarial Assumptions December 2017. There were no changes in the discount rate. In 2017, the discount rate was reduced from 7.65 percent to 7.15 percent. In 2016, there were no changes. In 2015, amounts reported reflect an adjustment of the discount rate from 7.5 percent (net of administrative expenses) to 7.65 percent (without a reduction for pension plan administrative expense). In 2014, amounts reported were based on the 7.5 percent discount rate.

Net pension liability as a percentage of covered-employee payroll	218.25%	198.69%	398.34%	551.10%	548.85%	526.86%	545.18%	523.53%	459.92%	455.90%

**Notes to Schedule:**

**Benefit changes:** the figures above do not include any liability impact that may have resulted from plan changes which occurred after June 30, 2014. This applies for voluntary benefit changes as well as any offers of Two Years of Additional Service Credit (a.k.a. Golden Handshakes).

**Changes in assumptions:** In 2023, the discount rate was reduced from 7.15% to 6.90%. In 2018, demographic assumptions and inflation rate were changed in accordance with the CalPERS Experience Study and Review of Actuarial Assumptions December 2017. There were no changes in the discount rate. In 2017, the discount rate was reduced from 7.65 percent to 7.15 percent. In 2016, there were no changes. In 2015, amounts reported reflect an adjustment of the discount rate from 7.5 percent (net of administrative expenses) to 7.65 percent (without a reduction for pension plan administrative expense). In 2014, amounts reported were based on the 7.5 percent discount rate.

Contributions in relation to the actuarially determined contributions	(1,755,191)	(2,457,605)	(31,300,395)	(4,120,557)	(3,888,994)	(3,371,801)	(2,953,694)	(2,854,739)	(2,367,548)	(2,056,706)
<b>Contribution deficiency (excess)</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ (26,813,095)</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>
Covered payroll <sup>2,3</sup>	\$ 11,276,960	\$ 10,975,144	\$ 11,215,102	\$ 11,606,086	\$ 11,276,333	\$ 11,582,137	\$ 11,885,467	\$ 10,724,074	\$ 10,126,926	\$ 9,742,081
Contributions as a percentage of covered payroll <sup>3</sup>	15.56%	22.39%	279.09%	35.50%	34.49%	29.11%	24.85%	26.62%	23.38%	21.11%

<sup>1</sup> Employers are assumed to make contributions equal to the actuarially determined contributions. However, some employers may choose to make additional contributions towards their unfunded liability. Employer contributions for such plans exceed the actuarially determined contributions.

<sup>2</sup> Covered Payroll represented above is based on pensionable earnings provided by the employer. However, GASB 68 defines covered-employee payroll as the total payroll of employees that are provided pensions through the pension plan. Accordingly, if pensionable earnings are different than total earnings for covered-employees, the employer should display in the disclosure footnotes the payroll based on total earnings for the covered group and recalculate the required payroll-related ratios.

<sup>3</sup> Payroll from prior year, \$10,975,144, was assumed to increase by the 2.75% payroll growth assumption.

**Notes to Schedule**

Valuation date:	6/30/2022	6/30/2021	6/30/2020	6/30/2019	6/30/2018	6/30/2017	6/30/2016	6/30/2015	6/30/2014	6/30/2013
-----------------	-----------	-----------	-----------	-----------	-----------	-----------	-----------	-----------	-----------	-----------

The actuarial methods and assumptions used to set the actuarially determined contributions for Fiscal Year 2014-15 were from the June 30, 2012 public agency valuations.

**Methods and assumptions used to determine contribution rates:**

Actuarial cost method	Entry Age Normal
Amortization method/period	For details, see June 30, 2017 Funding Valuation Report
Asset valuation method	Market value of assets. For details, see the June 30, 2017 Funding Valuation Report.
Inflation	2.625%
Salary increases	Varies by entry age and service
Payroll growth	2.75%
Investment rate of return	7.00%, net of pension plan investment and administrative expenses, including inflation
Retirement age	The probabilities of retirement are based on the 2021 CalPERS Experience study.
Mortality	The probabilities of mortality are based on the 2021 CalPERS Experience Study. Pre-retirement and Post-retirement mortality rates include 15 years of projected mortality improvement using 90% of Scale MP-2016 published by the Society of Actuaries.

# NON-MAJOR GOVERNMENTAL FUNDS

---

## SPECIAL REVENUE FUNDS:

***Library Fund*** - This fund is used to account for the operation of the National City Library.

***Parks Maintenance Fund*** - This fund is used to account for operating and maintaining the City's parks.

***Library Capital Outlay Fund*** - This fund is used to account for revenues from real property transfer taxes set aside to finance capital outlay and capital improvement expenditures of the National City Library.

***Gas Tax Fund*** - This fund is used to account for the City's share of state gas tax revenue restricted for street improvement and maintenance.

***Community Development Block Grant (CDBG) Fund*** - This fund is used to account for federal funds received from HUD – Community Development Block Program.

***HOME Program Fund*** - This fund is used to account for federal funds received from HUD HOME Program.

***Asset Forfeiture Fund*** - This fund is used to account for the receipt and expenditure of funds provided by the federal government's asset seizure fund to be used exclusively for law enforcement purposes.

***Nutrition Fund*** - This fund is used for reporting the operations of the Nutrition program that is funded by a combination of grants funds from the County, a transfer from the Housing Authority, and voluntary payments from those who receive meals through the program.

*This page intentionally left blank.*

---

# NON-MAJOR GOVERNMENTAL FUNDS

---

## **DEBT SERVICE FUNDS:**

*Library Bonds Debt Service Fund* - This fund is used to account for the property taxes collected for and debt service payments made on the bonds that were issued for construction of the library.

## **CAPITAL PROJECT FUNDS:**

*STP Local/TransNet Highway Fund* - This fund is used to account for funds received from the San Diego Association of Governments ("SANDAG") for TransNet projects.

*Proposition "A" Capital Projects Fund* - This fund is used to account for funds received from the San Diego Association of Governments ("SANDAG") for TransNet projects. Projects are funded by a one-half cent transactions and use tax approved by the voters in San Diego County.

*State-Local Partnership Fund* - This fund is used to account for the receipt and expenditures of funds provided by the State under the State-Local Transportation Partnership Program.

## **PERMANENT FUNDS:**

*Library Endowment Fund* - This fund is used to account for a financial endowment made to the Library. Only interest earned on the principal can be used to purchase books and other library materials.

# INTERNAL SERVICE FUNDS

---

*Internal Service Funds* are used to finance and account for special activities and services performed by a designated City department for other departments on a cost reimbursement basis.

*Facilities Maintenance Fund* - This fund is used to account for the costs of maintaining all City-owned buildings in a clean, safe, workable, and pleasant condition.

*Liability Insurance Fund* - This fund is used to account for the costs of maintaining the City's workers' compensation and liability insurance programs.

*Information Systems Maintenance Fund* - This fund is used to account for the costs of maintaining the City's computer-related information systems.

*Office Equipment Depreciation Fund* - This fund is used to account for the costs to replace City office equipment.

*Telecommunications Revolving Fund* - This fund is used to account for the costs of maintaining the City's telecommunications system.

*Motor Vehicle Services Fund* - This fund is used to account for the City's costs of preventative maintenance and repairs for all City vehicles including police, fire, general administrative, park, sewer and public works equipment.

*Vehicle Replacement Reserve Fund* - This fund is used to account for the costs of acquiring City vehicles and related equipment and for building a reserve for their future replacement.

**CITY OF NATIONAL CITY, CALIFORNIA**  
**STATISTICAL SECTION**  
**JUNE 30, 2024**

**Statistical Section**

Financial Presentations included in the Statistical Section provide data and information on the financial, physical, and economic characteristics of the City of National City. The following schedules cover multiple fiscal years and provide readers with a broader and more complete understanding of the City and its financial affairs and economic condition. They also present detailed information as a context for understanding this year's financial statements, note disclosure, and required supplementary information.

<b>Financial Trends</b>	<b>Page</b>
These schedules contain trend information to help readers understand and assess how the City's financial position has changed over time.	
Net Position by Component	142
Changes in Net Position	144
Fund Balances of Governmental Funds	148
Changes in Fund Balances of Government Funds	150
<b>Revenue Capacity</b>	
These schedules contain information to help readers understand and assess the City's local revenue sources.	
Assessed Value and Actual Value of Taxable Property	152
2023/24 Use Category Summary	154
Property Tax Dollar Breakdown	155
2023/24 Roll Summary Taxable Property Values	157
Taxable Sales by Category	158
Property Tax Levies and Collections	160
Direct and Overlapping Property Tax Rates	162
Principal Property Tax Payers	164
Sales Value History Single Family Residential Full Value Sales	165
Top 25 Sales Tax Producers	167
<b>Debt Capacity</b>	
These schedules present information to help readers understand and assess the City's debt burden and its ability to service current debt and to issue additional debt in the future.	
Ratios of Outstanding Debt by Type	168
Direct and Overlapping Debt	170
Net Taxable Assessed Value History	171
Legal Debt Margin Information	172
Pledged Revenue Coverage	174
<b>Demographic and Economic Information</b>	
These schedules present economic and demographic indicators to help readers understand the environment within which the City's financial activities take place.	
Demographic and Economic Statistics	177
<b>Operating Information</b>	
These schedules present information to help readers understand the City's operations and resources.	
Full-time Equivalent City Government Employees by Function/Program	178
Operating Indicators by Function/Program	180
Capital Asset Statistics by Function/Program	182

Total Direct Rate <sup>5</sup>	0.20747	0.20813	0.19685	0.19685	0.19462

<sup>1</sup> In 1978, California voters passed Proposition 13 which set the property tax rate at a 1.00% fixed amount. This 1.00% is shared by all taxing agencies for which the subject property resides within. In addition to the 1.00% fixed amount, property owners are charged taxes as a percentage of assessed property values for the payment of any voter approved bonds.

<sup>2</sup> Overlapping rates are those of local and county governments that apply to property owners within the City. Not all overlapping rates apply to all city property owners.

<sup>3</sup> City's Share of 1% Levy is based on the City's share of the general fund tax rate area with the largest net taxable value within the City. The ERAF portion of the City's Levy has been subtracted where known.

<sup>4</sup> Redevelopment Rate is based on the largest RDA tax rate area and only includes rate(s) from indebtedness adopted prior to 1989 per California State statute. RDA direct and overlapping rates are applied only to the incremental property values. The Approval of ABX1 26 eliminated Redevelopment from the State of California for the fiscal year 2012/13 and years thereafter.

<sup>5</sup> Total Direct Rate is the weighted average of all individual direct rates applied by the City/agency preparing the statistical section information and excludes revenues derived from aircraft. Beginning in 2013/14 the Total Direct Rate no longer includes revenue generated from the former redevelopment tax rate areas. Challenges to recognized enforceable obligations are assumed to have been resolved during 2012/13. For the purpose of this report, residual revenue is assumed to be distributed to the City/Agency in the same proportions as general fund revenue.

Total Direct Rate <sup>5</sup>	0.19792	0.19269	0.19630	0.19222	0.19123

<sup>1</sup> In 1978, California voters passed Proposition 13 which set the property tax rate at a 1.00% fixed amount. This 1.00% is shared by all taxing agencies for which the subject property resides within. In addition to the 1.00% fixed amount, property owners are charged taxes as a percentage of assessed property values for the payment of any voter approved bonds.

<sup>2</sup> Overlapping rates are those of local and county governments that apply to property owners within the City. Not all overlapping rates apply to all city property owners.

<sup>3</sup> City's Share of 1% Levy is based on the City's share of the general fund tax rate area with the largest net taxable value within the City. The ERAF portion of the City's Levy has been subtracted where knowns.

<sup>4</sup> Redevelopment Rate is based on the largest RDA tax rate area and only includes rate(s) from indebtedness adopted prior to 1989 per California State statute. RDA direct and overlapping rates are applied only to the incremental property values. The Approval of ABX1 26 eliminated Redevelopment from the State of California for the fiscal year 2012/13 and years thereafter.

<sup>5</sup> Total Direct Rate is the weighted average of all individual direct rates applied by the City/agency preparing the statistical section information and excludes revenues derived from aircraft. Beginning in 2013/14 the Total Direct Rate no longer includes revenue generated from the former redevelopment tax rate areas. Challenges to recognized enforceable obligations are assumed to have been resolved during 2012/13. For the purpose of this report, residual revenue is assumed to be distributed to the City/Agency in the same proportions as general fund revenue.

<sup>1</sup> The percentage of overlapping debt applicable to the city is estimated using taxable assessed property value. Applicable percentages were estimated by determining the portion of the overlapping district's assessed value that is within the boundaries of the city divided by the district's total taxable assessed value.

<sup>2</sup> Excludes tax and revenue anticipation notes, enterprise revenue, mortgage revenue and non-bonded capital lease obligations.
