MEDIA RELEASE

FOR IMMEDIATE RELEASE

Date & Time of Release: March 19th, 2026 / 1630 hours

DUI/Driver's License Checkpoint Planned this Saturday

National City, CA –The National City Police Department Traffic Unit will be conducting a DUI/Driver's License Checkpoint on March 21st, 2026 in the 2900 block of Highland Avenue starting at 6 PM.

DUI Checkpoints like this one are placed in locations based on collision statistics and frequency of DUI arrests. Officers will be looking for signs of alcohol and/or drug impairment, with officers checking drivers for proper licensing.

The deterrent effect of High Visibility Enforcement using both DUI checkpoints and DUI Saturation Patrols has proven to lower the number of persons killed and injured in alcohol or drug impaired crashes. Research shows that crashes involving an impaired driver can be reduced by up to 20 percent when well-publicized proactive DUI operations are conducted routinely.

The National City Police Department offers these reminders to ensure you have a safe night of fun that doesn't involve a DUI:

- Always use a designated sober driver – a friend who is not drinking, ride-share, cab or public transportation – to get home.
- See someone who is clearly impaired try and drive? Take the keys and help them make other arrangements to find a sober way home.
- Report drunk drivers – Call 911.
- Hosting a party? Offer nonalcoholic drinks. Monitor who are drinking and how they are getting home.

Getting home safely is cheap, but getting a DUI is not! Drivers caught driving impaired and charged with DUI can expect the impact of a DUI arrest to be upwards of \$13,500. This includes fines, fees, DUI classes, license suspension and other expenses not to mention possible jail time.

NATIONAL CITY POLICE DEPARTMENT

"A trusted community partner since 1887"

Funding for this checkpoint is provided to the National City Police Department by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
